Life Begins at Fifty Helen Carver, 2014-08-06 Twenty years from now you will be more disappointed by the things you didn't do than by the ones you did do Mark Twain Ever wondered if there must be more to life than this Ever thought It's now or never Ever wanted to travel the world Me too At the ripe old age of fifty I decided I wanted some fun I wanted to live rather than just exist I wanted some wild and whacky experiences to tell my grandchildren about in years to come So after years of feeling like a hamster in a wheel juggling work with children I rebelled in the most spectacular way I walked away from my job rented my house out went off travelling around the world for six months with my nineteen year old daughter and embraced a whole new way of life I hope you laugh as much as we did at the crazy things that happened to us and the madcap things we tried white water rafting skydiving hiking up glaciers jumping off waterfalls and posing naked in front of them to name a few I hope it makes you realise that you only get one life and now is the time to start living it doing what you really want to and enjoying every precious moment Follow your dreams you'll be amazed where they take you I did and my life has never been the same since For more information about *Life Begins at Fifty* please go to www.lifebeginsatfifty.info

The Sunday at Home, 1896 Chambers's Journal of Popular Literature, Science and Arts, 1854 The Chance Robyn Carr, 2019-08-12. From the author of the Virgin River series, the books the hit Netflix show is based on, share the joys, heartbreaks, challenges, and triumphs of the people who inhabit the small Oregon town of Thunder Point. With 1 New York Times bestselling author Robyn Carr, with its breathtaking vistas and down-to-earth people, Thunder Point is the perfect place for FBI agent Laine Carrington to recuperate from a gunshot wound and contemplate her future. The locals embraced Laine as one of their own after she risked her life to save a young girl from a dangerous cult. Knowing her wounds go beyond the physical, Laine hopes she'll fit in for a while and find her true self in a town that feels safe. She may even learn to open her heart to others, something an undercover agent has little time to indulge. Eric Gentry is also new to Thunder Point. Although he's a man with a dark past, he's determined to put down roots and get to know the daughter he only recently discovered.
