Sad Tales For A Somber Night:

Sad Tales for a Somber Night Eric G. Peters, 2004-04-01 Kalee Bhava The Goddess and Her Moods was born out of torment and love crashing together like lightning hitting the Earth to ignite life into existence It is nothing but passion for the spiritual This book was the work of Healing Sakti in my life I began to heal what has seemed to be a never ending torrent of wounds everything from the wounds of Jesus to the wounds of inability to attain Advaita non dual transcendence permanently The distorted imprint of this world leaves us with many delusions scars and schisms sexual psychological and religious My healing began as I began to embrace the Image of Kali as my Ishta Sakti the Chosen Ideal of Spiritual Power Because of Atma Essays on Self and Empathy was the work of Vedanta Sakti coming back to me It is my inquiry into the Pure Atma true self as What is Behind and yet Within the Curtain of Enchantment But I must confess my own non originality If Ashtavakra describes the Atma as glory and thousands of years later Swami Abhedananda describes Atma as glory and then perhaps a decade or two after that someone else uses the very same word well who is then original No one person is the holder of Truth it is Truth that is the Holder of every individual The Lamp of the Turiya was translated into Dutch and republished in the journal Vedanta Spiritual Solutions to Psychological Equations was republished in The New Times Bursting the Sharp Midpoint of the World Mind Cultus was republished in Prabuddha Bharata and The New Times The Skills of Kalee came later as a process of autonomous self arrival As it is with almost all writing and poetic efforts some of it is a scholarly construct and some is spontaneous creativity As it is I think the feeling within each sentence speaks for itself This manuscript was the work of Loving Sakti in my life The text is an exercise in the practice and application of learning to love and to use my own mind as an instrument for loving the Goddess Measuring Sky Without Ground Essays on the Goddess Kali Sri Ramakrishna and Human Potential came out of thinking upon Turiya Sakti that is Mother s Advaita returned from the waking dreaming and deep sleep states back into the fourth state turiya at least in a cerebral perspective but expressed with powerful feeling For me it was like the dawn of spiritual life inside my heart The title essay Measuring Sky Without Ground A Pragmatic Psychology of Non Duality was republished in The New Times Kalee The Allayer of Sorrows is a return address to some important historical and spiritual subjects that for me are a salute to Tantra Sakti and how She has expressed Herself in my life From this text The Radical View of Kali A Study in Religious Distortion was republished in the journal Matriarch s Way The Guru Problem Spiritual Trauma and Abuse in the Causal Dynamic of the Guru Dilemma was republished in The New Times The Goddess and the God Man An Explorative Study of the Intimate Relationship of the Goddess Kali with Sri Ramakrishna of Dakshineswar was my greatest pleasure and joyful labor being in itself a work on pure Kali Sakti It is a probing search and an unworthy attempt to fathom the depth of his spiritual experience written at the borderline where the absolute transcendent Goddess expressed Herself in the person of Sri Ramakrishna of Dakshineswar 1836 1886 Living Sakti Attempting Quick Knowing in Perpetual Perception and Continuous Becoming I prayed was to be my culmination after thirty

years of writing perhaps that I now might live in Peace To enjoy what has been discovered in Sakti and to live what Sakti has uncovered But Mother would not let me rest and just live in Her Sakti She once again forced me to continue writing and so the eighth text was born from my mind womb wherein She could not resist impregnating me with more thoughts on Her So The Mirage and the Mirror was born It was written from the Perspectiv **Rolla. El-Soudani, 2009-01-05 Preface It was shortly after I had graduated from the University of Cambridge in 1980 with a PhD Degree specializing in fracture mechanics and failure analysis of materials and structures that I discovered the dire need for this book This undertaking began to take shape in the early 1980s with the Middle East aflame devastated by what some viewed as a holy war and with millennialists prophesying the end of days by the year 2000 C E After publishing and co authoring 87 scientific and industrial reports and technical papers many of which were in national and international magazines on the subject of failure analysis of metals and fracture mechanics of aircraft structures I came to realize that consequences of failures of the human spirit are far more devastating than failures of metals and aircraft structures But now at the outset of the 21st century the world is still experiencing turmoil and devastation by wars spreading like wildfire with Jews Christians and Moslems at each other s throats in seemingly never ending battles and ugly strife Some call it war on terror others speak of wars of clashing cultures crusades jihad etc etc etc One cant help but wonder how this saga of 99% misery and 1% heroism will ever come to an end Only the gullible would attempt to explain the ongoing world conflict among People of the Book Jews Christians and Moslems based on the course of events during the past few years or even the past few decades This is where this book comes in with a rigorous rationalized and hopefully convincing critical assessment of a never before explored most innate aspect of the human nature and that is its obsession with hijacking of the religion of God For better understanding of the root cause of the ongoing conflict among People of the Book who are supposed to be worshipping the same God we need to take a step back take a deep breath and reflect rationally while ignoring all rhetoric and emotional bias in researching the past three thousand years of religious history And this is exactly what I did in writing this three volume book More specifically this book is addressing the religion of God to whom every human being from among the so called People of the Book today turns in prayer Whether soldiers or civilians when they are caught in the midst of the ongoing grisly and devastating wars some would pray to Yahweh others call upon Jesus Christ while Moslem brethren whisper the name of Allah upon taking their last breath Who is that God And why is He so shrouded with mystery Is He truly One and the Same God for all these people Or are we suffering from some self delusions and possibly hallucinations that may be the senseless products of our ancient religious fabrications and mythmaking Going back in time three thousand years brings us to one very special night when God was said to have come down in person onto Mount Sinai to have a close encounter with human beings through direct speech This three volume book examines the course of religious events from that magic and apocalyptic moment onwards till this day It took me twenty years of research to show

that men who practiced hijacking long before they had wings have been quite active over the past three thousand years engaging in the lucrative business of hijacking the religion of God All three religious persuasions Judaism Christianity and Islam suffered the dire consequences of miserably failing to heed the words of our Merciful and Patient God No irony intended here in calling it a business and indeed a lucrative one because it brings the hijackers power enormous wealth and often glory all of which in the sight of God translate respectively into arrogance greed and most certainly infamy In developing the extensive critical review of religion presented herein detailing the respective histories of the selected three religious persuasions Jud Tales of Mystery and Horror Maurice Level,1920
