**Undocumented** Marta Caminero-Santangelo, 2017-10-10 Looking at the work of Junot Díaz, Cristina García, Julia Alvarez and other Latino authors who are U.S. citizens, Marta Caminero-Santangelo examines how writers are increasingly expressing their solidarity with undocumented immigrants. Through storytelling, these writers create community and a sense of peoplehood that includes non-citizen Latino as well. This volume also foregrounds the narratives of unauthorized migrants themselves showing how their stories are emerging into the public sphere. Immigration and citizenship are multifaceted issues and the voices are myriad. They challenge common interpretations of illegal immigration, explore inevitable traumas and ethical dilemmas, protest their own silencing in immigration debates, and even capitalize on the topic for the commercial market. Yet these texts all seek to affect political discourse by advancing the possibility of empathy across lines of ethnicity and citizenship status. As border enforcement strategies escalate along with political rhetoric, detentions and deaths, these counternarratives are more significant than ever before and their perspectives cannot be ignored. What we are witnessing argues Caminero-Santangelo is a mass mobilization of stories. This growing body of literature is critical to understanding not only the Latino immigrant experience but also alternative visions of nation and belonging. In the Wake of the Wind

Katherine Kingsley, 2013-10-09 The national bestselling author delivers a Regency romance with a memorable heroine, steamy lovemaking, and delightful scenes involving white magic. Publishers Weekly. During her years of exile in Wales, Serafina's only solace has been the golden-haired lover who has haunted her dreams. She even convinced herself that he must be the man she is set to marry the next day. But during a moonlight walk in the woods, she comes across a dark stranger who shatters her hopes with a kiss and a devastating revelation of the feelings of her betrothed. Preparing to marry a woman he doesn't know, Aiden, Delaware Earl of Aubrey, seeks solace in the woods, stumbling upon a maiden as beautiful as a fairy queen. He tells her his darkest secret: He already despises his betrothed and has no wish to be forced into an arranged marriage. The next day, Aiden learns the shocking truth: The beauty from the woods he'd loved at first sight turns out to be the unwanted fiancée who now knows his true feelings. Despite this inauspicious beginning, Aiden and Serafina gradually discover that marriage is more than a contract and love can span more than a lifetime. Kingsley has done an excellent job of bringing us two wonderful lovers and a cast of secondary characters you can sink your teeth into. Rendezvous. Another dreamspun romance. Once more, Katherine Kingsley works her magic in a story that lifts your heart and makes your soul sing. Romantic Times
