myself Gordon Cotter Male DOB 11 05 1934 in Birmingham England In September 1939 I and thousands of children was
evacuated from inner cities to rural Britain this was to escape the onset of heavy bombing by German Luftwaffe planes As
war had been declared on Germany I was sent to a small community in Northern Scotland There was no communication in
those days Only things we heard was from the Radio It was put on twice a day The local community was made up of farmers
and some of the wives went to the local Landowner as maids and cleaning staff I was 5 years old and it took time for me to be
accepted I went to the local schoolhouse three times a week for lessons The rest of the time I was expected to help around
the farmyard I began to notice that a lot of women often came to the house and was taken into the parlour sometimes I would
sneak into here and watch and listen to the women talking After a while I got braver and just sat in a corner whilst the
women were there It began to come to me that these women were telling my Grandma about their dreams When they were
finished they gave my granda some eggs or butter Now I understand it was payment As time went on I began to understand
more of what granda was saying to these women I became interested in it I still did not know what it was about Years past
and when I was about eleven or twelve The was came to an end I had settled into life in Scotland and quite enjoyed the life It
was then that I was told about me being an Evacuee and I could return to my original home if I wanted to I did not remember
any of it so I said that I wanted to stay Years Later I regretted this action I had become very close to my grandmother during
this time and she and I often talked about the dreams and she said that I did seem to have the gift I had by this time began to
understand just what she meant by the various talks with these women I was eventually allowed to sit in on the talks and
sometimes I was asked for my opinion In later life my granda became poorly and she showed me a lot of her private books
that she had written down her musings on all of the subjects within dreams I was asked to take over from her for the
readings When she died I was asked if I wanted anything of hers I asked for the books that she had written down her
thoughts on the subject I moved back to Birmingham and the books lay in my attic for years In 1972 I came across them and
again began to get an interest in the interpretation of dreams I got out granda s books and decided to bring them up to
date It has taken my since then to complete them **The 12 Secrets of Highly Successful Women** Gail
