Servant Of Slaves The Life Of Henriette Delille:

A Servant of Slaves William Kelley, 2003 Born in the racist antebellum South Henriette DeLille felt a lifelong calling to serve the poor but could not enter a holy order because she was an octoroon part African American **Servant to the Slaves** David R. Collins, 2000 A biography of Henriette Delille the African American founder of the Sisters of the Holy Family who dedicated her life to the service of slaves and those in need in nineteenth century New Orleans The New Orleans Sisters of the Holy Family Edward T. Brett, 2012-04-15 The Sisters of the Holy Family founded in New Orleans in 1842 were the first African American Catholics to serve as missionaries This story of their little known missionary efforts in Belize from 1898 to 2008 builds upon their already distinguished work through the Archdiocese of New Orleans of teaching slaves and free people of color caring for orphans and the elderly and tending to the poor and needy Utilizing previously unpublished archival documents along with extensive personal correspondence and interviews Edward T Brett has produced a fascinating account of the 110 year mission of the Sisters of the Holy Family to the Garifuna people of Belize Brett discusses the foundation and growth of the struggling order in New Orleans up to the sisters decision in 1898 to accept a teaching commitment in the Stann Creek District of what was then British Honduras The early history of the British Honduras mission concentrates especially on Mother Austin Jones the superior responsible for expanding the order s work into the mission field In examining the Belizean mission from the eve of the Second Vatican Council through the post Vatican II years Brett sensitively chronicles the sisters efforts to conform to the spirit of the council and describes the creative innovations that the Holy Family community introduced into the Belizean educational system In the final chapter he looks at the congregation s efforts to sustain its missionary work in the face of the shortage of new religious vocations Brett s study is more than just a chronicle of the Holy Family Sisters accomplishments in Belize He treats the issues of racism and gender discrimination that the African American congregation encountered both within the church and in society demonstrating how the sisters survived and even thrived by learning how to skillfully negotiate with the white dominant power structure *Catholic Heroes of Civil and Human Rights* Matthew Daniels, Roxanne King, 2024-09-13 This inspiring work profiles sixteen heroic Catholic men and women who defied the odds to advance civil and human rights around the world Spanning from the birth of the United States to World War II Germany to the current Latin American immigration crisis this book features people whose faith drove them to courageously defend the dignity of the children of God especially the most vulnerable transforming many lives and paving the way for a more equitable society To understand human rights however we need theology Supported by official Church documents each chapter is themed on one of the pillars of Catholic social teaching freedom perseverance hope justice and conscience These short compelling biographies of figures who exemplify each pillar demonstrate how the teachings of Christ through his Church can drive ordinary believers to do extraordinary deeds Among the heroes are former slave Venerable Father Augustine Tolton Austrian farmer Blessed Franz J gerst ter Native American catechist Nicholas

Mysticism of Ordinary Life Andrew Prevot,2023 The *Mysticism of Ordinary Life* presents a new vision of Christian mystical theology offering critical interpretations of the theologians philosophers and intersectional feminists who draw on mystical traditions to affirm ordinary life arguing that everyday experiences of divine grace can be an empowering source of social transformation **The New Orleans of Fiction** James A. Kaser,2014-07-29 The importance of New Orleans in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on New Orleans centered fiction are available they are of little use to scholars researching works written before the 1980s In *The New Orleans of Fiction A Research Guide* James A Kaser provides detailed synopses for more than 500 works of fiction significantly set in New Orleans and published between 1836 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included *Black Catholic Studies Reader* David J. Endres,2021-04-16 This first ever Black Catholic Studies Reader offers an introduction to the theology and history of the Black Catholic experience from those who know it best Black Catholic scholars teachers activists and ministers The reader offers a multi faceted interdisciplinary approach that illuminates what it means to be Black and Catholic in the United States This collection of essays from prominent scholars both past and present brings together contributions from theologians M Shawn Copeland Kim Harris Diana Hayes Bryan Massingale and C Vanessa White and historians Cecilia Moore Diane Batts Morrow and Ronald Sharps and selections from an earlier generation of thinkers and activists including Thea Bowman Cyprian Davis and Clarence Rivers Contributions delve into the interlocking fields of history spirituality liturgy and biography Through their contributions Black Catholic Studies scholars engage theologies of liberation and the reality of racism the Black struggle for recognition within the Church and the distinctiveness of African inspired spirituality prayer and worship By considering their racial and religious identities these select Black Catholic theologians and historians add their voices to the contemporary conversation surrounding culture race and religion in America inviting engagement from students and teachers of the American experience social commentators and advocates and theologians and persons of faith **Henriette Delille** Elsie B. Martinez,Colette H. Stelly,2010-05-24 Beginning in 1812 this fictional biography follows the life of Henriette Delille a free woman of color who founded the Sisters of the Holy Family This examination recounts her spiritual journey and

struggle to break free from French Quarter society despite her family's protests. Instead she chose to focus on the needs of the less fortunate, teaching such principles as chastity and obedience until her death in 1862. Today the Catholic Church is considering the Venerable Henriette Delille for sainthood, making her the first African American in North America to receive such an honor. Her story provides a glimpse of what life was like in the French Quarter during the nineteenth century and offers enlightenment on voodoo traditions and the slave system. *Subversive Power of Love*, The Copeland, M. Shawn, 2009. Highlights Henriette Delille, founder of the Congregation of the Sisters of the Holy Family, who lived out a vision that defied social convention, cultural custom, and tepid religiosity. **Henriette Delille** Virginia Meacham Gould, Charles E. Nolan, 1998. **Henriette Delille** Cyprian Davis, 2004. **Catholicism and Historical Narrative** Kevin Schmiesing, 2014-01-30. Stories about the past shape not only the way people think about history but also the way they act in the present. Nowhere is this truer than in the area of religion, which has been and continues to be a powerful motivating force in the lives of billions around the globe. In this volume *Catholicism and Historical Narrative: A Catholic Engagement with Historical Scholarship*, contributors explore the way stories are constructed and show how a focus on Catholic figures and concerns challenges common understandings of important historical episodes and eras. Editor Kevin Schmiesing has gathered a distinguished group of scholars who in various ways call into question conventional story lines by highlighting previously neglected Catholic ideas and individuals. Built on ample evidence and employing keen insight, each essay is the result of cutting edge research in fields ranging from historical research on Puritan New England and the antebellum South to the history of abortion to the twentieth century papacy. Students and scholars of religious history, Catholic historians, and anyone interested in the intersection of religion and history will all find here much to interest and maybe even surprise in the chapters' arguments concerning the deficiencies of history's dominant narratives. The volume's focus on the history of Catholics in the United States makes it essential reading for anyone seeking to understand the place of Catholicism in the American story. **Louisiana History** Florence M. Jumonville, 2002-08-30. From the accounts of 18th century travelers to the interpretations of 21st century historians, Jumonville lists more than 6,800 books, chapters, articles, theses, dissertations, and government documents that describe the rich history of America's 18th state. Here are references to sources on the Louisiana Purchase, the Battle of New Orleans, Carnival, and Cajuns. Less explored topics such as the rebellion of 1768, the changing roles of women, and civic development are also covered. It is a sweeping guide to the publications that best illuminate the land, the people, and the multifaceted history of the Pelican State. Arranged according to discipline and time period, chapters cover such topics as the environment, the Civil War, and Reconstruction, social and cultural history, the people of Louisiana, local parish and sectional histories, and New Orleans. It also lists major historical sites and repositories of primary materials. As the only comprehensive bibliography of the secondary sources about the state, *Louisiana History* is an invaluable resource for scholars and researchers. **Creole New Orleans in the Revolutionary Atlantic, 1775-1877**

Caryn Cossé Bell, 2023-10-04 Nowhere in the United States did the Age of Democratic Revolution exert as profound an influence as in New Orleans In 1809 10 refugees of the Haitian Revolution doubled the size of the city In 1811 hundreds of Saint Dominguan African and Louisianan plantation workers marched downriver toward the city in the nation's largest ever slave revolt Itinerant revolutionaries from throughout the Atlantic congregated in New Orleans in the cause of Latin American independence Together with the refugee soldiers of the Haitian Revolution both Black and white their presence proved decisive in the Battle of New Orleans After defeating the British the soldiers rejoined the struggle against Spanish imperialism In Creole New Orleans in the Revolutionary Atlantic 1775 1877 Caryn Cossé Bell sets forth these momentous events and much more to document the revolutionary era's impact on the city Bell's study begins with the 1883 memoir of H. I. René Aquin Allain a French Creole and descendant of the refugee community who grew up in antebellum New Orleans Allain's grandfather fought alongside the Savarys a politically influential free family of color in the Haitian Revolution Forced from Saint Domingue Haiti the allied families retreated to New Orleans Bell's reconstruction of the Aquin family network interracial alliances and business partnerships provides a productive framework for exploring the city's presence at the crossroads of the revolutionary Atlantic Residing in New Orleans in the heyday of French Romanticism Allain experienced a cultural revolution that exerted an enormous influence on religious beliefs literature politics and even as Bell documents the practice of medicine in the city In France the highly politicized nature of the movement culminated in the 1848 French Revolution with its abolition of slavery and enfranchisement of freed men and women During the Civil War and Reconstruction the Afro Creole leaders of the diasporic community pointed to events in France and stood in the forefront of the struggle to revolutionize race relations in their own nation As Bell demonstrates their cultural and political legacy remains a formidable presence in twenty-first century New Orleans

Voodoo Queen Martha Ward, 2009-09-28 Each year thousands of pilgrims visit the celebrated New Orleans tomb where Marie Laveau is said to lie They seek her favors or fear her lingering influence Voodoo Queen The Spirited Lives of Marie Laveau is the first study of the Laveaus mother and daughter of the same name Both were legendary leaders of religious and spiritual traditions many still label as evil The Laveaus were free women of color and prominent French speaking Catholic Creoles From the 1820s until the 1880s when one died and the other disappeared gossip fear and fierce affection swirled about them From the heart of the French Quarter in dance drumming song and spirit possession they ruled the imagination of New Orleans How did the two Mariés apply their magical powers and uncommon business sense to shift the course of love luck and the law The women understood the real crime they had pitted their spiritual forces against the slave system of the United States Moses like they led their people out of bondage and offered protection and freedom to the community of color rich white women enslaved families and men condemned to hang The curse of the Laveau family

however followed them Both loved men they could never marry Both faced down the press and police who stalked them Both countered the relentless gossip of curses evil spirits murders and infant sacrifice with acts of benevolence The book is also a detective story who is really buried in the famous tomb in the oldest city of the dead in New Orleans What scandals did the Laveau family intend to keep buried there forever By what sleight of hand did free people of color lose their cultural identity when Americans purchased Louisiana and imposed racial apartheid upon Creole creativity Voodoo Queen brings the improbable testimonies of saints spirits and never before printed eyewitness accounts of ceremonies and magical crafts together to illuminate the lives of the two Marie Laveaus leaders of a major indigenous American religion
