the final form It argues that the quotations are bi referential functioning on both a narrative and theological level and also explores the issues surrounding the troublesome extraneous content It arrives at the conclusion that this citation was central to Matthew s understanding of Jesus life and mission All totalled this study offers a refreshing exploration of Matthew s high ethical Christology

The Point of It All J.C. O'Neill,2019-05-21 The atheism of modern thought is based on irrational assumptions First century Jews expected a suffering Messiah Jesus knew it was he Jesus birth and resurrection in history The point of the parables The point of Christology The historical grounds for scepticism about Christian claims concerning Jesus Christ rely on misreadings of the Bible In a series of original essays the author issues a formidable challenge to many of the presuppositions of modern theology

The Branch Preston T. Massey,2018-07-24 The thesis of the book may be stated simply it is an argument based upon the four prophetic texts of Jer 23 5 Zech 3 8 6 12 and Isa 4 2 as a foundational pattern for the four Gospels These four prophetic texts it will be argued mention a King Branch a Servant Branch a Man Priest Branch and a Lord God Branch This study seeks to show how Matthew presents Jesus as the King Branch Mark as the Servant Branch Luke as the Priest Man Branch and John as the Lord God Branch Consideration will also be given to explore the ramification of the four living Beings as described in Rev 4 6 7 Given the sum total of this sequence of literary facts the conclusion of this book will raise a number of possible implications One of these implications will offer the conclusion that the four evangelists could not have written their four Gospels solely on their own human unaided efforts

Exegetical Essays, 3rd Edition Don Garlington,2003-10-13 Exegetical Essays is a collection of thirteen biblical studies The purpose of each is to fill a gap in New Testament research or to offer alternate understandings of familiar passages The second edition of these Essays incorporates corrections and updated documentation and presents three new studies The order of the articles follows as closely as possible the canonical biblical text The book commences with a consideration of the biblical theological method followed by an Old Testament essay and then proceeds through the Gospels Paul and Revelation and concludes with review articles of two recent notable books

The Body of Creation James B. Pendleton, 2020-05-15 In the modern period space has predominately been conceived of as a mere setting for human action ontologically separate from the body In Markan studies the result has been the multiplication of textual geographies that hide the spatiality of Jesus s narrativized and thus living body Rather than representing Jesus s body as replicating the spatial configurations of dominant scribal cartographic practice including imperial practice James B Pendleton shows that Mark portrays Jesus s body as a living production of space that troubles dominant maps Against readings of Mark that argue that Jesus is either an imperial or an anti imperial figure Pendleton argues that Mark presents Jesus s body and thus his spatiality as both inside as an insider and outside as an outsider simultaneously in what has more commonly been theorized recently as third spatiality or thirdspace Rather than an imperial or anti imperial economy of spatial production Pendleton argues Mark presents Jesus s body within a both and and more economy that is kenotic revealing God s own royal yet emptying body

Thunder and Love Stephen S. Smalley, 2013-01-24 The title Thunder and Love speaks of the passion and compassion of the writer of Revelation That exciting but sometimes perplexing New Testament document is the subject of Dr Smalley s fascinating study His book combines the depth of research required for the serious scholar of apocalyptic literature with many fresh insights and surprising conclusions for the inquiring reader We are given here not only a new appreciation of the text of Revelation and of the volatile community for which John wrote but also a sharp application of its message to the needs of our present spiritual social and political situation

The Living Church, 1962 *New Exodus in John* Kyungu Ra, 2019-01-07 This book explores Christ s identity and his works in the Gospel of John in the light of the New Exodus eschatological Passover It especially examines the relationship between the Passover and the firstborn who was substituted by the paschal lamb The idea of the firstborn especially his death is reflected in some of the major Christological titles These include Only Son Beloved Son Davidic Messianic King Deutero Isaianic suffering Servant of the Lord and Son of Man It is also found in major themes reflected in the narratives of John 1 4 Above all John s Gospel introduces the Logos as the Only Son of God and Son of Man This probably alludes to the idea of the firstborn and the Son of Man figure who fulfils the calling of the Deutero Isaianic suffering Servant of the Lord He achieves the restoration of Israel from exile and the salvation of the gentiles as the sons of God Hence the Paschal New Exodus motif is an important prism for interpreting the Gospel of John and Johannine Christology

Grace and Global Justice Richard Gibb, 2006-10-18 What does it mean for the twenty first century church to conceive of itself as a community defined by the covenant of grace Grace and Global Justice explores the ramifications of this central Christian doctrine for the

holistic mission of the church in the context of a globalized world **Biblical Ethics and Social Change** Stephen Mott
Professor Emeritus of Social Ethics Gordon-Conwell Theological Seminary, 2011-03-23 This scholarly synthesis of biblical studies and Christian social ethics is designed to provide a biblical argument for intentional institutional change on behalf of social justice Stephen Charles Mott provides a biblical and ethical guide on ways to implement that change The first part of the book providing the biblical theology of intentional social change deals with the central concepts in biblical and theological ethics grace evil love justice and the Reign of God Christian social change must be rooted not only in justice but in the grace received through the death and resurrection of Christ The second part evaluates ethical and theological methods for carrying out that intentional social change It offers a study of evangelism counter community civil disobedience armed revolution and political reform It shows the contribution of each as well as the strong limitations of each used in isolation A recurring theme of the book is the scriptural insistence on the priority of justice as taking upon oneself the cause of the oppressed Justice is understood on bringing back into the community those who are near to falling out of it Political authority has a vital role in social change for justice It is essential that a Christian use all available and legitimate means of meeting basic needs by providing for all what is essential for inclusion in society In this revised edition Mott updates the contemporary illustrations and includes his own further reflections in the last thirty years on this topic
