Ward Regan, 2015-03-07 Many of the world's most important historical figures were imprisoned for holding unpopular or unorthodox beliefs They used their time behind bars to write books that shaped the course of history This collection of new essays offers a wide ranging examination of influential works written in whole or in part while their authors were in prison or exile Each chapter explores a different text and contains a brief biography and summary of the circumstances surrounding the author's imprisonment along with a critical examination of the writing and its legacy Authors covered include Plato Thomas Paine Gandhi Thoreau Bertrand Russell Hitler and Martin Luther King Jr The Prison Reform Book Martin Bolt, 2024-08-15 If you consider the American system of incarceration a failure in many aspects and as it stands today as a whole this book is for you It details the current prison system and provides not only solutions but a clearly defined and laid out path out of this mess Easy to say you think if we are going to spend another 10 Billion to fix the system As it stands today we are already out of funds Thus the approach in this book does not need this kind of money to create a fairer justice system It is quite the opposite the purpose of this book is not only to save us all a lot of money but to bring about a fair quick honest and most of all functional system of incarceration **List of Books for Prison Libraries** Alice Louise Jewett, New York State Library, 1912 **Aesthetics of the Novel** Van Meter Ames, 1928 **The Memo Book** Jim Gauger, 2010-06-10 There is no available information at this time Fiction from Tegel Prison Dietrich Bonhoeffer, 2010-09 This book discloses a great deal of Bonhoeffer's family context social world and cultural milieu Events from his life are recounted in a way that embodies and illuminates his theology Characters and situations that represent Nazi types and attitudes are a form of social criticism and help to explain Bonhoeffer's participation in the resistance movement and the plot to kill Adolf Hitler for which he was hanged *The Chicago of Fiction* James A. Stories Harold F. Green, 2013-08-12. This book is a story or series of stories about people. People in prison: some are employees, but most are inmates. This book is their story. In prison, everyone has a story, and most want to tell their story. The main problem is to get someone to listen. It is often a story of violence, a story of loneliness, and in many cases, the horror of the unknown. This book is the result of countless hours of listening to story by story of hatred. Countless days, indeed years, about plans for that day when they get out. This book is the Boiling Down of the American version of Crime and Punishment. Hopefully, someone will see a ray of hope in the human predicament called Crime. **Charles Dickens: A People's Person**

Michelle Cottam, 2023-02-03. Charles Dickens was once described as the first global literary celebrity and as one of the greatest humourists that England has produced. He was also a passionate advocate of justice for the poorest and most vulnerable in society and had a lasting influence on political reform and economic justice in Britain. In this detailed but lucid book, Michelle Cottam explores the life times and works of Charles Dickens. By charting the course of his life and examining the major historical forces shaping his childhood, the city of London, and Britain, this book sheds new light on the meaning of his work as well as why he continues to be such an enduring and adored writer. **Best Short Stories Omnibus - Volume**
