Robinson,2018-12-12 In the years following the landmark United States Supreme Court decision on libel law in *New York Times v Sullivan* the court ruled on a number of additional cases that continued to shape the standards of protected speech As part of this key series of judgments the justices explored the contours of the *Sullivan* ruling and established the definition of reckless disregard as it pertains to actual malice in the case of *St Amant v Thompson* While an array of scholarly and legal literature examines *Sullivan* and some subsequent cases the *St Amant* case once called the most important of the recent Supreme Court libel decisions has not received the attention it warrants Eric P Robinson's *Reckless Disregard* corrects this omission with a thorough analysis of the case and its ramifications The history of *St Amant v Thompson* begins with the contentious 1962 U S Senate primary election in Louisiana between incumbent Russell Long and businessman Phil A St Amant The initial lawsuit stemmed from a televised campaign address in which St Amant attempted to demonstrate Long's alleged connections with organized crime and corrupt union officials Although St Amant's claims had no effect on the outcome of the election a little noticed statement he made during the address that money had passed hands between Baton Rouge Teamsters leader Ed Partin and East Baton Rouge Parish deputy sheriff Herman A Thompson led to a defamation lawsuit that ultimately passed through the legal system to the Supreme Court A decisive step in the journey toward the robust protections that American courts provide to comments about public officials public figures and matters of public interest *St Amant v Thompson* serves as a significant development in modern American defamation law Robinson's study deftly examines the background of the legal proceedings as well as their social and political context His analysis of how the Supreme Court ruled in this case reveals the justices' internal deliberations shedding new light on a judgment that forever changed American libel law **The Tribune Almanac and Political Register** John Fitch Cleveland,F.
