Love Between Equals How Peer Marriage Really Works:

Love Between Equals Pepper Schwartz,1995-09-06 any couple contemplating marriage or reevaluating an existing one will find powerful information and encouragement here for a true marriage of minds Kirkus Reviews Pepper Schwartz is remarkable She explains to us the possibilities for relationships that remain for so many a fantasy This book is a necessity for anyone who wants to understand how partnerships work but more importantly wants to really love Wendy Wasserstein Playwright author of *Isn't It Romantic* *The Heidi Chronicles* and *The Sisters Rosensweig* [Peer Marriage](#) Pepper Schwartz,1994 In a book based on more than 100 probing interviews with couples the bestselling author of *American Couples* *Money Work and Sex* uncovers the hidden pitfalls drastic changes and unsuspected astonishing rewards experienced by truly equal partners in a marriage **The Research Imagination** Paul S. Gray,John B. Williamson,David A. Karp,John R. Dalphin,2007-08-13 The idea that science is a blueprint for research and imagination gives research its life and purpose inspired this comprehensive explanation of research methodology The authors decades of experience have revealed that research is a craft requiring judgment and creativity not simply memorization and application of the rules of science Whether one is conducting an intimate one on one interview or a large scale examination of an entire society human imagination and scientific principles of inquiry go hand in hand To that end this book emphasizes scientific method but also acknowledges its critics It covers a wide variety of data collection techniques but presents them as reinforcing rather than competing with one another thus striking a balance between qualitative and quantitative methods It is designed for students and instructors who want a comprehensive treatment of a variety of research techniques with special emphasis on qualitative approaches

Families Alex Liazos,2015-12-03 Unlike other family textbooks that mostly emphasize conflicts and problems this book also features the joys and pleasures of family living and its mutually nourishing qualities Its perspective reflects polls surveys and student essays indicating that most people value their families Families everywhere provide love support and sustenance to their members but they do so in many different arrangements Understanding the wide variety of families historically and across cultures gives the student a better basis for understanding how families change and a better grasp of more controversial changes such as the gradual acceptance by Westerners of same sex marriage and child rearing by single people Liazos offers two poignant chapters not found in other texts Family Living Chapter Six focuses on the social value of caregiving and family meals Kin and Community Chapter Seven focuses on relationships among kin and the larger community [A Model for Marriage](#) Jack O. Balswick,Judith K. Balswick,2006-10-05 Jack and Judy Balswick offer a vision of marriage that is both profoundly spiritual and thoroughly practical for the twenty first century [Balancing Family and Work](#) Toni Schindler Zimmerman,2001 Offers therapists ideas for helping clients and themselves balance family life and work Explores both theoretical and immediately applicable ideas for helping clients achieve and improved balance between work life and family life Examines a national study of dual earner couples caring for children and aging parents and the behavioral

accommodations they make at home assesses the impact of relocation on family work life brings diversity issues to the forefront assesses the impact of dominant metaphors about personhood and family Handbook of Clinical Issues in Couple Therapy Joseph L. Wetchler, 2011-03 Handbook of Clinical Issues in Couple Therapy is a comprehensive overview of emerging issues that impact couple therapy all in a single volume While other guides concentrate more on the approaches themselves this invaluable source provides the latest research and perspectives every clinician needs when dealing with challenging issues often found in practice Practitioners get a clear view of the aspects of problems they must consider to be most effective when providing therapy to couples The text is fully referenced *Family Life Education* Carol A. Darling, Dawn Cassidy, Sharon M. Ballard, 2022-06-29 Contemporary family life educators operate within a wide range of settings and with increasingly varied populations and families In the fourth edition of Family Life Education Carol Darling and Dawn Cassidy are pleased to have Sharon Ballard join in the process of exposing readers to the diverse landscape of the field while laying a comprehensive research based and practical foundation for current and future family life educators The authors who are CFLE Certified consider the Certified Family Life Educator credential requirements of the National Council on Family Relations throughout the text Their broad overview of the field includes a brief history and discussion of family life education as an established profession New to this edition is the inclusion of several models that provide insight into the discipline and practice There is expanded information about working with diverse audiences and the skills needed to be a culturally competent family life educator The addition of the personal experiences and reflections of 17 family life educators working in a variety of settings provides a meaningful context to the continuing evolution and importance of family life education in society The authors incorporate theory research and practice while also providing guidelines for planning implementing and evaluating family life education programs Content on sexuality education relationship and marriage education and parenting education highlights some of the more prevalent trends and visible forms of family life education Comments from 35 international colleagues representing 27 countries and 6 continents facilitate understanding the role of family life education in various international settings The provision of interactive classroom exercises focuses on building awareness appreciation of diversity and global trends Discussion questions and activities encourage readers to examine issues and apply what they have learned Halving It All Francine Deutsch, 2000-04-07 The best way to have it all both a full family life and a career is to halve it all That s the message of Francine Deutsch s refreshing and humane book based on extensive interviews with a wide range of couples Deutsch casts a skeptical eye on the grim story of inequality that has been told since women found themselves working a second shift at home She brings good news equality based on shared parenting is possible and it is emerging all around us Some white collar fathers achieve as well as talk about equality and some blue collar parents work alternate shifts to ensure that one parent can always be with the children Using vivid quotations from her interviews Deutsch tells the story of couples who share parenting equally and some who don t The differences between the groups are not in

politics education or class but in the way they negotiate the large and small issues from whose paid job is important to who applies the sunscreen With the majority of mothers in the workforce parents today have to find ways of sharing the work at home Rigid ideas of good mothers and good fathers Deutsch argues can be transformed into a more flexible reality the good parent Halving It All takes the discussion beyond shrill ideological arguments about working mothers and absent fathers Deutsch shows how with the best of intentions people perpetuate inequalities and injustices on the home front but also and more important how they can devise more equal arrangements out of explicit principles or simply out of fairness and love

Cross-Border Marriages Nicole Constable, 2010-08-03 Illuminating how international marriages are negotiated arranged and experienced *Cross Border Marriages* is the first book to chart marital migrations involving women and men of diverse national ethnic and class backgrounds The migrations studied here cross geographical borders of provinces rural urban borders within nation states and international boundaries including those of China Japan South Korea India Vietnam the Philippines the United States and Canada Looking at assumptions about the connection between international marriages and poverty opportunism and women s mobility the book draws attention to ideas about global patterns of inequality that are thought to pressure poor women to emigrate to richer countries while simultaneously suggesting the limitations of such views Breaking from studies that regard the international bride as a victim of circumstance and the mechanisms of international marriage as traffic in commodified women these essays challenge any simple idea of global hypergamy and present a nuanced understanding where a variety of factors not the least of which is desire come into play Indeed most contemporary marriage scapes involve women who relocate in order to marry rarely is it the men But Nicole Constable and the volume contributors demonstrate that contrary to popular belief these brides are not necessarily poor nor do they categorically marry men who are above them on the socioeconomic ladder Although often women may appear to be moving up from a less developed country to a more developed one they do not necessarily move higher on the chain of economic resources Complicating these and other assumptions about international marriages the essays in this volume draw from interviews and rich ethnographic materials to examine women s and men s agency their motivations for marriage and the importance of familial pressures and obligations cultural imaginings fantasies and desires in addition to personal and economic factors Border crossing marriages are significant for what they reveal about the intersection of local and global processes in the everyday lives of women and men whose marital opportunities variably yield both rich possibilities and bitter disappointments

Transcending the Boundaries of Law Martha Albertson Fineman, 2010-07-12 *Transcending the Boundaries of Law* is a ground breaking collection that will be central to future developments in feminist and related critical theories about law In its pages three generations of feminist legal theorists engage with what have become key feminist themes including equality embodiment identity intimacy and law and politics Almost two decades ago Routledge published the very first anthology in feminist legal theory *At the Boundaries of Law* M A Fineman and N Thomadsen eds 1991 which marked an important conceptual move away from the study of women in law prevalent in the 1970s and 1980s The scholars in *At the Boundaries* applied feminist methods and theories in examining law and legal institutions thus expanding upon work in the Law and Society tradition This new anthology brings together some of the original contributors to that volume with

scholars from subsequent generations of critical gender theorists It provides a retrospective on the past twenty five years of scholarly engagement with issues relating to gender and law as well as suggesting directions for future inquiry including the tantalizing suggestion that feminist legal theory should move beyond gender as its primary focus to consider the theoretical political and social implications of the universally shared and constant vulnerability inherent in the human condition **At the Heart of it** Walt Harrington,1996 Delving into the everyday lives of real everyday people Walt Harrington skillfully draws the reader into an intimate relationship with the men and women profiled in this powerful collection of stories people like V I Smith a homicide detective Deane Guy a stock car racer Jackie Jordan a social worker in family services and Sheri D Amato a girls soccer coach Originally appearing in the Washington Post Magazine these stories which capture a cross section of Americans stand out in the field of journalism because of the unique way in which Walt Harrington uses unheralded individual lives to elaborate on the great human issues of the day In Mothers and Daughters three generations of women discuss how society affected the choices they made and who they became The Mystery of Goodness follows a Harvard educated lawyer who handles death row cases for very little money because he feels the system is unfair to African Americans In To Have and Have Not a young couple with two small children struggle to make ends meet Harrington describes in detail the creation of a poem by Rita Dove then United States Poet Laureate in The Shape of Her Dreaming Harrington has adeptly combined sociology and journalism into beautiful prose As literary journalism the stories employ scene dialogue and physical description within a narrative framework At the same time they also adhere to all the traditional journalistic standards of accuracy fairness and balance As a result At the Heart of It represents a subgenre that is rarely practiced and seldom understood even within the profession of journalism All of these stories are snapshots pieces of everyday life in America that are intended to be a mirror held to the lives of readers These are not stories about which you can remain neutral even the most casual readers will be moved by the glimpses Walt Harrington provides us of ourselves

Understanding Marriage Patricia Noller,Judith A. Feeney,2002-09-26 This edited volume draws together a wide range of exciting developments in the study of marital interaction A significant feature of the book is its focus not only on conflict and negative interactions but also on the processes by which couples maintain happy and constructive relationships The chapters review and integrate the extensive literature in this area as well as presenting important research findings The contributors come from the disciplines of communication social psychology and clinical psychology and have national and international reputations for their work in this area The findings reflect developments in theory and methodology and have important implications for those working to strengthen and repair marital relationships **For Better or For Worse** Hung Cam Thai,2008-02-20 Marriage is currently the number one reason people migrate to the United States and women constitute the majority of newcomers joining husbands who already reside here But little is known about these marriage and migration streams beyond the highly publicized and often sensationalized phenomena of mail order and military brides Less commonly

known is that most international couples are immigrants of the same ethnicity In *For Better or For Worse* Hung Cam Thai takes a closer look at marriage and migration with a specific focus on the unions between Vietnamese men living in the United States and the women who marry them Weaving together a series of personal stories he underscores the ironies and challenges that these unions face He includes the voices of working class immigrant men dealing with marginalization in their adopted country These men speak about wanting traditional wives who they hope will recognize their gendered authority Meanwhile young Vietnamese college educated women undesirable to bachelors in their own country who are seeking subservient wives express a preference for men of the same ethnicity but with a more liberal outlook on gender men they imagine they will find in the United States A sense of foreboding pervades the book as Thai captures the incompatible viewpoints of the couples who appear to be separated not only geographically but ideologically

Equal Partners - Good Friends Claire Rabin, 2002-09-11 Examines connection between inequality in marriage and marital distress drawing on extensive research and interviews Focusing on issues of gender sex roles and power Rabin provides a new clinical treatment model for couple therapists

Recreating Partnership Phillip Ziegler, Toby Hiller, 2001-07-31 All couples go through challenging times some survive and thrive others don't How can we understand and use this distinction in the practical application of therapy In their solution oriented competency based approach to couples therapy Phillip Ziegler and Toby Hiller answer this question In *Recreating Partnership* an innovative theoretically sound and practical handbook for clinicians Ziegler and Hiller present a bold and clinically useful concept the good story bad story dichotomy The book shows clinicians how to use this narrative concept in conducting effective and efficient relationship therapy that will help couples build solutions collaboratively invigorate partnership and thrive each in their own unique ways The book covers issues such as establishing rapport with antagonistic partners developing therapeutic goals hosting conversations that reinvigorate the couple's good story how when and whether to offer task assignments addressing issues such as domestic violence and how to bring therapy to a close as well as many cogent and helpful transcripts Written for psychologists social workers marriage and family therapists and anyone who works with couples *Recreating Partnership* will be exciting and useful to both the novice and experienced practitioner
