Send the Light Lottie Moon, 2002 She urged her denomination to support their missionary enterprises with the same type of zeal that motivated her Moreover Lottie Moon was never bashful about chiding even scolding them when she thought they were not doing enough to support missions **BOOK JACKET** *Send the Light* Lottie Moon, 2002 When the author's father died Marc Jolley decided that he needed to write something for his sons about what was important in his life The result while not a full autobiography deals with three things in his life that have shaped it more than others it is about what he loves baseball God and family but not necessarily in that order all of the time This memoir then is about what the author knows and to that extent each sentence is true in the best tradition of Hemingway Safe at Home is both a phrase used in baseball and an expression that captures the importance of family This story is about how faith family and baseball have intersected in his life an intersection that occurs at home Critical moments of Jolley's life have seen God baseball and family impact at very important times in his life Whether losing game after game in little league watching the World Series with his father or quitting the high school team the presence of family and his faith shape how he overcomes disappointment or celebrates the sheer joy of playing Collecting baseball cards in 1968 provides him with a lesson in race and his mother's faith that opens his eyes to a world he never knew **BOOK JACKET** The Acts of the Apostles Through the Centuries Heidi J. Hornik, Mikeal C. Parsons, 2020-06-02 Charting the theological and cultural potency of Acts across the timespan of Christian history this work of profound scholarship reveals the full extent of the New Testament book's religious artistic literary and political influence Reveals the influence of Acts at key turning points in the history of the Christian church Traces the rich and varied artistic and cultural heritage rooted in Acts from music to literature Analyzes the political significance of the book as a touchstone in the church's external relations Provides detailed commentary on the exegesis of Acts down the centuries **Ye That Are Men Now Serve Him** Colin B. Chapell, 2016-09-15 Ye That Are Men Now Serve Him Radical Holiness Theology and Gender in the South examines how religious belief reshaped concepts of gender during the New South period that took place from 1877 to 1915 in ways that continue to manifest today *Selected Spiritual Writings of Anne Dutton: Letters* Anne Dutton, 2003 Women theologians in the eighteenth century were a rarity Were there no other reason this alone would make the literary legacy of the Baptist Anne Williams Dutton 1692-1765 significant In 1731 Anne and her minister husband Benjamin Dutton settled in Great Gransden Huntingdonshire After Benjamin's death Anne became known on both sides of the Atlantic primarily through her extensive writings including tracts treatises poems hymns and letters Among her many correspondents were Howel Harris Selina Hastings William Seward Phillip Doddridge John Wesley and George Whitefield Harris believed God had entrusted her with a Talent of writing for Him Whitefield who helped promote and publish Anne's writings commented upon meeting her that her conversation is as weighty as her letters She wrestled with the question of whether it was biblical for a woman to be a writer of theological matters But in a tract entitled A Letter to such of the

Servants of Christ who may have any scruple about the Lawfulness of Printing any thing written by a Woman 1743 she stated that she wrote not for herself but only the glory of God and the good of souls Dutton's writings impacted evangelical revival in England and America Not since 1884 have any of her writings been readily available Now extensive portions of her letters her tracts and booklets and her poetry and hymns are once again available [Entering the Fray](#) Jonathan Daniel Wells, Sheila R. Phipps, 2009-12-01 The study of the New South has in recent decades been greatly enriched by research into gender reshaping our understanding of the struggle for woman suffrage the conflicted nature of race and class in the South the complex story of politics and the role of family and motherhood in black and white society This book brings together nine essays that examine the importance of gender race and culture in the New South offering a rich and varied analysis of the multifaceted role of gender in the lives of black and white southerners in the troubled decades of the late nineteenth and early twentieth centuries Ranging widely from conservative activism by white women in 1920s Georgia to political involvement by black women in 1950s Memphis many of these essays focus on southern women's increasing public activities and high profile images in the twentieth century They tell how women shouldered responsibilities for local national and international interests but just as nineteenth century women's status could be at risk from too much public presence women of the New South stepped gingerly into the public arena taking care to work within what they considered their current gender limitations The authors both established and up and coming scholars take on subjects that reflect wide ranging sophisticated and diverse scholarship on black and white women in the New South They include the efforts of female Home Demonstration Agents to defeat debilitating diseases in rural Florida and the increasing participation of women in historic preservation at Monticello They also reflect unique personal stories as diverse as lobbyist Kathryn Dunaway's efforts to defeat the Equal Rights Amendment in Georgia and Susan Smith's depiction by the national media as a racist southerner during coverage of her children's deaths Taken together these nine essays contribute to the picture of women increasing their movement into political and economic life while all too often still maintaining their gendered place as determined by society Their rich insights provide new ways to consider the meaning and role of gender in the post Civil War South

Explorations in Asian Christianity Scott W. Sunquist, 2017-05-23 Asia is the birthplace of Christianity yet the history of Asian Christianity has long been a difficult one Scott W. Sunquist is a recognized expert on the history of the Christian faith in Asia and these essays cover Asian Christianity in broad perspective with topics like the history of Christian mission and missionary practice in Asia theological education and global migration [Home without Walls](#) Carol Crawford Holcomb, 2020-04-07 A critical examination of the Woman's Missionary Union and how it shaped the views of Southern Baptist women The Woman's Missionary Union WMU founded in 1888 carved out a uniquely feminine space within the Southern Baptist Convention during the tumultuous years of the Progressive Era when American theologians were formulating the social gospel These women represented the Southern Baptist elite and as such had the time to read write and

discuss ideas with other Southern progressives They rubbed shoulders with more progressive Methodist and Presbyterian women in clubs and ecumenical missionary meetings Baptist women studied the missionary publications of these other denominations and adopted ideas for a Southern Baptist audience Home without Walls Southern Baptist Women and Social Reform in the Progressive Era shows how the social attitudes of women were shaped at the time By studying primary documents including personal letters official exchanges and memoranda magazine publications newsletters and editorials Carol Crawford Holcomb uncovers ample evidence that WMU leaders aware of the social gospel and sympathetic to social reform appropriated the tools of social work and social service to carry out their missionary work Southern Baptist women united to build a financial empire that would sustain the Southern Baptists through the Great Depression and beyond Their social attitudes represented a kaleidoscope of contrasting opinions By no stretch of the imagination could WMU leaders be characterized as liberal social gospel advocates However it would also be wrong to depict them as uniformly hostile to progressivism or ignorant of contemporary theological ideas In the end they were practical feminists in their determination to provide a platform for women s views and a space for women to do meaningful work
