Previn Publishers Weekly Writer director actor humorist Woody Allen stands as one of our era's most celebrated artists. Starting in the 1950s Allen began crafting a larger than life neurotic persona that has since entertained and enlightened millions. In his films widely thought to be autobiographical explorations of his own comic fears and fixations Allen carefully controlled the public's view of him as a lovable scamp. But that all came crashing down the day Mia Farrow found a Polaroid on her mantle. What followed was a flurry of sensational headlines and legal battles. His relationship with Soon Yi Previn, thirty-four years his junior and the step daughter of his longtime girlfriend, caused shockwaves in the public's perception of the director, yet few biographers and journalists have explored what happened and why. In this, the first deep investigation of Allen's life and the events surrounding his split with Farrow, biographer Marion Meade tracks down dozens of friends, actors, neighbors, and film historians. They open up with insights and details rare in the world of wealth and celebrity. What results is a fascinating portrait of a flawed genius as adept at constructing his own image as he is at crafting films. Rereleased and updated, this is an unauthorized biography that neither Woody Allen's fans nor his detractors will be able to put down. The revised and updated edition was reviewed in the Wall Street Journal in 2013 by Carl Rollyson in a roundup of the five best Hollywood biographies.

Modernism, 1910-1945 Jane Goldman, 2017-04-29 This essential guide explores and celebrates the rise and development of modernist and avant-garde literatures and theories in the period 1910-1945, from Imagism to the Apocalypse movement. Jane Goldman charts transitions in writing, reading, performing, and publishing practices and in international groupings and regroupings of writers and artists, and interrogates the term Modernism, which labels the era. Goldman introduces students to the work of many canonical high modernist writers such as Ezra Pound, T. S. Eliot, W. B. Yeats, James Joyce, and Virginia Woolf, and samples the work of other important modernist figures including Nathanael West, John Rodker, Aldous Huxley, and the Harlem Renaissance poets.

Enchanted Evenings Geoffrey Holden Block, 2004 Discusses the great Broadway hits, how they were conceived, written, and performed.

Cinematic Fictions David Seed, 2012-01-01 The phrase cinematic fiction has now been generally accepted into critical discourse but is usually applied to post-war novels. This book asks a simple question: given their fascination with the new medium of film, did American novelists attempt to apply cinematic methods in their own writings? From its very beginnings, the cinema has played a special role in defining American culture. Covering the period from the 1910s up to the Second World War, *Cinematic Fictions* offers new insights into classics like *The Great Gatsby* and *The Grapes of Wrath*, discussing major writers' critical writings on film and active participation in film making. *Cinematic Fictions* is also careful not to portray cinema as a single or stable entity. Some novelists drew on silent film; others looked to the Russian theorists for inspiration; and yet others turned to continental film makers rather than to Hollywood. Film itself was constantly evolving during the first decades of the twentieth century, and the writers discussed here engaged in a kind of dialogue with the new medium, selectively pursuing strategies of montage, limited point of view, and scenic composition towards their different ends. Contrasting a diverse range of cinematic and literary movements, this will be

Gehring,2013-10-30 Back in the golden age of humor books late 1920s early 1950s when wits of the pantheon like Robert Benchley James Thurber and S J Perelman were producing their signature works there was another singular satirist who more than held his own with such fast company Will Cuppy 1884 1949 This factual funnyman s metier is dark comedy that flirts with nihilism His agenda is baldly stated in such classic Cuppy book titles as How to Be a Hermit 1929 How to Tell Your Friends from the Apes 1931 and The Decline and Fall of Practically Everybody 1950 This biography doubles as a critical study of a satirist whose shish kebabing of humanity was often done through the veiled anthropomorphic use of animals For a biographer Will Cuppy represents a treasure trove of possibilities He was a great humorist and most of his best work is still in print but until now he has never been the subject of a book length study His mesmerizingly complex and eccentric private life almost trumps the comic accomplishments of his public persona *LIFE* ,1945-12-03 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **Hiding in Plain Sight** Wendy Lesser,1993
