Around the World Clive Endive Ogive (IV.), Clive Endive Ogive IV, 2009-07 Private Clubs in America and around the World is a VERY funny and perceptive look into the unique world of private clubs. Private clubs are inextricably woven into the very fabric of America's history, traditions, and culture, and for that matter, the histories, traditions, and cultures of ALL free societies around the world. Members, employees, and guests alike will enjoy the author's penetrating insights, off-beat humor, blatant irreverence, and sarcastic wit. The author's obvious extensive knowledge of and deep affection for the world of private clubs permeate all nine chapters and deal with topics ranging from Boards of Directors to committees, employees to members. Be prepared to laugh your socks off at this must-read. Clive Endive Ogive IV belongs to at least 17 exclusive private clubs, certainly all the ones that matter. The fact that he has a Roman numeral IV after his name and is exclusive heir to a trust fund with annual interest sufficient to pay all his annual club dues in perpetuity and also somehow manages to write all this money off on his taxes as legitimate business deductions is more than enough to qualify him to author this groundbreaking and awe-inspiring book.
