

THE SERVANT KING

THE BIBLE'S PORTRAIT OF THE MESSIAH

T. D. ALEXANDER
FOREWORD BY ALEC MOTYER

Servant King The Bibles Portrait Of The Messiah

David L. Baker

Servant King The Bible's Portrait Of The Messiah:

The Servant King T. Desmond Alexander, 2003 We need to know who Jesus is But where can we turn to find out Many people look only to the New Testament for answers But reader of The Servant King will find that the Old Testament beginning with its very first pages paints a portrait of the Messiah the Saviour of the world where he will come from what he will be like and what he will do By the time we reach the New Testament much of the portrait has emerged so that the Jesus we encounter is not a stranger We are able to see like the first disciples that he is the Messiah already promised the Servant King With great skill Desmond Alexander helps us see the portrait's first brush strokes being laid down in Genesis and more being added as the Old Testament story unfolds Then as he guides us through the New Testament we discover how the portrait is completed revealing Jesus in all his glory This book brings the whole picture into view It helps us see who Jesus was where he stood in the plans of God and what he was sent to do If we read with care and faith The Servant King will help us enter the richness of God's Word and we will understand better not just who Jesus was but who he is today The Servant King is written with the sort of authority only a leading Old Testament specialist can command but its deep learning is not allowed to intrude and the book has all the charm and helpfulness of a piece of enthusiastic Bible study presented with freshness and accuracy Alec Motyer Trinity College Bristol T D Alexander PhD Queen's University Belfast is director of the Magee Institute for Christian Training at Union Theological College in Belfast Northern Ireland He is also the author of *Paradise to the Promised Land*

Biblical Theology of the New Testament Peter Stuhlmacher, 2018-08-16 First English edition of an iconic work of German scholarship Since its original publication in German Peter Stuhlmacher's two volume *Biblische Theologie des Neuen Testaments* has influenced an entire generation of biblical scholars and theologians Now Daniel Bailey's expert translation makes this important work of New Testament theology available in English for the first time Following an extended discussion of the task of writing a New Testament theology Stuhlmacher explores the development of the Christian message across the pages of the Gospels the writings of Paul and the other canonical books of the New Testament The second part of the book examines the biblical canon and its historical significance A concluding essay by Bailey applies Stuhlmacher's approach to specific texts in Romans and 4 Maccabees

Invitation to Biblical Theology Jeremy M. Kimble, Ched Spellman, 2020-06-30 *Invitation to Biblical Theology* provides a thorough overview of biblical theology that is accessible for those new to the topic but substantial enough for advanced study Defining biblical theology as the study of the whole Bible on its own terms Jeremy Kimble and Ched Spellman begin with a brief history of the discipline followed by a survey of contemporary approaches They then lay out their own approach built on the framework of the canon the covenants and Christ Taking God's plan of redemption in Christ as the uniting theme of Scripture Kimble and Spellman survey the grand storyline of the Bible from Genesis to Revelation showing how each division of the canon moves the overarching story forward The following ten chapters survey central and recurring themes of Scripture including

kingdom worship Messiah and atonement God's glory and mission The authors conclude with reflections on how biblical theology can serve the church as well as the academy **The Work of Christ** John S. Hammett, Charles L.

Quarles, 2024-09-01 In *The Work of Christ* John S. Hammett and Charles L. Quarles examine Christ's service for his people especially his atoning work on the cross *The King in His Beauty* Thomas R. Schreiner, 2013-07-15 Thomas Schreiner a

respected scholar and a trusted voice for many students and pastors offers a substantial and accessibly written overview of the whole Bible He traces the storyline of the scriptures from the standpoint of biblical theology examining the overarching message that is conveyed throughout Schreiner emphasizes three interrelated and unified themes that stand out in the biblical narrative God as Lord human beings as those who are made in God's image and the land or place in which God's rule is exercised The goal of God's kingdom is to see the king in his beauty and to be enraptured in his glory From Paradise to

the Promised Land T. Desmond Alexander, 2012-06-01 This text has been a popular introduction to the Pentateuch for over fifteen years offering a unique alternative to the critical approaches that focus on the composition of these books rather than the actual content With this new edition T. Desmond Alexander keeps the book fresh and relevant for contemporary students by updating the references and adding material that reflects recent pentateuchal research as well as the author's maturing judgments The result is a revision that will prove valuable for many years to come The Crucified King Jeremy R.

Treat, 2014-05-27 The kingdom of God and the atonement are two of the most important themes in all of Scripture Tragically theologians have often either set the two at odds or focused on one to the complete neglect of the other In *The Crucified King* Jeremy Treat demonstrates that Scripture presents a mutually enriching relationship between the kingdom and atonement that draws significantly from the story of Israel and culminates in the crucifixion of Christ the king As Israel's messiah he holds together the kingdom and the cross by bringing God's reign on earth through his atoning death The kingdom is the ultimate goal of the cross and the cross is the means by which the kingdom comes Jesus' death is not the failure of his messianic ministry nor simply the prelude to his royal glory but is the apex of his kingdom mission The cross is the throne from which he rules and establishes his kingdom Using a holistic approach that brings together the insights of biblical and systematic theology this book demonstrates not only that the kingdom and the cross are inseparable but how they are integrated in Scripture and theology Your Gospel Is Too Small Jason Valeriano Hallig, 2021-04-07 Friedrich Nietzsche

believed that with the gospel the Christian is a useless separated resigned person extraneous to the progress of the world Hence to Nietzsche the Christian message is a virtue of the weak This criticism emanates from the kind of a gospel we have known accepted and preached for centuries a gospel that represented the Christian message out of the medieval and Reformation theologies With the revival of biblical studies and theology in the eighteenth century and onwards studies on the gospel shifted to more historical approaches paving the way for a more biblical gospel that is faithful to the larger biblical narrative Slowly we have rediscovered a different understanding of the gospel that is not limited to a personal and highly

spiritualized gospel but one that is more cosmic in its grandeur Your Gospel Is Too Small invites readers to a whole new world open to men and women toward a vision greater than previously held a world that is even beyond what ubermensch offers to us This is a reframation of the gospel we thought we already knew **Systematic Theology, Volume One** Stephen J. Wellum, 2024-02-15 Stephen Wellum's Systematic Theology Volume One is a Trinitarian reformational and baptistic systematic theology committed to serious evangelical engagement with the Scriptures Building on decades of research Wellum formulates doctrine exegetically covenantally and canonically for a new generation of students pastors church leaders and seasoned theologians as well **God's Glory in Salvation through Judgment** James M. Hamilton Jr., 2010-11-04 In Exodus 34 Moses asks to see God's glory and God reveals himself as a God who is merciful and just James Hamilton Jr contends that from this passage comes a biblical theology that unites the meta narrative of Scripture under one central theme God's glory in salvation through judgment Hamilton begins in the Old Testament by showing that Israel was saved through God's judgment on the Egyptians and the Canaanites God was glorified through both his judgment and mercy accorded in salvation to Israel The New Testament unfolds the ultimate display of God's glory in justice and mercy as it was God's righteous judgment shown on the cross that brought us salvation God's glory in salvation through judgment will be shown at the end of time when Christ returns to judge his enemies and save all who have called on his name Hamilton moves through the Bible book by book showing that there is one theological center to the whole Bible The volume's systematic method and scope make it a unique resource for pastors professors and students **Unceasing Kindness** Peter Lau, Gregory Goswell, 2016-10-19 In this NSBT volume Peter Lau and Gregory Goswell examine the book of Ruth in its canonical context including the wider Old Testament and the New Testament and study selected themes including redemption kingship mission kindness wisdom famine and the hiddenness of God *The Royal Priest* Matthew H. Emadi, 2022-11-29 Despite its importance in the New Testament relatively little has been written about Psalm 110 By considering how David brought together priesthood and kingship in a single figure Matthew Emadi uncovers the theological foundations of Psalm 110 showing that Melchizedek's royal priesthood is tied to both creation and redemption *Two Testaments, One Bible* David L. Baker, 2013-04-06 Do we need the Old Testament today Is this collection of ancient writings still relevant in our postmodern and increasingly post literary world Isn't the New Testament a sufficient basis for the Christian faith What does the Old Testament God of power and glory have to do with the New Testament God of love whom Jesus calls Father Are these two very different Testaments really one Bible In this thoroughly revised updated and expanded edition of *Two Testaments One Bible* David L Baker investigates the theological basis for the continued acceptance of the Old Testament as Christian Scripture through a study of its relationship to the New Testament He introduces the main issues surveys the history of interpretation and critically examines four major approaches He then considers four key themes which provide a framework for Christian interpretation of two Testaments in the context of one Bible typology promise and

fulfilment continuity and discontinuity and covenant He completes his study with a summary of the main conclusions and reflection on their implications for the use of the Bible today **Themelios, Volume 48, Issue 1** Brian Tabb,2023-05-09 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor Brian Tabb Bethlehem College and Seminary Contributing Editor D A Carson Trinity Evangelical Divinity School Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary **The Presence of God** J. Ryan Lister,2014-11-30 God is with us We say this in our sermons prayers and songs but what does it really mean For many Christians the whole notion of God s presence remains vague and hard to define Exploring both the Old and New Testaments professor J Ryan Lister seeks to recover the centrality of the presence of God in the whole storyline of Scripture a theme that is too often neglected and therefore misunderstood In a world that longs for yet struggles to find intimacy with the Almighty this book will help you discover the truth about God s presence with his people and what his drawing near means for the Christian life *From Prisoner to Prince* Samuel Emadi,2022-07-12 How should we understand the significance of the story of Joseph within redemptive history This NSBT volume from Samuel Emadi offers a comprehensive canonical treatment of the Joseph narrative considering Genesis 37 50 in its own literary and theological context and culminating in the New Testament s portrayal of Jesus as an antitypical new and final Joseph **The Return of the Kingdom** Stephen G. Dempster,2024-03-19 In this ESBT volume Stephen Dempster traces the themes of kingship and kingdom throughout Scripture illuminating the challenges pain and ultimate hope that the Bible offers The story of God s kingship is ultimately the fulfillment of a promise to defeat sin and death and to establish a world of peace and justice **Leadership by the Book** Galen W. Jones,2023-02-01 In Leadership by the Book Galen Jones pushes the reader to reconsider what kingdom leadership is Instead of grounding leadership in self help principles Jones demonstrates that Christ is the one who enables and empowers leaders by his Spirit **Seek First** Jeremy R.

Treat, 2019-04-09 FIND WHAT MATTERS MOST BUILD YOUR LIFE AROUND IT In an age of distraction everyone is looking for something that gives purpose and perspective on life Jesus says it's the kingdom of God But the kingdom is not just another religious idea Rather God's loving reign brings clarity and coherence to all of life identity work play relationships justice character in a way that is profound and practical Seek First brings theology to the streets giving a vision for the kingdom that will truly change your life Treat presents the message of the kingdom in a way that gives us a grander vision for life whether in the workplace or on the basketball court CHRIS BROUSSARD NBA analyst and sports broadcaster Few books do as good a job as this one in showing us how giving up everything for Christ and his kingdom is the pathway to our greatest gain Seek First is a gem SCOTT SAULS author and senior pastor Christ Presbyterian Church With insight and passion Treat reveals why we ought to reorient our lives and reprioritize our loves practical and powerful MARIELLE WAKIM editor Los Angeles magazine A prophetic and urgent note to the generations a clearly written and much needed book KEVIN J VANHOOZER professor Trinity Evangelical Divinity School

Dictionary of the Old Testament: Wisdom, Poetry and Writings TREMPER LONGMAN III, PETER ENNS, 2020-05-21 The Old Testament books of wisdom and poetry carry themselves differently from those of the Pentateuch the histories or the prophets The divine voice does not peal from Sinai there are no narratives carried along by prophetic interpretation nor are oracles declaimed by a prophet Here Scripture often speaks in the words of human response to God and God's world The hymns laments and thanksgivings of Israel the dirge of Lamentations the questionings of Qohelet the love poetry of the Song of Songs the bold drama of Job and the proverbial wisdom of Israel all offer their textures to this great body of biblical literature Then too there are the finely crafted stories of Ruth and Esther that narrate the silent providence of God in the course of Israelite and Jewish lives This third Old Testament volume in IVP's celebrated Black Dictionary series offers nearly 150 articles covering all the important aspects of Job Proverbs Ecclesiastes Psalms Song of Songs Lamentations Ruth and Esther Over 90 contributors many of them experts in this literature have contributed to the Dictionary of the Old Testament Wisdom Poetry and Writings This volume maintains the quality of scholarship that students scholars and pastors have come to expect from this series Coverage of each biblical book includes an introduction to the book itself as well as separate articles on their ancient Near Eastern background and their history of interpretation Additional articles amply explore the literary dimensions of Hebrew poetry and prose including acrostic ellipsis inclusio intertextuality parallelism and rhyme And there are well rounded treatments of Israelite wisdom and wisdom literature including wisdom poems sources and theology In addition a wide range of interpretive approaches is canvassed in articles on hermeneutics feminist interpretation form criticism historical criticism rhetorical criticism and social scientific approaches The Dictionary of the Old Testament Wisdom Poetry and Writings is sure to command shelf space within arm's reach of any student teacher or preacher working in this portion of biblical literature

Unveiling the Magic of Words: A Overview of "**Servant King The Bibles Portrait Of The Messiah**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Servant King The Bibles Portrait Of The Messiah**," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book is central themes, examine its distinctive writing style, and assess its profound affect the souls of its readers.
