Lal, 2002 This work is a significant guide to a new way of looking at life a way proven to lead to

higher levels of awareness and satisfaction is through discipline of mind and body He emphasises that the methods of meditation and chanting can lead us to successful inner journey and self discovery Written for happiness and heavenly bliss Thus its comprehensive contents richly serve the purpose of the entire humanity including Hindus Christians Buddhists and others The Science of Meditation Rohit Mehta,1995-05-31 Coming in the wake of his earlier books Yoga The Art of Integration and The Nameless Experience which dwelt on the philosophy and psychology of Meditation this work treats the subject from a purely practical standpoint The theme of Meditation is discussed in terms of the three main constituents namely the Brain the Habit mechanism and the Mind The revitalisation the modification and the transformation of the triad respectively would usher in the wholeness of spiritual life In passing the book discusses the way of spontaneous awakening of Kundalini the biological energy the human body contains which no longer the author avers requires any Hatha Yoga practice or the guidance of an expert It is sincerely hoped that a practical treatment of the subject of meditation will help man to lead a healthy and creative life amidst his baffling psychological life *Darkness Descends* Riaan Engelbrecht,2023-01-19 It is time for the Church to wake up and wake up fast The world is slipping into spiritual darkness and this is a very slippery slope yet it seems the spiritual watchmen the believers in the Lord are not raising an alarm on the hills We are dangerously ignoring Ezekiel 33 which speaks of the watchmen who should be alert to the dangers that come against the Truth This is the same danger that is threatening to envelop the Church from the inside for the insidious nature of the enemy s strategy and plots to steal and deceive is going on unchecked The spiritual realm is more real than the natural and the principalities and authorities of darkness have one plan which is to draw the world Christian alike into its web and snare It is like a huge spider waiting and waiting and waiting and it waves its magic like the Sirens of Greek Mythology For once caught in this world drawn by intrigue and by the allure of innocence and excitement then the trap is sprung and getting out becomes more and more difficult The enemy is real and he is very active And in this time as spiritual darkness descends on the world we need to shine the light of Christ to pierce the blackness of deception and enslavement **The Narrow Way** Samael Aun Weor,2025-01-01 Even though we believe we are an advanced civilization the problems that afflict us are undeniable and seem to be getting worse by the day proliferation of nuclear weapons deforestation unceasing wars political instability economic hardship pollution social injustice climate change terrorism etc In spite of humanity s love for the theory of evolution and the cherished belief that we are evolving towards perfection the facts prove otherwise everywhere we look modern society displays clear signs of devolution widespread and systemic degeneration decay and decline towards destruction Jesus the founder of Christianity said wide is the gate and broad is the way that leadeth to destruction the second death and many there be which go in thereat because strait is the gate and narrow is the way which leadeth unto life the second birth and few there be that find it Matthew 7 13 14 In *The Narrow Way* Samael Aun Weor reveals the secret teachings of Jesus that few have known the way to life is within the marvelous human machine our physical body By

harnessing the power of the sexual glands we can revolt against the current towards destruction This revolution cannot be done through belief but through action through a method known since antiquity but kept secret until now sexual transmutation also called alchemy or tantra The way to life is always sexual whether creating physical life or spiritual life That is why throughout the ancient scriptures there are clues towards the preservation of the sexual energy the living waters and why the elite of every religion preserved their sexual energy they knew how to harness it for purposes higher than mere lust The sexual energy is a tremendous power it creates life When harnessed and made pure a process called white tantra it creates life in the superior levels of nature so that one is born again The second birth is the result of creating the solar bodies Astral Body Mental Body Causal Body which Jesus called the wedding garment With the solar bodies one is awakened in the superior dimensions of nature The Narrow Way exposes the ancient secret path hidden in all religions and the source of power that gave birth to the most remarkable souls in history those radiant men and women of terrific compassion and intelligence who embodied the best of what it is to be human The power to become like them is within you too **The Great Rebellion** Samael Aun Weor, 2025-02-01 Our world needs real change inner change This book shows how you can make it happen When one discovers the real cause of so much misery and bitterness it becomes obvious that something can be done Samael Aun Weor Do you want a better world and a better life Do you thirst for genuine happiness You can transcend suffering when you know about The underlying cause of the world's pain and problems What consciousness is and how it works How cause and effect create your life The power within us that can cleanse the mind of faults and darkness This book embraces and clarifies the essential wisdom within all the world's religions and spiritual traditions Yet change does not come from belief or theories Real change comes from self knowledge gnosis The Great Rebellion explains how all of the world's problems addiction war pollution starvation crime come from within us By changing ourselves within we change the world around us This is the genuine foundation of every great spiritual tradition in the world By truly becoming better people the world becomes a better place **The Serpent Fire** Raymond Bernard, 1959
