Seraphim Rose The True Story And Private Letters:

Seriphim Rose Cathy Scott,2000-09 For Orthodox Christians Fr Seraphim Rose is a voice crying in the wilderness His words have rekindled the love of countless Orthodox for the Church of their fathers Orthodox all over the world regard him as a saintly prophet and spiritual giant Cathy Scott Fr Seraphim s niece has collected 140 of his private letters never published before and incorporated them in this magnificent new biography that traces Fr Seraphim s intellectual journey chronicling the deep spiritual search that led him to the Orthodox Faith Containing 36 color photographs Seraphim Rose The True Story and Private Letters is the moving account of a spiritual passage from secular behavior and philosophy to vibrant faith and saintly monastic asceticism Cathy shares the memories of the family of Fr Seraphim or as they knew him Eugene The book includes over 30 color and black and white photographs In Seraphim Rose we share in one of the most inspiring spiritual pilgrimages of our time

Seraphim Rose Cathy Scott,2000 This book is a biography based on true and first hand accounts from Eugene Rose s family friends priests and professors It includes his personal correspondence from the time he left home for college until his passing in Redding California Introduction

Between Heaven and Russia Sarah Riccardi-Swartz,2022-04-05 How is religious conversion transforming American democracy In one corner of Appalachia a group of American citizens has embraced the Russian Orthodox Church and through it Putin s New Russia Historically a minority immigrant faith in the United States Russian Orthodoxy is attracting Americans who look to Russian religion and politics for answers to Western secularism and the loss of traditional family values in the face of accelerating progressivism This ethnography highlights an intentional community of converts who are exemplary of much broader networks of Russian Orthodox converts in the United States These converts sought and found a conservatism more authentic than Christian American Republicanism and a nationalism unburdened by the broken promises of American exceptionalism Ultimately both converts and the Church that welcomes them deploy the subversive act of adopting the ideals and faith of a foreign power for larger transnational political ends Offering insights into this rarely considered religious world including its far right political roots that nourish the embrace of Putin s Russia this ethnography shows how religious conversion is tied to larger issues of social politics allegiance anti democracy and citizenship These conversions offer us a window onto both global politics and foreign affairs while also allowing us to see how particular U S communities are grappling with social transformations in the twenty first century With broad implications for our understanding of both conservative Christianity and right wing politics as well as contemporary Russian American relations this book provides insight in the growing constellations of far right conservatism While Russian Orthodox converts are more likely to form the moral minority rather than the moral majority they are an important gauge for understanding the powerful philosophical shifts occurring in the current political climate in the United States and what they might mean for the future of American values ideals and democracy
