study which crosses continents languages and almost a century Gregory Woods identifies the ways in which homosexuality has helped shape Western culture Extending from the trials of Oscar Wilde to the gay liberation era this book examines a period in which increased visibility made acceptance of homosexuality one of the measures of modernity Woods shines a revealing light on the diverse informal networks of gay people in the arts and other creative fields Uneasily called the Homintern an echo of Lenin s Comintern by those suspicious of an international homosexual conspiracy such networks connected gay writers actors artists musicians dancers filmmakers politicians and spies While providing some defense against dominant heterosexual exclusion the grouping brought solidarity celebrated talent and in doing so invigorated the majority culture Woods introduces an enormous cast of gifted and extraordinary characters most of them operating with surprising openness but also explores such issues as artistic influence the coping strategies of minorities the hypocrisies of conservatism and the effects of positive and negative discrimination Traveling from Harlem in the 1910s to 1920s Paris 1930s Berlin 1950s New York and beyond this sharply observed warm spirited book presents a surpassing portrait of twentieth century gay culture and the men and women who both redefined themselves and changed history *New Approaches to Translation, Conflict and Memory* Lucía Pintado Gutiérrez, Alicia Castillo Villanueva, 2018-10-10 This interdisciplinary edited collection establishes a new dialogue between translation conflict and memory studies focusing on fictional texts reports from war zones and audiovisual representations of the Spanish Civil War and the Franco Dictatorship It explores the significant role of translation in transmitting a recent past that continues to resonate within current debates on how to memorialize this inconclusive historical episode The volume combines a detailed analysis of well known authors such as Langston Hughes and John Dos Passos with an investigation into the challenges found in translating novels such as *The Group* by Mary McCarthy considered a threat to the policies established by the dictatorial regime and includes more recent works such as *El tiempo entre costuras* by Mar a Due as Further it examines the reception of the translations and whether the narratives cross over effectively in various contexts In doing so it provides an analysis of the landscape of the Spanish conflict and dictatorship in translation that allows for an intergenerational and transcultural dialogue It will appeal to students and scholars of translation history literature and cultural studies
