Senate. Committee on Labor and Public Welfare. Subcommittee on Education, 1962 *Staying Put* Susan Lanspery, Joan Hyde, 2018-12-20 Most existing housing offers a poor fit for older people and people with disabilities and new construction adds less than 2 per cent to the housing each year Ninety nine percent of the housing that will be in use in the year 2000 exists today The long needed anthology Staying Put Adapting the Places Instead of the People emphasizes the disabilities and abilities of environments instead of individuals With contributions from leading authorities it integrates a wide range of theoretical and practical ideas about housing adaptation for researchers students consumers policymakers and practitioners in human services and the building trades

Democracy, Religious Pluralism and the Liberal Dilemma of Accommodation Monica Mookherjee, 2010-11-29

How should liberal democratic governments respond to citizens as religious believers whose values norms and practices might lie outside the cultural mainstream Some of the most challenging political questions arising today focus on the adequacy of a policy of live and let live liberal toleration in contexts where disputes about the metaphysical truth of conflicting world views abound Does liberal toleration fail to give all citizens their due Do citizens of faith deserve a more robust form of accommodation from the state in the form of recognition This issue is far from settled Controversies over the terms of religious accommodation continue to dominate political agendas around the world This is the first edited collection to provide a sustained examination of the politics of toleration and recognition in an age of religious pluralism The aftermath of the events of September 11th have dramatised the urgency of this debate It has also surfaced nationally and globally indisputable about terrorism security and gender and human rights questions in relation to minority communities This volume brings together a group of new and established scholars from the fields of law and philosophy who all present fresh and challenging perspectives on an urgent debate It will be indispensable reading for advanced researchers in political and legal philosophy religious and cultural studies and related disciplines [Education Legislation--1963, Hearings...88-1](#) United States. Congress. Senate. Labor and Public Welfare, 1963 **The Conversion of Rental Housing to Condominiums and Cooperatives** United States. Department of Housing and Urban Development. Office of Policy Development and Research. Division of Policy Studies, 1980 *The Encyclopedia of Public Choice* Charles Rowley, Friedrich Schneider, 2008-01-25 The Encyclopedia provides a detailed and comprehensive account of the subject known as public choice However the title would not convey sufficiently the breadth of the Encyclopedia's contents which can be summarized better as the fruitful interchange of economics political science and moral philosophy on the basis of an image of man as a purposive and responsible actor who pursues his own objectives as efficiently as possible This fruitful interchange between the fields outlined above existed during the late eighteenth century during the brief period of the Scottish Enlightenment when such great scholars as David Hume Adam Ferguson and Adam Smith contributed to all these fields and more However as intellectual specialization gradually replaced broad based scholarship from the nineteenth century onwards it became increasingly rare to find a scholar making major contributions to more than one Once Alfred Marshall defined economics in neoclassical terms as a narrow positive discipline the link between economics political science and moral philosophy was all but severed and economists redefined their role into that of the humble dentist providing technical economic information as inputs to improve the performance of impartial benevolent and omniscient governments in their attempts to promote the public interest This indeed was the dominant view within an economics profession that had become besotted by the economics of John Maynard Keynes and Paul Samuelson immediately following the end of the Second World War *Collaborative Housing, Ageing and Social Care* Melissa Fernandez Arrigoitia, Aimee Felstead, Jim Hudson, Misa Izuhara, Kath Scanlon, Karen West, 2025-09-09 As

ageing populations continue to grow worldwide the increased need for adequate housing and social care comes into stark focus This multi disciplinary book explores how emerging citizen led innovations in Collaborative Housing and care are challenging mainstream ways of living and ageing Combining academic theory with practice the book demonstrates the far reaching impacts Collaborative Housing with care can have on independence agency and wellbeing in later life With contributions from France Spain Sweden the Netherlands and the UK it offers insights into the key challenges and opportunities associated with developing and sustaining models of Collaborative Housing with diverse forms of care and support over the life course Essential reading for academics practitioners and policy makers in housing planning social care design and social gerontology this book proposes a renewed focus on non paternalistic forms of social and housing care that speak directly to older people s needs and that work against the marketisation of care and towards a community led and co managed approach in later life housing for all
