Sephardim The Jews From Spain:

The Jews of Spain Gerber,1992-11-02 The history of the Jews of Spain is a remarkable story that begins in the remote past and continues today For more than a thousand years Sepharad the Hebrew word for Spain was home to a large Jewish community noted for its richness and virtuosity Summarily expelled in 1492 and forced into exile their tragedy of expulsion marked the end of one critical phase of their history and the beginning of another Indeed in defiance of all logic and expectation the expulsion of the Jews from Spain became an occasion for renewed creativity Nor have five hundred years of wandering extinguished the identity of the Sephardic Jews or diminished the proud memory of the dazzling civilization which they created on Spanish soil This book is intended to serve as an introduction and scholarly guide to that history

Sephardim Paloma Díaz-Mas,2007-09-15 Here in a single volume is the first comprehensive history in English of the Sephardim descendants of the Jews expelled from Spain in 1492 Paloma D az Mas recounts the journey and customs of this fascinating group as they moved across the globe They settled initially in Mediterranean Europe the Low Countries North Africa and the Turkish Empire but in the nineteenth century a second diaspora brought the Sephardim to the United States South America Israel and Western Europe She traces the origins and survival of their unique language and explores the literature they produced Their relationship to Spain is also uncovered as well as their everyday lives Sephardim is an authoritative and completely accessible investigation of the history and legacy of this amazing people **Sephardim** Paloma
