Love Is An Everyday Thing:

Love is an Everyday Thing Colleen Townsend Evans, 1974 **Love Is a Burning Thing** Nina St. Pierre, 2024-05-07 A riveting memoir about a daughter's investigation into the wirings of her loving unpredictable mother a woman who lived her life in pursuit of the divine and who started two big fires decades apart Ten years before Nina was born her mother lit herself on fire in a dual suicide attempt During her recovery in the burn unit a nurse initiated her into Transcendental Meditation From that day on her mother's pain became intertwined with the pursuit of enlightenment Growing up Nina longed for a normal life instead she and her brother were at the whims of their mother who chased ascension up and down the state of California swapping out spiritual practices as often as apartments When they finally settled at the foot of a mountain reputed to be cosmic in Northern California Nina hoped life would stabilize But after another fire and a tragic fallout she was forced to confront the shadow side of her mother's mystical narratives With obsessive dedication Nina began to knit together the truth that would eventually release her In *Love Is a Burning Thing* Nina interrogates what happens to those undiagnosed and unseen This is a transfixing moving portrait of a mother daughter relationship that also examines mental health stigma poverty and gender and the role that spirituality plays within each Nina's writing skirts the mystical untangles it and ultimately illuminates it with brilliance

With Love, All Things Are Possible Anna Hartt, 2024-09-22 In our struggling world we are responsible to bring God's love and Christ's light into a world that seems to have forgotten this task to foster more secular responses to the world's problems Many of us try to do everything by ourselves and soon realize we cannot do much without God's help This book speaks to real life issues that need our individual and national attention The needs of our children the sacrifices of the military struggling families the power of prayer the importance of mission work ubuntu possibilities to solve problems core values in the Word the value of Christian holidays and the effects of COVID on ourselves the nation and the world Fears and doubts are not answers to our problems but all things are possible with love With her own prayers poems and philosophies and various Biblical texts the author encourages all to see that with Jesus Christ's love light hope peace and grace all things are possible when we open our hearts to God and others Creating a beautiful world for us God gave us free will so that we might grow in the wisdom of His Word and laws We must love one another and be Christ with flesh on Anger hatred violence and malicious words will not create a better world only love can COVID taught us that we are because of so many people Americans and the nation have been given much and with that abundance much is expected of us

The Life of Things, the Love of Things Remo Bodei, 2015-04-01 From prehistoric stone tools to machines to computers things have traveled a long road along with human beings Changing with the times places and methods of their production emerging from diverse histories and enveloped in multiple layers of meaning things embody ideas emotions and symbols of which we are often unaware The meaning of thing is richer than that of object which is something that is manipulated with indifference or according to impersonal technical procedures Things also differ from merchandise objects that can be sold or

exchanged or seen as status symbols Things in the philosophical sense are nodes of relationships with the life of others chains of continuity among generations bridges that connect individual and collective histories junctions between human civilizations and nature Things incite us to listen to reality to make them part of ourselves giving fresh life to an otherwise suffocating interiority Things also reveal the hidden aspect of a subject in its most secret and least explored side Things are the repositories of ideas emotions and symbols whose meaning we often do not understand In an unexpected but coherent journey that includes the visions of classic philosophers from Aristotle to Husserl and from Hegel to Heidegger along with the analysis of works of art Bodei addresses issues such as fetishism the memory of things the emergence of department stores consumerism nostalgia for the past the self portraits of Rembrandt and Dutch still lifes of the seventeenth century The more we are able to recover objects in their wealth of meanings and integrate them into our mental and emotional horizons he argues the broader and deeper our world becomes

Love Understood Laura Mucha, 2019-01-29 For *Love Understood* almost 200 strangers in over 40 countries have come together to share their most personal stories feelings and insights about love These are incredibly frank intimate and illuminating conversations and author Laura Mucha has used these rare and varied insights as a springboard from which to dive into the subject of love scrutinizing it from all angles scientific psychological emotional and philosophical Romantic love is something that poets and artists have been trying to explain and define for centuries but it s still one of the most complicated and intimidating terrains to navigate specially when you re directly involved Psychologists see it as a basic human drive yet most people are afraid to be open and honest about it until now Each chapter begins with a personal story from someone Laura has spoken with and then goes on to explore the questions and themes that have arisen from the account intertwining the opinions of other interviewees with the empirical findings and insights of academics The interviews allow readers to connect with people of all backgrounds cultures and ages Sometimes they ll empathize sometimes they ll be challenged and at other times they ll find comfort *Love Understood* combines academic theory with everyday experience and is for anyone who is curious about how we as humans work when it comes to romantic love

Driven by Love Emmanuel Nester, 2016-02-12 Going from being the boy who walks

on water in everyone's eyes the boy loved by everyone in the community and the pride of his father's family to being evil incarnate the great Satan A snake to have its head cut off So much was invested in this boy for him to stay on a path that was walked by his family for many generations In the eyes of everyone around him taking this path was the only right thing to do There was no other way In this environment taking a different path meant being lost Regardless of the consequences Emmanuel made a decision to choose a different path after a great encounter with someone far greater than his family and friends This decision was the start of a new life for Emmanuel for the first time he experienced treatment that was only reserved for enemies in his community Sometimes the right path is not the easiest one but it is worth it *Extravagant Love* Carole Engle Avriett, 2023-04-11 Have you ever been loved with skimpy love Or has your love for someone else seemed to shrivel Enter the world of God's extravagant love It is beyond measure Careful study of God's Word along with delving into ancient customs and symbols from Biblical times helps us understand His passionate love for all He has created Sometimes extravagance is found in the simple things of daily life We usually think of extravagance as spending excessively on material goods So to use that term for an itinerant teacher who had only one change of clothes and depended on others for food and a place to lay his head seems a stretch Yet Jesus was the most extravagant person who ever lived To understand that we have to revise our notion of extravagance focusing on intangible qualities like thoughtfulness caring and humility In this remarkably imaginative book Carole Engle Avriett guides you through the agriculture diet and commerce of Jesus's culture to shed new light on God's nature Reading it you will gain a deeper understanding of God's love a love of astonishing extravagance *Love Storm* Julia E. The Greatest Love Story Never Told Richard Orion,2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps should've remained a secret The first book related to this love story was a book of poems entitled Somewhere Sometime Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps
