Bowden,Brother Hermenegild TOSF,Brother Hermenegild,2013-10 If we have ever thought in reading of the apostolic labours of saints who lived in times gone by that the uncompromising severity of their teaching would have been modified by the altered circumstances of our own age the life of the Cure of Are shows us that we were mistaken We see him in the midst of a neighbouring people the trusted guide of every class of Christians Every doubt that could arise from the exigencies of the nineteenth century concerning theology politics or even fuhion was submitted to his decision and he answered one and all in words which might have fallen from St Vincent Ferrer or the B Leonard of Port Maurice Thus when we hear of the numbers of all ranks and conditions who crowded from town and country into the secluded village church to hear his simple exhortations our thoughts go back to the time when Pharisees and Sadducees soldiers and publicans thronged the desert banks of the Jordan to hear the preaching of st John Baptist and to be told that they must do penance because the kingdom of heaven was at hand In peruing the instructions of the Cure of Ars we may miss the sweetness of his voice or the bright look and affectionate manner with which they were wont to be accompanied but our hearts burn within us as we read for they come from a saint on fire with the love of God who was raised up in an unbelieving generation to carry on the old tradition and to sanctify the world by the simple preaching of the Cross      The Reading and Preaching of the Scriptures in the

Worship of the Christian Church, Volume 6 Hughes Oliphant Old,2007 The Reading and Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 1 The Biblical Period Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel He then examines the preaching of Christ and the Apostles Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen      **Masters of Preaching** Ray E. Atwood,2013-12-19 Who were Catholicism s greatest orators What was the key to their effectiveness Was it mere scholastic ability or spiritual inspiration The answer is both In this follow up work Father Ray E Atwood examines the lives theologies and preaching examples of the Church s greatest preachers This book tells the story in biographical form of Catholic preaching from the Old Testament through today

concluding with the homilies of Benedict XVI Masters of Preaching takes the reader around the world in search of homiletic gems Readers will learn about the stories of familiar figures such as Saint Gregory the Great and less familiar figures such as Monsignor Francis Friedl Readers will also discover how these men moved their congregations to deeper faith and greater understanding of the mysteries of salvation Two appendices at the end of the book serve as a terrific resource for those looking for practical illustrations of lectionary themes This book is an excellent resource for anyone interested in the subjects of public speaking and Church history

**The Cure of Ars and the Holy Eucharist** Saint Jean-Baptiste-Marie Vianney, Sister Mary Benvenuta, 2000-01-01 This inspiring book is a collection from biographies sermons local traditions and unpublished documents that reflect the Saint's doctrine on the great Sacramenta rich treasure which is increased by sacred and touching details concerning the faith of this servant of God his love and his sacerdotal attitude towards the Master invisible but really present here on earth It will be clearly seen in the course of reading this book that the Cure of Ars had a passion for the Eucharist We are quite sure that the contents will be the delight of a multitude of souls It might be said that nothing is more easily forgotten than what we think we know and that there are times when the familiar Gospel becomes a novelty again But in these Meditations from the substance of the instructions sermons and homilies of St John Vianney traditional teaching acquires in the mouth of a saint a more luminous evidence and an undeniable fruitfulness This book is a treasure from the heart of the holiest priest of modern times Hardcover Smyth sewn 60 lb cream paper 200 pages
