Shelves clogged with leaves resist physical melting except as the start of extinguished flame peeling places of selves we thought were ringing rigid like a temple but it's just a plate of dander corresponding to a subtle wheeze directive toward the window. Where the wire sings the pigeon fingers like the yellow wisps of snow. Shelves. Sheila Murphy and John M. Bennett

Stuart Ross, 2003-06-20 This book spans nearly 25 years in the career of one of Canada's most original poetic voices. Poems are drawn from Stuart Ross's three ECW books as well as previously uncollected work from chapbooks, postcards, and leaflets, and a selection of new poems appearing in print for the first time. SELECT POEMS John M. Bennett, 2016 Poetry Visual Poetry A selection from over 40 years of Bennett's work introduced by Ivan Argüelles. Where to begin writing about this baffling and certainly most avant garde of all poets living and working in the USA today? Bennett's reputation is international and his interest in Mesoamerican culture has drawn him frequently to that part of the world where he is a recognized figure. His experimentations over the years have encompassed multiple techniques including visual poetry and his own polyglottery moving in and out of English, Spanish, Portuguese, French, or some Mesoamerican language. What may seem aleatory is in fact more intentional and grounded than is first apparent. Bennett has roots in traditional literatures: those of Siglo de Oro Spain and of Elizabethan England, but he is capable of transducing those literatures, metamorphosing them by way of the avant garde movements of the 20th century into something utterly innovative and new such as few contemporary artists have done. **Small Press Review**, 1998

The work here shows a tidal constancy, a rhythmic evolution that dazzles and pulls. *Literary Magazine Review*, 2005 Dictionary of International Biography ..., 2003 A biographical record of contemporary achievement together with a key to the location of the original biographical notes.
