Semi Presidentialism In Europe

Sören Zibrandt von Dosenrode-Lynge

Semi Presidentialism In Europe:

Semi-Presidentialism in Europe Robert Elgie, 1999-09-02 Semi Presidentialism is the term used to describe the constitutional arrangement where there is a directly elected president and a prime minister who is responsible to parliament. Examples of semi presidential regimes include Finland, France, Portugal, Poland, Russia, and Ukraine. These countries share certain constitutional features but the exercise of presidential and prime ministerial power varies greatly from one to another. Semi Presidentialism in Europe examines the politics of semi presidentialism and explores why it is that seemingly similar political systems operate in such different ways. Furthermore, the book examines the constitutional powers of political leaders, the role of political parties, and the importance of past precedent.

Semi-Presidentialism Outside Europe Robert Elgie, Sophia Moestrup, 2007-06-11 This is the first academic study of the impact of semi presidentialism in emerging democracies outside of Europe. Semi presidentialism is where there is both a directly elected fixed term president and a prime minister who is responsible to the legislature. For the most part, semi presidentialism is seen as being a risky choice for new democracies because it can create potentially destabilizing competition between the president and prime minister. And yet there are now more than fifty semi presidential countries in the world. Moreover, many of these countries are in Africa, the former Soviet Union, and Asia, often in places where democracy has yet to establish a firm foundation. This study begins with a chapter that discusses the advantages and disadvantages of semi presidentialism and provides the theoretical framework for a wide ranging series of country chapters presented in the second part of the book. Written by country area specialists, the case studies highlight the political processes at work in young semi presidential democracies. Semi Presidentialism Outside Europe will appeal to those researching and studying in the fields of comparative politics, development, and democracy.

Semi-presidentialism, Parliamentarism and Presidents Miloš Brunclík, Michal Kubát, 2018-07-11 The book analyzes the presidencies of three neighboring Central European countries: Poland, the Czech Republic, and Slovakia, in the context of their interactions with cabinets and prime ministers, parliaments, and the constitutional courts, all of which have proved crucial actors in the region's political and constitutional battles. Using both institutional and behavioral perspectives, along with an innovative definition of semi presidentialism, the book argues that presidential powers rather than the mode of the election of the president are crucial to the functioning of the regimes and their classification into distinctive regime types. Focusing on intra executive conflicts and the interaction of the president with other constitutional players, it argues that regardless of the mode of the election of the president, regimes have traditionally been very similar, not only in their institutional settings but also in the way they function. Finally, it shows that Poland, the Czech Republic, and Slovakia should be classified as parliamentary regimes. This text will be of key interest to scholars and students of Central and East European studies, politics, post Communist studies, presidential studies, and more broadly to political elites and institutions, comparative politics, and legislative studies.

Foundations of Comparative Politics Ken Newton, Jan W. Van Deth, 2005-09-01 This authoritative new

introductory text covers the key concepts theories and issues involved in the study of comparative politics Focusing on democratic government it covers all important topics in the field from constitutional design and institutions through mass and elite politics groups parties the media and governments to policy making and implementation The final chapter considers the future of the state and democracy in a globalising world The authors draw on experiences and examples from around the world and the book includes extensive supporting apparatus for students and teachers including briefings fact files key terms guides to further reading and related websites Each chapter ends with a section dealing with the major theoretical approaches to the subject The aim is to give students a clear and comprehensive account of democratic politics and government at the start of the twenty first century

Semi-Presidentialism in Central and Eastern Europe Robert Elgie, Sophie Moestrup, 2008-12-15 Contributed articles on executive power

European Politics Paul Kubicek, 2020-12-20 European Politics expertly and accessibly surveys the history institutions and issues that are essential for understanding contemporary European politics Exploring a central question what is Europe this text s thematic approach helps students compare politics in individual countries and see the political big picture in the region European Politics examines not only countries which are or were in the European Union but also those eligible to join to give students the most comprehensive picture of Europe s evolution in a globalized world Key changes for the new edition include coverage of hot topics such as Brexit Covid 19 rise of nationalist populists authoritarian developments in Hungary Poland and Turkey separatism in Catalonia refugees migrants environmentalism Ukraine Russia US European relations recent elections and security threats emanating within Europe and beyond a consolidated presentation on the European Union fully updated data and examples and a new concluding chapter recapping the main ideas and suggesting scenarios for the European project moving forward This timely in depth text will be essential reading for anyone interested in European politics

Presidential Activism and Veto Power in Central and Eastern Europe Philipp Köker, 2017-06-20 This book examines the use of presidential powers in Central and East Europe between 1990 and 2010 Focussing on presidential vetoes and the formation of governments it maps patterns of presidential activism and its determinants across nine democracies Thereby it combines the analysis of original quantitative data on the use of presidential powers with in depth case studies in an innovative mixed methods framework Based on regression analyses and unique insights from numerous elite interviews the study shows strong support for the hitherto insufficiently tested assumption that popularly elected presidents are more active than their indirectly elected counterparts As one of the first comprehensive comparative studies of presidential activism and veto power in Europe this book will be a key resource not only for area specialists but also for scholars of presidential studies comparative government and executives

Semi-Presidential Policy-Making in Europe Tapio Raunio, Thomas Sedelius, 2019-05-17 This book explores how power sharing between the president and the prime minister works in semi presidential regimes In contrast to much of the existing comparative work on semi presidentialism the book emphasizes the role of institutional coordination at the most

concrete level of executive policy making and asks how institutional coordination between the president and prime minister influences presidential activism and the balance of power within the executive The authors develop a tentative framework embedded in institutionalism and based on four strands of research semi presidentialism public administration political leadership and foreign policy analysis which is subsequently applied to the cases of Lithuania Romania and Finland Given the political challenges facing many semi presidential countries the study ultimately seeks to identify institutional solutions that facilitate power sharing and successful policy making

Authoritarianism and Democracy in Europe, 1919-39 D.

Berg-Schlosser, J. Mitchell, 2002-10-31 Authoritarianism and Democracy in Europe 1919 39 offers a comprehensive analysis of the survival or breakdown of democracy in interwar Europe The contributors explore factors such as the historical social structural and political cultural backgrounds of the policies that European countries attempted to implement to counter the world economic crisis of 1929 The analysis serves as an important backdrop for the assessment of current democratic developments in former communist Europe and highlights some of the problems and risks involved in the transition process

The Oxford Handbook of Comparative Administrative Law Peter Cane, Herwig Hofmann, Eric C. Ip, Eric Chi Yeung Ip, Peter L. Lindseth, 2021 In this Handbook distinguished experts in the field of administrative law discuss a wide range of issues from a comparative perspective The book covers the historical beginnings of comparative administrative law scholarship and discusses important methodological issues and basic concepts such as administrative power and accountability

The Routledge Handbook of East European Politics Adam Fagan, Petr Kopecký, 2017-08-15 The Routledge Handbook of East European Politics is an authoritative overview that will help a wide readership develop an understanding of the region in all its political economic and social complexity Including Central Europe the Baltic republics South Eastern Europe and the Western Balkans as well as all the countries of the former Soviet Union it is unrivalled in breadth and depth affording a comprehensive overview of Eastern European politics provided by leading experts in the fields of comparative politics international relations and public administration Through a series of cutting edge articles it seeks to explain and understand patterns of Eastern European politics today The Routledge Handbook of East European Politics will be a key reference point both for advanced level students developing knowledge about the subject researchers producing new material in the area and those interested and working in the fields of East European Politics Russian Politics EU Politics and more broadly in European Politics Comparative Politics Democratization Studies and International Relations

Approaching the European Federation? Søren Zibrandt von Dönsenrode-Lynge, 2007 The European project has within only 52 years achieved a surprising momentum and the European Union is now approaching full statehood This book presents a timely examination of what appears to be the emerging European State

Approaching the European Federation? Søren Dönsenrode, 2016-04-08 The European project has within only 52 years achieved a surprising momentum and the European Union is now approaching full statehood The Convention on the Future of Europe has finished its work and

handed over a proposal for a constitutional treaty to the Heads of State and Government of the EU It is therefore the ideal time to present an integrated analysis of what appears to be the emerging European State This key volume therefore discusses the central questions and concepts within the field of European studies which include federalism the relationship between statehood and constitution integration and constitution the regions in the new Europe and the EU as an international actor These discussions are then developed and analyzed in relation to the draft constitution Timely and insightful the volume is suitable for courses on European integration federalism and international politics

Contemporary European Politics José M. Magone, 2019-05-16 Revised throughout the second edition of this comprehensive and highly respected textbook continues to provide a thorough introduction to European and European Union politics Pairing a genuinely comparative approach with in depth analysis of the national supranational local and regional political systems of large and small countries across Europe including Central and Eastern Europe and the Balkans this accessible book covers history theory institutions parties and party systems and interest groups among others Key topics and features of this book Examines the European Union multilevel governance system and uses a regional cluster approach to highlight differences across Europe Contextualises European politics in a theoretical framework explaining the major political social and economic transformations taking place in the information age A new chapter on the comparative political systems and cultures of wider Europe particularly Russia Ukraine Moldova Georgia Belarus and Turkey Engages with the latest challenges and crises facing Europe including new streamlined chapters on parties elections politics and policy making of the European Union Extended coverage of hot topics such as finance and the Eurocrisis immigration populism and xenophobia Uses a wide range of pedagogical features including further readings and revision questions Includes a fully updated companion website containing rich reference data chapter summaries and weblinks Richly illustrated throughout this work is an indispensable resource for all students and scholars of European politics

Routledge Handbook of European Politics José M. Magone, 2014-12-17 Since the Treaty of the European Union was ratified in 1993 the European Union has become an important factor in an ever increasing number of regimes of pooled sovereignty This Handbook seeks to present a valuable guide to this new and unique system in the twenty first century allowing readers to obtain a better understanding of the emerging multilevel European governance system that links national polities to Europe and the global community Adopting a pan European approach this Handbook brings together the work of leading international academics to cover a wide range of topics such as the historical and theoretical background the political systems and institutions of both the EU and its individual member nations political parties and party systems political elites civil society and social movements in European politics the political economy of Europe public administration and policy making external policies of the EU This is an invaluable and comprehensive resource for students scholars researchers and practitioners of the European Union European politics and comparative politics

The Informal Powers of Western European Presidents Selena Grimaldi, 2023-08-14

The book explores how weak presidents directly or indirectly elected can still play a crucial role in the political arena Weak presidents have been distinguished from strong ones by relying on the evaluation of the powers they display according to the constitution Six Western European countries are analysed Germany and Italy which present a consistent constitutional design as weak presidents are elected indirectly and Austria Ireland Finland and Portugal that present inconsistent constitutional design as weak presidents are elected directly In contrast to much of the existing comparative works on presidential powers and activism the book emphasises the role and the use of informal powers beyond that of formal ones In particular a definition and a typology of informal powers are provided as well as an empirical investigation on informal presidential activism The positive outcome of presidential informal interventions are studied by relying on an interactionist approach which combines presidency centred as well as president centred explanations The book argues that when dealing with informal presidential activism the opportunity structure matters but presidential public support matters even more

Comparative Constitutional Law in Asia Rosalind Dixon,Tim Ginsburg,2014-02-28 Comparative constitutional law is a field of increasing importance around the world but much of the literature is focused on Europe North America and English speaking jurisdictions The importance of Asia for the broader field is demonstrated here i *Which European Union?* Sergio Fabbrini,2015-02-26 Sergio Fabbrini argues that the European Union EU is made up of states pursuing different aims rather than simply moving in the same direction at different speeds He describes the alternative perspectives on the EU an economic community an intergovernmental union and a parliamentary union that led to multiple compromises in its structure and shows how the Euro crisis has called them into question The book argues that a new European political order is necessary to deal with the consequences of the crisis based on an institutional differentiation between the EU member states interested only in market co operation and those advancing towards a genuine economic and monetary union Such a differentiation would allow the latter group to become a political union conceptualised as a compound union of states and citizens while preserving a revised framework of a single market in which both groups of states can participate *The Oxford Handbook of Portuguese Politics* Jorge M. Fernandes,Pedro C. Magalhães,António Costa Pinto,2022-10-06 The Oxford Handbook of Portuguese Politics brings together the best scholars in the field offering an unrivalled coverage of the politics broadly defined of the country over the past 50 years The Handbook includes eight sections First it looks at the past and present by making an overview of Portuguese political developments since democratization in the 1970s Second it looks at political institutions as the building blocks of Portuguese democracy The third section examines mass politics and voters that is a thorough analysis of the demand side of mass politics The fourth section turns to the supply side of mass politics by looking at parties and the party system The fifth section looks at the Portuguese society by unpacking a plethora of societal aspects with direct implications for politics The sixth section examines governance and public policies with a view to understanding how a constellation of public policies has an impact on the quality of governance and in fostering well being

The seventh section looks at Portugal and the European Union The eighth and final section unpacks Portuguese foreign policy and defence

France's Political Institutions at 50 Emiliano Grossman, Nicolas Sauger, 2013-10-18 Fifty years after the creation of the Fifth Republic French politics is undergoing profound changes The election of Nicolas Sarkozy has announced a general review of the French political system A special committee the comit constitutionnel is currently drafting a catalogue of potential reforms Debates focus on issues like presidentialization parliamentary scrutiny of the executive or the creation of a popular initiative to trigger constitutional review of given legislative texts These discussions reflect long standing trends in the Fifth Republic This volume aims at analysing those trends and at outlining the major perspectives for future development In particular it puts the French political system in comparative perspectives and provides in depth analysis of the evolution of the major political institutions and their relations The volume argues that substantial reforms have helped to partially reshape French politics Yet it also shows that the fundamental characteristics of semi presidential government have stood firm The question is whether current debates and subsequent reforms are likely to alter the current pattern This book was published as a special issue of West European Politics

Semi Presidentialism In Europe Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Semi Presidentialism In Europe PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Semi Presidentialism In Europe PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and

publishers who make these resources available. In conclusion, the availability of Semi Presidentialism In Europe free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Semi Presidentialism In Europe Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Semi Presidentialism In Europe is one of the best book in our library for free trial. We provide copy of Semi Presidentialism In Europe in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Semi Presidentialism In Europe. Where to download Semi Presidentialism In Europe online for free? Are you looking for Semi Presidentialism In Europe PDF? This is definitely going to save you time and cash in something you should think about.
