

# THE SERMON ON THE MOUNT

"Blessed are the poor in spirit:  
for theirs is the kingdom of heaven.

Blessed are they that mourn:  
for they shall be comforted.

Blessed are the meek:  
for they shall inherit the earth.

Blessed are they which do hunger and thirst after  
righteousness: for they shall be filled.

Blessed are the merciful:  
for they shall obtain mercy.

Blessed are the pure in heart:  
for they shall see God.

Blessed are the peacemakers:  
for they shall be called the children of God.

Blessed are they which are persecuted for  
righteousness' sake: for theirs is the kingdom of  
heaven."

that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church

**The Sermon on the Mount and Moral Theology** William C. Porter, 2016-02-24 Did Paul ever meet Jesus and hear him teach A century ago a curious assortment of scholars William Ramsay Johannes Weiss and James Hope Moulton thought that he had Since then their idea has virtually disappeared from New Testament scholarship to be revived in this monograph When Paul Met Jesus is an exercise in both biblical exegesis and intellectual history After examining the positive arguments raised it considers the negative influence of Ferdinand Christian Baur William Wrede and Rudolf Bultmann on such an idea as they drove a growing wedge between Jesus and Paul In response Stanley E Porter analyzes three passages in the New Testament Acts 9 1 9 and its parallels 1 Corinthians 9 1 and 2 Corinthians 5 16 to confirm that there is New Testament evidence that Paul encountered Jesus The implications of this discovery are then explored in important Pauline passages that draw Jesus and Paul back together again **The Ideal Humanity, and Other Parish Sermons** William T. Wilson, 1892 A History of Muslim Views of the Bible Martin Whittingham, 2020-11-23 This book is the first of two volumes that aim to produce something not previously attempted a synthetic history of Muslim responses to the Bible stretching from the rise of Islam to the present day It combines scholarship with a genuine narrative so as to tell the story of Muslim engagement with the Bible Covering Sunn Im m Sh and Ism l perspectives this study will offer a scholarly overview of three areas of Muslim response namely ideas of corruption use of the Biblical text and abrogation of the text For each period of history the important figures and dominant trends along with exceptions are identified The interplay between using and criticising the Bible is explored as well as how the respective emphasis on these two approaches rises and falls in different periods and locations The study critically engages with existing scholarship scrutinizing received views on the subject and shedding light on an important area of interfaith concern Expositions of Holy Scripture Ezekiel, Daniel, and the Minor Prophets. St Matthew Chapters I to VIII Alexander Maclaren, Then said He unto me Son of man hast thou seen what the ancients of the house of Israel do in the dark every man in the chambers of his imagery EZEKIEL viii 12 This is part of a vision which came to the prophet in his captivity He is

carried away in imagination from his home amongst the exiles in the East to the Temple of Jerusalem There he sees in one dreadful series representations of all the forms of idolatry to which the handful that were left in the land were cleaving There meets him on the threshold of the court the image of jealousy the generalised expression for the aggregate of idolatries which had stirred the anger of the divine husband of the nation Then he sees within the Temple three groups representing the idolatries of three different lands First those with whom my text is concerned who in some underground room vaulted and windowless were bowing down before painted animal forms upon the walls Probably they were the representatives of Egyptian worship for the description of their temple might have been taken out of any book of travels in Egypt in the present day It is only an ideal picture that is represented to Ezekiel and not a real fact It is not at all probable that all these various forms of idolatry were found at any time within the Temple itself And the whole cast of the vision suggests that it is an ideal picture and not reality with which we have to do Hence the number of these idolaters was seventy the successors of the seventy whom Moses led up to Sinai to see the God of Israel And now here they are grovelling before brute forms painted on the walls in a hole in the dark Their leader bears a name which might have startled them in their apostasy and choked their prayers in their throats for Jaazan iah means the Lord hears Each man has a censer in his hand self consecrated priests of self chosen deities Shrouded in obscurity they pleased themselves with the ancient lie The Lord sees not He hath forsaken the earth And then into that Sanhedrim of apostates there comes all unknown to them the light of God s presence and the eye of the prophet marks their evil      The Sayings of Jesus from Oxyrhynchus Hugh Gerard Evelyn-White,1920      **A**

**The Expositor** ,1913      **Spreading the Gospel in Colonial Virginia** Edward L. Bond,2004-01-01 Due to a perceived lack of resources historians of colonial era Virginia have generally heaped their attention on regional politics and virtually ignored the area s rich religious history Even at a time of revived interest in Virginia s religious atmosphere few scholars have opted to examine what is perhaps one of the region s most valuable primary resources sermon literature With an extensive introduction that fully chronicles as well as contextualizes the practice of religion and church activities in early America Edward L Bond offers a reappraisal of religion s place in the colonies Through his compilation of previously unpublished and largely unexamined sermons he is able to shape a picture of colonial Virginia s religious environment that is unparalleled in both its depth and scope The sermons appear as they do in the original with all notes and marginalia intact Bond s own notes provide definitions of obscure words and terms explanations of arcane allusions and references for unattributed citations His commentary vastly enriches our appreciation not only of the texts but also of their writers and the important role these clergymen played in shaping the young nation By bringing together this variety of important sources

some of which are new to even the most established scholars of colonial Virginia this collection fills a true void in both religious and historical scholarship      *The Adventure Into the Unknown and Other Sermons Preached in Westminster Abbey*
