D. & D. B. The Sergeant's Wife John Banim, 1855

Wake-Up Call Joaquin De Torres, 2014-05-25 One hundred mental patients are brutally massacred in the frigid cold of a Russian forest as they wait for a mysterious light coming down from the night sky Their deaths are never spoken of again More than three decades later directors at mental hospitals in California are stunned when 100 patients comatose for years suddenly wake up and speak of a person called The Commander who will lead them to a place where they will be taken from Earth One person may hold the answers a severely mentally ill homeless man whose knowledge of astronomy physics and mathematics is not only more advanced than Einstein and Tesla but can summon superhuman abilities in the blink of an eye Taken in and protected by a small team of mental health physicians a brilliant astrophysicist a derelict naval officer and a renowned Ancient Aliens theorist this freakishly gifted person called Doogie warns that time is running out that the creators are already on their way to Earth They will arrive within weeks The chosen hundred must be ready but like 30 years ago a new threat makes its presence menacingly clear A xenophobic Senator with a horrific secret and the authority to launch military strikes is plotting to destroy an extraterrestrial visitation of any kind even if it means the deaths of thousands if not the utter destruction of the entire West Coast

Laws of the State of Illinois Illinois, 2010

For Love of Country Howard Schultz, Rajiv Chandrasekaran, 2015-10-27 A celebration of the extraordinary courage dedication and sacrifice of this generation of American veterans on the battlefield and their equally valuable contributions on the home front Starbucks CEO Howard Schultz and National Book Award nominee Rajiv Chandrasekaran honor acts of uncommon valor in Iraq and Afghanistan including an army sergeant who runs into a hail of gunfire to protect his comrades two marines who chose to stand and defend their outpost from an oncoming truck bomb and a sixty year old doctor who joined the navy after his son was killed at war saving dozens of lives during his service We also see how veterans turn their leadership skills into community building initiatives once they return home former soldiers who aid residents in rebuilding after natural disasters an infantry officer who trades in a Pentagon job to teach in an inner city neighborhood the spouse of a severely injured soldier assisting families in similar positions These powerful unforgettable stories demonstrate just how indebted we are to those who protect us and what they have to offer our nation when their military service is over
