Janet Dailey

Separate Cabins:

Separate Cabins Janet Dailey, 2011-02-01 In the four years following her husband's death Rachel MacKinley battled her loneliness by building a thriving business Then on a vacation cruise off the coast of Mexico a travel agent's error placed her in a cabin with dark eyed Gard MacKinley Delighted with his beautiful shipmate Gard felt they shared more than just the same last name His passionate kisses seemed to burn a promise of forever into her heart But even as her long denied desire blossomed in his tender embrace she feared she had fallen desperately in love with a man who wanted nothing more than a shipboard affair

Cabins in Modern Norwegian Literature Ellen Rees, 2014-03-06 This book examines the significance of cabins and other temporary seasonal dwellings as important symbols in modern Norwegian cultural and literary history The author uses Michel Foucault's notion of the heterotopia an actual place that also functions imaginatively as a kind of real world utopia to examine how cabins have signified differently during successive periods from an Enlightenment trope of simplicity and moderation through the rise of tourism into a period of increasing individualism and alienation from nature For each period discussed the author relates a widely recognized real world cabin to a cluster of thematically related literary texts from a wide variety of genres Cabins in Modern Norwegian Literature considers both central canonical works such as Camilla Collett's *The District Governor's Daughters* Bjørnstjerne Bjørnson's *Synneve Solbakken* Henrik Ibsen's *When We Dead Awaken* and Knut Hamsun's *The Growth of the Soil* as well as less widely known literary works and texts from marginal genres such as hunting narratives and crime fiction In addition the book contains analyses of a few key films from the contemporary period that also activate the cabin as a motif The central argument is that while Norwegians today tend to think of cabin culture as essentially unchanging over a long span of time it has in fact changed dramatically over the past two hundred years and that it is an extremely rich and complex cultural phenomenon deeply imbedded in the construction of national identity

Within the Plantation Household Elizabeth Fox-Genovese, 2000-11-09 Documenting the difficult class relations between women slaveholders and slave women this study shows how class and race as well as gender shaped women's experiences and determined their identities Drawing upon massive research in diaries letters memoirs and oral histories the author argues that the lives of antebellum southern women enslaved and free differed fundamentally from those of northern women and that it is not possible to understand antebellum southern women by applying models derived from New England sources

Straight and Level Stephen Holloway, 2016-12-14 This third edition of *Straight and Level* thoroughly updates the previous edition with extensive comments on recent industry developments and emerging business models The discussion is illustrated by current examples drawn from all sectors of the industry and every region of the world The fundamental structure of earlier editions now widely used as a framework for air transport management courses nonetheless remains unchanged Part 1 of the book provides a strategic context within which to consider the industry's economics Part 2 is built around a simple yet powerful model that relates operating revenue to operating cost it examines the

most important elements in demand and traffic price and yield output and unit cost Part 3 probes more deeply into three critical aspects of capacity management network management fleet management and revenue management Part 4 concludes the book by exploring relationships between unit revenue unit cost yield and load factor Straight and Level has been written primarily for masters level students on aviation management courses The book should also be useful to final year undergraduates wanting to prepare for more advanced study Amongst practitioners it will appeal to established managers moving from functional posts into general management More broadly anyone with knowledge of the airline industry who wants to gain a deeper understanding of its economics at a practical level and an insight into the reasons for its financial volatility should find the book of interest *United States Department of Labor Exhibit, Pan American Exposition, 1901* United States. Bureau of Labor,1901 **Seafaring Labour** Eric W. Sager,1996 Sager argues that sailors were not misfits or outcasts but were divorced from society only by virtue of their occupation The wooden ships were small communities at sea fragments of normal society where workers lived struggled and often died With the coming of the age of steam the sailor became part of a new division of labour and a new social hierarchy at sea Sager shows that the sailor was as integral to the transition to industrial capitalism as any land worker **The Queen's Regulations and Orders for the Army** Great Britain. War Office,1881 **Motorboating - ND** ,1948 *Federal Register* ,1947 *Outing; Sport, Adventure, Travel, Fiction* ,1917 **MotorBoating** ,1977-11 **Cruising World** ,1977-01 *MotorBoating* ,1950-01 *Cruising World* ,2001-01 **Field and Stream** ,1927 *Daily Life of African American Slaves in the Antebellum South* Paul E. Teed,Melissa Ladd Teed,2020-01-16 This book covers the full spectrum of daily life among slaves in the Antebellum South giving readers a more complete picture of slaves experiences in the decades before emancipation In their daily struggles to forge lives of dignity and meaning within an inhuman system slaves in the Antebellum South demonstrated creativity resilience and an insatiable desire to be free The *Daily Life of African American Slaves in the Antebellum South* focuses on their struggles to create lives of meaning and dignity within a brutal and repressive system This volume provides a comprehensive examination of the institution of slavery from the perspective of the slaves themselves Readers can explore the family life religious beliefs political activities intellectual aspirations material possessions and recreational pursuits of enslaved people The book shows that enslaved people were tightly constrained by the harsh realities of the oppressive system under which they lived but that they found ways to forge lives of their own The book synthesizes the latest and best literature on slavery and gives readers the opportunity to examine history through the lens of daily life using primary source documents created by slaves or former slaves **Final Yosemite Valley Plan** United States. National Park Service,2000 **MotorBoating** ,1975-01 *Specifications and Drawings of Patents Issued from the United States Patent Office* United States. Patent Office,1895 **Electricity** ,1919
