Preaching Two Volume Set Apostles to the Present Day explores the history and development of preaching through a
biographical and theological examination of its most important preachers Instead of teaching the history of preaching from
the perspective of movements and eras each contributor tells the story of a particular preacher in history allowing these
preachers from the past to come alive and instruct us through their lives theologies and methods of preaching Each chapter
introduces readers to a key figure in the history of preaching followed by an analysis of the theological views that shaped
their preaching their methodology of sermon preparation and delivery and an appraisal of the significant contributions they
have made to the history of preaching This diverse collection of familiar and lesser known individuals provides a detailed and
fascinating look at what it has meant to communicate the gospel over the past two thousand years By looking at how the
