they don't deny Christ and convert to Islam or Catholicism Will Muslims and people all over the world begin to mock and scoff at Christians and the Bible because Israel and the U S are destroyed and no Rapture or end or Second Coming of Christ happened Several of the Bible prophecies predict God will not make a full end of the U S Israel and the world at this time and pockets of people and nations may or may not survive God may save the U S Israel and the world if the people repent and turn from their sins and begin to humble themselves and heed the harbingers But if they don't then these events may start to happen This book was written by December 24 2013 **Facing the Wall** Mary S. King, 2009-10 Trauma be it accident abuse or war has happened in all our lives This story will give you a deeper understanding of PTSD Post Traumatic Stress Disorder and yes PTSD can be catchy A candid and true story Facing The Wall A Mission a never ending journey is recipient of The Kirkus Star from Kirkus Reviews A star is assigned to books of remarkable merit as determined by the impartial editors of Kirkus Reviews Best of Indie Books 2010 www.ptsd.va.gov Book Review A Vietnam vet's wife fights a long battle with her husband's post traumatic stress disorder in this poignant memoir When her husband Jim a 27 year old Marine returned intact from Vietnam in 1969 the author hoped that the couple could resume their lives as before But although Jim bore no physical scars from his year in combat his psychic wounds ran deep Indeed he hardly seemed to have left the war He was plagued by nightmares and flashbacks in which he would call for medevac choppers or imagine himself surrounded by enemies He veered between hypervigilance and catatonic staring insisted on sitting with his back to a wall so he could survey his perimeter and was spooked by both loud noises and silence only the soothing sound of crickets could convince him there was nothing lying in wait Over the decades Jim's illness took a heavy toll he lost jobs and eventually became unemployable withdrew emotionally from his wife and sons and endured periodic hospitalizations In the author's telling the Veterans Administration long ignored the Vietnam era PTSD epidemic and was more a hindrance than a help in coping with Jim's problems In her clear-eyed memoir King draws a subtle layered portrait of her lost soul of a husband Sometimes he seems unreachable sunk in memories of Vietnam and of his buddies who didn't make it back or in guilt over his own survival and unable to carry out the simplest project but he also devotedly serves as a volunteer fireman and pulls himself together to help his wife through crises and grief It is as much the author's story as Jim's as she struggles to hold the family together and fathom the stranger her husband has become and to reclaim her own personality from the ravages of secondary PTSD With America's latest conflicts still generating victims this is a very timely book an anguished unsparing but ultimately hopeful view of the heartbreak of PTSD An absorbing firsthand saga of war's invisible casualties Kirkus Discoveries End Time Signs Kurt B.
