Beasts a valuable resource for those interested in history earth sciences and the intersection of culture and environment

Jungle of the Sky Serpents Chase Harper, 2025-06-24 Jungle of the Sky Serpents An untamed world A fading power A race to awaken the ancient force before it vanishes forever Beneath the emerald shroud of the distant canopy lies a forgotten realm where the sky coils with shadows and serpents rule the winds In a jungle older than memory itself a storm is brewing one that threatens to silence the last heartbeat of a world untouched by time When Kirin a solitary seeker driven by instinct and fragmented tales ventures beyond the edge of civilization he finds himself pulled into the very soul of the jungle From the first crash of The Storm Above the Canopy to the haunting cries of The Last Roar of the Jungle each step leads him deeper into a labyrinth of secrets where trees whisper ancient truths and stone totems guard memories carved in silence In the tangled depths Whispers in the Vines reveal cryptic warnings and the eerie glow of The Stone Totem s Eye marks the boundary between what is real and what should remain lost As dusk falls Talons at Twilight tear through the skies and the silhouette of the fabled serpent awakens in The Sky Serpent s Shadow

The Serpent's Shadow Mercedes Lackey, 2024-10-22 The first novel in Mercedes Lackey's magical Elemental Masters series reimagines the fairy tale Snow White in a richly detailed alternate Edwardian England Maya Witherspoon lived most of the first twenty five years of her life in her native India As the daughter of a prominent British physician and a Brahmin woman of the highest caste she graduated from the University of Delhi as a Doctor of Medicine by the age of twenty two But the science of medicine was not Maya's only heritage For Maya's aristocratic mother Surya was a sorceress a former priestess of the mystical magics fueled by the powerful and fearsome pantheon of Indian gods Though Maya felt the stirring of magic in her blood her mother had repeatedly refused to train her I cannot she had said her eyes dark with distress whenever Maya asked Yours is the magic of your father's blood not mine Surya never had the chance to explain this enigmatic statement to her daughter before a mysterious illness claimed her life Yet it was Maya's father's death shortly thereafter that confirmed her darkest suspicions For her father was killed by the bite of a krait a tiny venomous snake and in the last hours of her mother's life Surya had warned Maya to beware the serpent's shadow Maya knew she must flee the land of her birth or face the same fate as her parents In self imposed exile in Edwardian London Maya knew that she could not hide forever from the vindictive power that had murdered her parents She knew in her heart that even a vast ocean couldn't protect her from the serpent's shadow that had so terrified her mother Her only hope was to find a way to master her own magic the magic of her father's blood But who would teach her And could she learn enough to save her life by the time her relentless pursuers caught up with their prey

Yahweh and the Origins of Ancient Israel Nissim Amzallag, 2023-06-01 In this book Nissim Amzallag offers new perspectives on the birth of ancient Israel by combining recent archaeological discoveries with a new approach to ancient Yahwism He investigates the renewal of the copper industry in the Early Iron Age Levant and its influence on the rise of new nations and also explores the recently identified metallurgical context of ancient Yahwism in the Bible By merging these two branches of evidence Amzallag proposes that the roots of YHWH are found in a powerful deity who sponsored the emancipation movement that freed Israel from the Amorite Egyptian hegemony Amzallag identifies the early Israelite religion as an attempt to transform the esoteric traditions of Levantine metalworkers into the public worship of YHWH These unusual origins provide insight into many of the unique aspects of Israelite theology that ultimately spurred the evolution towards monotheism His volume also casts new light on the mysterious smelting god the figure around which many Bronze Age religions revolved

Origins of the Just War Rory Cox,2023-10-31 As two of the fundamental social forces that shape human life war posing the greatest existential threat to communities and justice being the principle that makes complex communal life possible in the first place the relationship between war and justice is crucial to understanding the development of Western civilization The central argument of this book is that theories of justified violence were not created ex nihilo as exercises in abstract ethical reasoning but rather emerged as a result of communities responding to the reality of war Communities developed concepts of normative warfare from a desire to legitimate and to control armed conflicts in which they consistently engaged Scholars have repeatedly overlooked the very simple fact that war predates just war doctrine and that early archaeological and textual evidence indicates that ancient societies were more inclined to glorify warfare than to condemn it It is the contention of this study therefore that the presumption of war is the essential characteristic and common denominator of the just war tradition Underscored by this compelling thesis the book will demonstrate that over the course of three millennia Western societies displayed a remarkable degree of affinity in their attitudes to the relationship between war and justice
