Loewenheim**

Sadat And His Statecraft:

Sadat and His Statecraft Felipe Fernández-Armesto, 1983 *Sadat and the Art of Statecraft: "Great Men Dedicated to Peace and Progress."*, 1997 This essay examines the 1972-1974 period of Anwar Sadat's leadership as President of Egypt with a focus on his abilities as a statesman and his skill as a practitioner of the art of statecraft. The author shows that Sadat was an adept statesman particularly during the key policy event of this period, the October 1973 Arab-Israeli War. He successfully created and harnessed this event using all the means of statecraft to secure the national interests and objectives he wanted for his country. Though the Arab-Israeli war is one way to highlight Sadat's skill as a statesman, it was the 1973 Arab-Israeli peace that shows the true expertise of Sadat's statecraft because war was only one tool used by Sadat to reach his overall objectives. In this case, the art of war worked closely with the art of diplomacy to fashion a synergistic Egyptian foreign policy that would attain a better state of peace. This examination of the structure and success of Sadat's grand strategy begins by looking at Egypt's national interests and the threats to those interests. Next is an assessment of Sadat's perception of Egyptian power and a look at the opportunities available to him in the context of the environment he faced. The essay assesses Sadat's effectiveness in adapting to the unexpected and marshaling the tools of statecraft to secure a better peace and presents the lessons others can learn from his example.

A History of Social Justice and Political Power in the Middle East Linda T. Darling, 2013-05-02 From ancient Mesopotamia into the 20th century, the Circle of Justice as a concept has pervaded Middle Eastern political thought and underpinned the exercise of power in the Middle East. The Circle of Justice depicts graphically how a government's justice toward the population generates political power, military strength, prosperity, and good administration. This book traces this set of relationships from its earliest appearance in the political writings of the Sumerians through four millennia of Middle Eastern culture. It explores how people conceptualized and acted upon this powerful insight, how they portrayed it in symbol, painting, and story, and how they transmitted it from one regime to the next. Moving towards the modern day, the author shows how, although the Circle of Justice was largely dropped from political discourse, it did not disappear from people's political culture and expectations of government. The book demonstrates the Circle's relevance to the Iranian Revolution and the rise of Islamist movements all over the Middle East and suggests how the concept remains relevant in an age of capitalism. A must-read for students, policymakers, and ordinary citizens, this book will be an important contribution to the areas of political history, political theory, Middle East studies, and Orientalism.

Historical Dictionary of Egypt Arthur Goldschmidt, Jr., 2013-10-10 Egypt was the first non-Western country to undergo an industrial revolution. It was a major commercial center during the 19th and early 20th centuries. It was one of the first countries to have, albeit briefly, a constitutional government. Its struggle for independence was among the earliest in the non-Western world. Its capital, Cairo, has served as a headquarters and a meeting place for nationalist leaders. Its schools and universities attracted students from many other African and Asian countries. For the Arab world, its educational and legal

institutions set the pattern that most other Arabic speaking countries have followed Its books magazines and newspapers circulate widely Its radio and television broadcasting became the model for other Arab states The leadership of Jamal Abd al Nasir and Anwar al Sadat profoundly influenced other Arab and Third World leaders And the demonstrations in Cairo s Tahrir Square became the iconic movement for the so called Arab Spring in the rest of the Middle East This fourth edition of Historical Dictionary of Egypt covers its history from its emergence as an independent actor during the reign of Ali Bey 1760 1772 up to and including the first two years of the Arab Spring February 2013 This is done through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on of persons events institutions political groups economic and social conditions policies relationships with other countries ideas religions ideologies and commodities relevant to the modern history of Egypt This book is an excellent access point for students researchers and anyone wanting to know more about Egypt **The Modern Middle East** Mehran

Kamrava,2011-01-03 Since it was first published in 2006 this concise overview of the making of the contemporary Middle East has become essential reading for students and general readers who want to gain a better understanding of this diverse region Writing for a wide audience Mehran Kamrava takes us from fall of the Ottoman Empire to today exploring along the way such central issues as the dynamics of economic development authoritarian endurance and the Israel Palestinian conflict For this new thoroughly revised edition he has brought the book fully up to date by incorporating events and issues of the past few years The Modern Middle East now includes information about the June 2009 Iranian presidential elections and their aftermath changes precipitated so far by the Obama administration Israel s attack on Gaza in 2008 the effects of globalization on economic development and more Building Air Bases in the Negev Frank N. Schubert,1992 Building Air

Bases in the Negev is a remarkable story of the U S Army Corps of Engineers role supporting national diplomatic initiatives overseas while managing a major construction project in Israel Frank N Schubert has written a superbly organized account tracing from the spring of 1979 to the summer of 1982 the development and completion of two ultramodern air bases at a cost that only exceeded original estimates by less than 3 percent As Schubert suggests the air base program helped bring peace between two long term antagonists Israel and Egypt Schubert s work serves as an important case study for analyzing not only engineering project management and construction practices but also demanding sociopolitical cultural and business conditions in sovereign foreign lands Sadat'S Jihad Lt. Col. (Ret.) Shimon Mendes,2018-06-27 SADATs JIHAD is the fruit

of seven years research The author describes the real reasons in his opinion that led the Israel Defense Forces to be utterly surprised in the Yom Kippur War Israeli Intelligence had concluded with direct assistance of Sadat himself that he was illiterate politically and militarily impotent Admittedly Sadat ultimately showed himself as a political intellectual and military strategist a visionary leader who gazed back 7000 years yet stared forward into Eternal History The Egyptian surprise that carried out successfully conducted by the Egyptian President Nevertheless despite the sophisticated brilliant gambit that

preceded the war Israel succeeded to turn the table on Egypt and Egypt almost suffered a crippling defeat again Shimon Mendes introduces Anwar al Sadat as The First Muslim Pharaoh Within the multiple stratagems that preceded his war Sadat had chosen to interlace Old and New Consequently Israeli Intelligence could not read him He started the war as a Moslem Caliph and ended the war as a Modern Pharaoh A Superpower Transformed Daniel J. Sargent,2015 Geopolitics and globalization collided in the 1970s and their collision produced difficult challenges for the makers of American foreign policy A Superpower Transformed explains how policymakers across three administrations worked to manage complex international changes in a tumultuous era and it explores the legacies of their efforts to accommodate American power to new forces stirring in world affairs **The Modern Middle East, Third Edition** Mehran Kamrava,2013-10-05 From the fall of the Ottoman Empire through the Arab Spring this title offers a classic treatise on the making of the contemporary Middle East remains essential reading for students and general readers who want to gain a better understanding of this diverse region

A Brief History of Egypt Arthur Goldschmidt,2008 Chronicles the history of Egyptian politics economics social and cultural developments from ancient times to the present *In Search of a Peace Settlement* M. Gat,2012-06-28 This is the first examination of the Israeli and Egyptian peace process between 1967 1973 which highlights the rise and fall of Soviet influence after the Six Day War and explores how the increasing importance of America s political leadership affected the region *Egypt And The Arabs* Joseph P Lorenz,2021-11-28 As the Arab states come to grips with new realities in the Middle East the shifts in political and economic power in the region the growing ascendancy of fundamentalist Islam over Nationalist and pan Arab ideologies of the past and the changing dynamics of the Palestinian problem the course that Mubarak charts for Egypt has become a factor of key importance In this book a career Foreign Service officer examines the changes that are taking place in Egyptian attitudes and policies toward the Arab world from three perspectives the ways in which Egypt pursued its regional interests under Nasser and Sadat the policy constraints imposed by political economic and social forces within Egypt and the dynamics of Egyptian Arab relations since the October War Political Psychology And Foreign Policy Eric Singer,Valerie M Hudson,2020-02-24 First published in 1992 One of the issues of particular interest to political psychologists centers around how foreign policy decisions are made The psychological phenomena that political psychologists examine have to do with how individuals perceive interpret feel about and react to their environment The political factors have to do with the activities involved in governing or the making of public policy that is with how the material and human resources of a collectivity are allocated The research presented in this volume addresses 6 key questions that link psychological and political processes and the chapters are organized around three conceptual clusters perception studies personality studies and studies of group dynamics *Shaping Strategy* Risa Brooks,2018-06-05 Good strategic assessment does not guarantee success in international relations but bad strategic assessment dramatically increases the risk of disastrous failure The most glaring example of this reality is playing out in Iraq today But what explains why states

and their leaders are sometimes so good at strategic assessment and why they are sometimes so bad at it Part of the explanation has to do with a state's civil military relations In *Shaping Strategy* Risa Brooks develops a novel theory of how states' civil military relations affect strategic assessment during international conflicts And her conclusions have broad practical importance to anticipate when states are prone to strategic failure abroad we must look at how civil military relations affect the analysis of those strategies at home Drawing insights from both international relations and comparative politics *Shaping Strategy* shows that good strategic assessment depends on civil military relations that encourage an easy exchange of information and a rigorous analysis of a state's own relative capabilities and strategic environment Among the diverse case studies the book illuminates Brooks explains why strategic assessment in Egypt was so poor under Gamal Abdel Nasser prior to the 1967 Arab Israeli war and why it improved under Anwar Sadat The book also offers a new perspective on the devastating failure of U S planning for the second Iraq war Brooks argues that this failure far from being unique is an example of an assessment pathology to which states commonly succumb

The Middle East In Global Perspective Judith Kipper, Harold Saunders, 2019-06-19 Well before events in the Soviet Union and Eastern Europe dramatized the rapidity with which a new political world is evolving and before the Gulf War sharpened the focus on the Middle East agenda scholars and policymakers alike were searching for different concepts for addressing the intractable problems facing the Middle East Even though the re

The Correlates of Religion and State Jonathan Fox, 2020-06-29 This comprehensive volume examines the nature causes and consequences of state religion policy in 183 countries between 1990 and 2014 Each contribution uses round 3 of the Religion and State dataset which includes information on 117 distinct state religion policies Secular and religious forces in society and government compete in order to influence state religion policy in a vibrant religious economy While governments are more involved in religion in 2014 than they were in 1990 most states both added and dropped religion policies during this period This is important because these policies impact on a number of important political social and economic phenomena In this collection the authors examine the impact of state religion policies on interstate militarized disputes violent domestic conflict terrorism and voting for political parties They also examine some of the factors that influence state religion policy including the attitudes of citizens toward religion and religious minorities free and open elections and having an independent judiciary This book was originally published as a special issue of the journal *Religion State Society*

From Aristotelian to Reaganomics R. C. S. Trahair, 1994 This reference provides a detailed listing of eponyms in the social sciences along with entries for some toponyms The work includes terms from a broad range of social sciences including anthropology economics education history political science religious studies and sociology The entries are arranged alphabetically Each begins with a brief definition of the term followed by a discussion of the term's history and significance The entry then provides biographical information for the person from whose name the entry was derived A brief bibliography concludes each entry and the dictionary closes with lists of entries arranged by category and a selected

bibliography of works on eponyms **Diplomatic Tradecraft** Nicholas Kralev, 2024-03-20 As universities and governments seek to prepare the next generation of diplomats to manage international affairs they finally have a teaching tool focusing on the practical knowledge and skills that in the past could be learned only on the job Edited by Nicholas Kralev founder of the Washington International Diplomatic Academy Diplomatic Tradecraft brings together 18 career ambassadors with decades of experience to lift the curtain on a mysterious but vital profession and to pass on the insights and abilities they gained to those who will succeed them Beginning with an overview of diplomatic institutions and protocols the text considers the key attributes of diplomatic communication and negotiation as well as core specializations including economic consular and public diplomacy With compelling narratives case studies and exercise scenarios the chapters on various aspects of diplomatic practice form a cohesive and comprehensive volume written in an accessible and engaging style **An American Political Scientist in Israel** Paul Eidelberg, 2010-08-20 An American Political Scientist in Israel recounts the author's meetings with some of Israel's political and intellectual leaders after he immigrated to Israel in 1976 His book reveals for the first time the flawed mentality of these elites and how this affects their foreign policy As a political scientist and student of the America's Founding Fathers he provides a professional critique of Israel's ideological and institutional flaws Eidelberg also provides a detailed account of Israel's economic and technological contribution to the United States Contrary to conventional opinion dollar for dollar the United States receives more from Israel than Israel receives from the United States Finally Eidelberg offers a remedy for Israel's woes He first shows that although Israel is a democracy from a sociological perspective it is not a democracy from a political institutional perspective Not only does Israel lack a written Constitution with institutional checks and balances but members of the legislature are not individually accountable to the voters in constituency elections Operating in Israel is not representative government so much as multi party cabinet government dominated by the prime minister Eidelberg has therefore drafted a Constitution that empowers the people and is consistent with basic Judaic principles **Arab-Israeli Peace Process** Aftab Kamal Pasha, 2000 The Arab Israeli Peace Process Is As Old As The Conflict Itself Which Can Be Traced To The Balfour Declaration If Not To The Basle Conference Numerous Attempts Have Been Made To Find Solutions To The Conflict This Volume Presents A Comprehensive Review And Critical Assessment Of The Us Attempts To Sideline The Palestinian Issue Under Israeli Jewish Pressure And Factors Leading To The Camp David Accords The Book Focuses On Some Of The Contentious Issues Like The Involvement Of Gulf States In The Peace Process Israeli Settlements In West Bank And Plo Peace Strategies Since Its Creation In 1964 Furthermore It Discusses The Fahd Fez Reagan Plans And The Saudi Role In The Peace Process Factional Fights Within The Plo And Outside Interference Especially Israeli And Syrian To Influence Developments In The Palestinian Movement Impact Of Palestinian Presence In Lebanon Factors Which Propelled Israel To Invade Lebanon And Plo Strategy To Push Israel Out Of That Country

Sadat And His Statecraft Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sadat And His Statecraft has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sadat And His Statecraft has opened up a world of possibilities. Downloading Sadat And His Statecraft provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sadat And His Statecraft has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sadat And His Statecraft. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sadat And His Statecraft. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sadat And His Statecraft, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sadat And His Statecraft has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sadat And His Statecraft Books

1. Where can I buy Sadat And His Statecraft books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Sadat And His Statecraft book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
