

An aerial photograph of a river winding through a forest. The river is a light brown color, contrasting with the surrounding green and yellow foliage. The river flows from the top left towards the bottom right, with several bends. The forest is dense, and the colors suggest an autumn setting. The river's path is highlighted by the lighter color of the water against the darker green of the trees.

or looking back. We're moving
forward again, but we'll never
forget what's back there behind us.
