Long Road Winding A Question Of Pride:

Long Road Winding Robert K. Honea, 2001-09-13 A common man living in uncommon times in 1806 Plenny Oliver Cash was born into an established family of Virginia planters After his abusive father gambled away his inheritances the family would immigrate to Georgia in the 1820 s Losing his young wife and unborn child Plenny would become estranged from his older brother and would begin an odyssey that would continue until Sherman s advance on Atlanta caused him to reunite with his brother and return to DeKalb County During the ensuing years even as he battled the demons within he would become a sailor and railroad man Later he would remarry and father a family as he once again farmed the land While not a soldier he was a Union sympathizer who would be forced to take an active part in the war in support of the South After the Yankee army rampaged through North Georgia and departed Atlanta Plenny would become a leader in the fight against the Bummers that had flooded in on the coattails of the victorious Union army

The Long Road Home and Other Short Stories from the Silences in the Gospel of Mark James S. Lowry, 2013-05-17 Borrowing from the ancient rabbinic use of midrash as a means of opening Scripture to students James Lowry has chosen six texts from among those in which he believes Mark deliberately left silences The author is convinced Mark hoped his readers would be encouraged to raise a variety of possibilities as to what the evangelist left unsaid Beginning with Mark choosing not to name the temptations of Jesus Mark 1 12 13 and concluding with Mark choosing to conclude his narrative with the women leaving the tomb of Jesus in stunned silence Mark 16 8 Lowry spins short stories that suggest several alternative ideas as to how the biblical narrative might have played In half of the tales Lowry enters the text and adds fictitious material to Mark s narrative In the other half his stories are set in the small textile town of Great Falls South Carolina where the author grew up in the 1950s The hope is these stories will encourage readers of Mark and groups of his readers to raise other possibilities

The Spiritual Life Tyler G. Walton, 2021-12-08 In our modern selfie and soundbite society so many of us struggle with connection and self acceptance We rely on our keyboards and screens and masks that hide who we really are even from ourselves Rather than having character we become characters Rather than being grateful for what we have we feel entitled to all of it and more With this mindset it is easy to fool ourselves into thinking that we are fine the way we are and that they are the problem abdicating any responsibility for our failures or failings and remaining stuck in situations and circumstances that hurt ourselves and everyone around us Whether we re facing the rock bottom of homelessness and drug addiction or simply strained relationships with friends and loved ones an examination of our self defeating beliefs and habits can make a world of difference

The Spiritual Life Finding Freedom From Homelessness Hunger and Heroin takes readers on a journey from the depths of despair and dejection to the rejuvenation of a life worth living all through an inward focus that helps nurture and develop a healthier outward look
