Bible tells us God is loving and kind He sent his only Son Jesus to save the world from sin But is God really loving and kind How do we understand the seeming cruelty of God who asked Abraham to sacrifice his son Isaac How do we understand a seemingly unjust God who accepted Abel's offering but rejected Cain's Is this the God who loves us How can we love and trust such a God Does God care what happens to us Are Nations under his control What happens to a Nation that turns its back on God Are there signs of a falling Nation There are answers to these questions and more Stories from the Old

Testament of what looks like God's cruelty and unjustness on the surface are examined deeply to reveal God's presence and purpose. The words of Jesus and the apostles in the New Testament are highlighted as proof of God's love and kindness. We are told to pray. Does prayer make any difference? How do I find time for prayer? Coleman offers us stories from his own life to illuminate how he has experienced God's love. We are invited to go on a journey to understand who this God is and to live in that reality. In a world of turmoil and pain, Coleman describes the problem and presents a hope. **Mighty Mother Wants**

to Choose Husband Xu QingHuanYan, 2019-12-25 She had given birth to a child on the first day of her transmigration. As someone who was pregnant before her marriage. And with all the scorn and abuse of the world. She became a complete and utter slut. And that damn stinky man ate himself dry and didn't show up. That night she still vaguely remembered how he had taken and plundered her. Their bodies intertwined, their necks blazing hot, their breaths tempting. F ck get the hell out here.

From Paradise to the Promised Land T. Desmond Alexander, 2002-09 Get an in-depth look into the first five books of the Bible with this accessible introduction to their content, significance, and themes. **My Ego, My Soul, My God** Rev. Dr. Mushtaq Jaafri, 2020-05-14 DO YOU Sometimes Have Trouble Making Sense of Your Life? Wonder Why It's So Difficult to Find the Right Person to Love? You Find Balance, Joy, True Security, and Love in Life? This book describes a new all-encompassing three-part framework which helps put your thoughts, feelings, and actions into perspective. It contains a timely message entrusted to Mushtaq Jaafri by God, telling him how anyone could overcome pain, suffering, struggle, and conflict we face in life and to set us free. Get the facts first-hand. This message from God is for all Christians and Muslims and Jews of the world. Author became quiet well-off by applying techniques. Get your proof first-hand. With this framework, anyone can understand how we, human beings, function and why we often do the perplexing things we do. This book describes a path anyone can use which can lead to gradual surrender of your Ego to God. This is a process of your emotional and spiritual growth which gently and gradually helps you to develop and become aware of yourself as Soul, not just in theory but a daily living reality. Jaafri discovered this secret and used it for 40 years and received from God everything he desired, wanted, or imagined. Mushtaq Jaafri also believes that our current educational system is failing us because the primary focus of the contemporary schools is mostly on the acquisition of the book knowledge only acquired from outside of us and not through any spiritual knowledge from inside of us. Jaafri offers an educational system based on the acquisition of spiritual knowledge from inside of us that could reduce time spent in contemporary schools from twelve years to less than half. Amazing secrets revealed. Results guaranteed. Act now. You'll be glad that you did. Author guarantees it. *The Message of the Kingdom of God* T. Desmond Alexander, 2024-01-18 Across 22 chapters, T. Desmond Alexander expounds the theme of the kingdom of God from selected Old and New Testament texts, showing its relevance for today. God made us to rule with him as his representatives to establish his kingdom on earth. But Adam and Eve's rebellion alienated humanity from God's kingdom, instead making them slaves to the kingdom of darkness. As the promised ruler, Jesus Christ, comes as the perfect king to redeem enslaved humanity.

This servant king brings God's kingdom on earth through self-sacrificial love. In hope we now await the return of the king and the coming of the eternal kingdom. With a fully integrated study guide suitable for both individuals and groups, *The Message of the Kingdom of God* will help you to see how the Bible's unified teaching on this vital theme can impact your life today. *The Bible Speaks Today* series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture.

Flying Serpents and Dragons R. A. Boulay, 1999-07 A highly original work that deals a shattering blow to all our preconceived notions about our past and human origins. Worldwide legends refer to giant flying lizards and dragons that came to this planet and founded the ancient civilizations of Mesopotamia, Egypt, India, and China. Who were these reptilian creatures? What was the real reason for man's creation? Why did Adam lose his chance at immortality in the Garden of Eden? Who were the Nefilim who descended from heaven and mated with human women? Why did the serpent take such a bad rap in history? Why didn't Adam and Eve wear clothes? What were the crystals or stones that the gods fought over? Why did the ancient Sumerians call their major gods USHUMGAL, which means literally great fiery flying serpent? What were the boats of heaven in ancient Egypt and the sky chariots of the Bible? This book tells it all.

The Qur'an and Its Biblical Subtext Gabriel Said Reynolds, 2010-06-10 Traditionally the Qur'an has been interpreted through medieval commentaries shaped by the biography of the prophet Muhammad. This book presents the Muslim holy book in light of its conversation with Jewish and Christian scripture, challenging the dominant scholarly method of reading the Qur'an.

The Bible's Cutting Room Floor Joel M. Hoffman, 2014-09-02

There's more to the story A scholar and translator reveals the history of the Bible and the parts that were left out by accident or design The Bible you usually read is not the complete story Some holy writings were left out for political or theological reasons others simply because of the physical restrictions of ancient bookmaking technology At times the compilers of the Bible skipped information that they assumed everyone knew Some passages were even omitted by accident In *The Bible's Cutting Room Floor* acclaimed translator Dr Joel M Hoffman gives us the stories and other texts that didn't make it into the Bible even though they offer penetrating insight into the Bible and its teachings The Book of Genesis tells us about Adam and Eve's time in the Garden of Eden but not their saga after they get kicked out or the lessons they have for us about good and evil The Bible introduces us to Abraham but it doesn't include the troubling story of his early life which explains how he came to reject idolatry to become the father of monotheism And while there are only 150 Psalms in today's Bible there used to be many more Dr Hoffman deftly brings these and other ancient scriptural texts to life exploring how they offer new answers to some of the most fundamental and universal questions people ask about their lives An impressive blend of history linguistics and religious scholarship *The Bible's Cutting Room Floor* reveals what's missing from your Bible who left it out and why it is so important Hoffman also provides an accessible and entertaining history of the context in which the rejected works arose a fascinating account of how the Dead Sea Scrolls came to light in the mid 20th century and what they include an analysis of Josephus's contributions to history and the relationship between the Septuagint the Greek translation of the Bible and the Hebrew Scriptures Publishers Weekly A wonderful book to confirm the beliefs of the faithful to strengthen those whose faith begs for more information and to enlighten those who reject the stories of the Bible as mere fiction Kirkus Reviews
