Reinking, Robert Von Der Osten, 2006-12 Now in its eighth edition the authors of Strategies for Successful Writing a Rhetoric
Research Guide Reader and Handbook have strived to achieve the same steadfast goals that have motivated them from the
beginning create a rhetorically organized writing guide that combines four books into one convenient and flexible teaching
tool while offering students an exceptional value By having at their disposal a comprehensive textbook that offers ample
material for a full year composition course instructors teaching a one term course can make various selections from Chapters
1-17 from whatever types of specialized writing suits the needs of their students and from the appropriate essays in the
reader As well because the authors believe strongly that an effective composition textbook should address students directly
they've aimed for a conversational yet clear style that invites students into the book lessens their apprehensions about
writing and provides a model for their own prose This style complements the authors' strong student-based approach to

writing and together they help create a text that genuinely meets student needs

Writing With Skill, Level 3:
