Feeding and Care of the Domestic and Long-Haired Cat Ellen V. Celty,2015-06-02 Excerpt from Feeding and Care of the Domestic and Long Haired Cat The owner of one or two cats if they be queens or neuters is not confronted with the problem of proper housing but should you find yourself with two or more males and several queens it then becomes necessary to give them proper quarters in which to live The building does not need to be elaborate but if possible should have a southern exposure well up from the ground plenty of windows as light and air are very essential Large roomy quarters for each male and do not attempt to house two males together Each room should be at least four by six feet with a wood floor covered with linoleum or any covering that can be scrubbed Rough wood floors not properly covered spoil the cats coat and make a good hatching place for flea eggs Attach to each room by a hole cut in the wall an outside run as large as space will permit I would suggest that this run be roofed as the hot sun plays havoc with the color of most of the long haired cats About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Persians and Other Long-Haired Cats World Book,2009 What does a Persian cat look like How did the Persian breed develop What kind of personalities do Persian cats have Read this book to find out Persians Joyce Markovics,2011-01-01 Persians are considered one of the oldest cat breeds They have always been prized for their long soft fur and beautiful looks Just take Gizmo who won Best in Show at the 2009 International Cat Show in Atlanta Georgia Her beautiful copper colored eyes fluffy fur and distinctive flat face wowed the judges so much that they awarded her first prize Not only are these cats beautiful but these puffballs also make great pets They are calm mild mannered and get along well with other cats dogs and children They are the purrfect addition to any family A narrative treat for all cat lovers Persians

Pet Grooming Angie Tracks, Cat Grooming Grooming is an essential aspect of caring for your cat extending far beyond aesthetics It plays a crucial role in maintaining your feline friend s overall health and well being While cats are naturally fastidious creatures that often handle much of their grooming on their own they still rely on you for additional care to ensure they remain healthy comfortable and happy The benefits of grooming your cat are numerous Regular grooming helps to remove loose hair and reduce shedding which is especially important for minimizing hairballs a common issue for many cats Grooming also allows you to identify potential health problems early such as skin irritations parasites or lumps which may otherwise go unnoticed By keeping their coat and skin in good condition grooming contributes to your cat s comfort and can even improve their mood

Dog Grooming At its core grooming is a preventive health measure Routine practices such as bathing brushing nail trimming and ear cleaning help maintain cleanliness while preventing the buildup of dirt debris and parasites Regular brushing not only keeps the coat tangle free but also distributes natural oils promoting a shiny and healthy coat Meanwhile nail trimming prevents painful overgrowth that can lead to walking difficulties or even joint issues Groomers are often the

first to notice warning signs of potential health problems such as skin infections unusual lumps or changes in behavior which can then be addressed promptly by a veterinarian For dogs grooming is also a matter of comfort Mats and tangles in their coat can pull painfully on the skin causing discomfort or even sores
