**Ways of Being Male** John Stephens, 2013-10-18 Given the substantial impact of feminism on children's literature and culture during the last quarter century it comes as no surprise that gender studies have focused predominantly on issues of female representation The question of how the same patriarchal ideology structured representations of male bodies and behaviors was until very recently a marginal discussion Now that masculinity has emerged as an overt theme in children's literature and film critical consideration of the subject is timely if not long overdue Ways of Being Male addresses this new concern in an unprecedented collection of essays examining how contemporary debates about masculinity are reflected in fiction and film for young adults An outstanding team of scholars elucidates the ways in which different versions of male identity are constructed and presented to young audiences The contributors drawn from a variety of academic disciplines employ international discourses in literary criticism feminism social sciences film theory psychoanalytic criticism and queer theory in their wide ranging exploration of male representation With its illuminating array of perspectives this pioneering survey brings a long neglected subject into sharp focus

**Ruth's Journey** Donald McCaig, 2014-10-14 Exquisitely imagined deeply researched brings to the foreground the most enigmatic and fascinating figure in *Gone with the Wind* This is a brave work of literary empathy by a writer at the height of his powers who demonstrates a magisterial understanding of the period its clashing cultures and its heartbreaking crises Geraldine Brooks author of *March* The only authorized prequel to Margaret Mitchell's *Gone with the Wind* the unforgettable story of Mammy On a Caribbean island consumed by the flames of revolution an infant girl falls under the care of two French migrants Henri and Solange Fournier who take the beautiful child they call Ruth to the bustling American city of Savannah What follows is the sweeping tale of Ruth's life as shaped first by her strong-willed mistress and then by Solange's daughter Ellen and Gerald O'Hara the rough Irishman Ellen chooses to marry the Butler family of Charleston and their unexpected connection to Mammy Ruth and finally Scarlett O'Hara the irrepressible Southern belle Mammy raises from birth As we witness the lives of three generations of women gifted storyteller Donald McCaig reveals a nuanced portrait of Mammy at once a proud woman and a captive a strict disciplinarian who has never experienced freedom herself Through it all Mammy endures a rock in the river of time Set against the backdrop of the South from the 1820s until the dawn of the Civil War here is a remarkable story of fortitude

heartbreak and indomitable will and a tale that will forever illuminate your reading of Margaret Mitchell's *Gone with the Wind*

*Defend This Heart* Christine DePetrillo, 2025-04-24 Women were always walking away from me I needed to remember that I suck at relationships I never know what's going on in a woman's head Things seem as if they're progressing well and then poof She's breaking up with me when I'm ready to take the next step It makes me keep my current girlfriend at arm's length and guess what She's noticed she's not happy and she's done with me Fine I'll just stick to caring for animals as a veterinarian at my family's wildlife rehabilitation center Hartley's Nest Animal emotions are much easier to decipher than human ones anyway Avoiding relationships is a great plan until an unexpected delivery of an almost five year old girl who happens to look just like me shakes things up considerably Yeah I'm her dad Yeah I had no idea she existed Yeah I now have custody of her Yeah I don't know what I'm doing I need help and I need it fast Especially when I lose my new daughter in a toy store Luckily angels do exist and preschool teacher Carina Fiore comes to my rescue in too many ways to count When she agrees to both nanny and teach my daughter my life gets back on track Only the track leads to human emotions Lots of them Because Carina is amazing She hasn't had the best of luck in relationships either however and we make a pact to be totally honest with each other It's wonderful to know exactly what's on her mind and to tell her what I'm thinking and feeling When custody of my daughter is in jeopardy Carina helps me believe in miracles She also shows me that relationships are worth the risk Now I'm ready for the next step Is she
