Senator Allen Ellender Of Louisiana A Biography:

Senator Allen Ellender of Louisiana Thomas A. Becnel, 1996-01-01 Allen J Ellender born in 1890 on a sugar plantation in Terrebonne Parish Louisiana rose to become one of the most dominant men in the U S Senate This biography based on prolonged examination of the voluminous Ellender Papers and extensive research in other primary and secondary sources including interviews with people who knew Ellender during various stages of his lengthy career makes an important contribution to our understanding of Louisiana and national politics during much of this century Ellender began life in a farm family and never lost his close ties to rural Louisiana Still he sought a career as a lawyer and served as city attorney and district attorney before being elected to the Louisiana state legislature in 1924 Originally an opponent of Huey Long Ellender converted to Longism after Huey was elected governor in 1928 But because he refused to condone questionable oil leasing practices on state lands he was bypassed as Long's state political heir in the thirties He was elected instead to the U S Senate where he served until his death in 1972 In *Senator Allen Ellender of Louisiana* Thomas A Becnel methodically traces the extended career of this contradictory politician a man who though essentially a conservative was surprisingly liberal on many issues He supported progressive legislation in areas such as education public housing censorship and the separation of church and state He was also one of the first senators to criticize his colleague Joseph McCarthy Yet throughout his career he remained a staunch advocate of racial segregation During Ellender's long tenure in the Senate in which he served under Presidents Roosevelt Truman Eisenhower Kennedy Johnson and Nixon through the Great Depression World War II the Cold War McCarthyism the Korean conflict the civil rights movement and the Vietnam War he was intimately involved in decisions and debates that have shaped the recent history of the country Becnel astutely places Ellender in the context of the history of his time and the social economic and political milieu of his state The result is a careful balanced portrait of one of the most influential legislators of this century *Senators of the United States* Diane B. The Southern Manifesto John Kyle Day,2014-07-09 On March 13 1956 ninety nine members of the United States Congress promulgated the Declaration of Constitutional Principles popularly known as the Southern Manifesto Reprinted here the Southern Manifesto formally stated opposition to the landmark United State Supreme Court decision Brown v Board of Education and the emergent civil rights movement This statement allowed the white South to prevent Brown s immediate full scale implementation and for nearly two decades set the slothful timetable and glacial pace of public school desegregation The Southern Manifesto also provided the Southern Congressional Delegation with the means to stymie federal voting rights legislation so that the dismantling of Jim Crow could be managed largely on white southern terms In the wake of the Brown decision that declared public school segregation unconstitutional seminal events in the early stages of the civil rights movement like the Emmett Till lynching the Montgomery bus boycott and the Autherine Lucy riots at the University of Alabama brought the struggle for black freedom to national attention Orchestrated by United States Senator Richard Brevard Russell Jr of Georgia the Southern Congressional Delegation in general and the United States Senate s Southern Caucus in particular fought vigorously and successfully to counter the initial successes of civil rights workers and maintain Jim Crow The South s defense of white supremacy culminated with this most notorious statement of opposition to desegregation The Southern Manifesto Massive Resistance and the Fight to Preserve Segregation narrates this single worst episode of racial demagoguery in modern American political history and considers the statement s impact upon both the struggle for black freedom and the larger racial dynamics of postwar America

Brasseaux,Donald W. Davis,2017-02-06 Winner of the 2018 Louisiana Literary Award given by the Louisiana Library Association For centuries outlanders have openly denigrated Louisiana s coastal wetlands residents and their stubborn refusal to abandon the region s fragile prairies tremblants despite repeated natural and more recently man made disasters Yet the cumulative environmental knowledge

these wetlands survivors have gained through painful experiences over the course of two centuries holds invaluable keys to the successful adaptation of modern coastal communities throughout the globe As Hurricane Sandy recently demonstrated coastal peoples everywhere face rising sea levels disastrous coastal erosion and inevitably difficult lifestyle choices Along the Bayou State s coast the most insidious challenges are man made Since channelization of the Mississippi River in the wake of the 1927 flood which diverted sediments and nutrients from the wetlands coastal Louisiana has lost to erosion subsidence and rising sea levels a land mass roughly twice the size of Connecticut State and national policymakers were unable to reverse this environmental catastrophe until Hurricane Katrina focused a harsh spotlight on the human consequences of eight decades of neglect Yet even today the welfare of Louisiana s coastal plain residents remains at best an afterthought in state and national policy discussions For coastal families the Gulf water lapping at the doorstep makes this morass by no means a scholarly debate over abstract problems Ain t There No More renders an easily read history filled with new insights and possibilities Rare previously unpublished images documenting a disappearing way of life accompany the narrative The authors bring nearly a century of combined experience to distilling research and telling this story in a way invaluable to Louisianans to policymakers and to all those concerned with rising sea levels and seeking a long term solution
