poacher dreams of something more than the life she leads cleaning the houses of her wealthy neighbours When opportunity comes knocking she leaps at the chance to take a waitressing job in the nearby town of Kentville forever changing the arc of her life Soon after arriving in Kentville to work at Sadie s Restaurant she meets William Lockhart An aspiring architect and admirer of Shakespeare William sweeps her off her feet and their romance blooms with first love quickness and intensity Though they have only been seeing each other for a few months the lovers envision a future together But Celeste s bright dreams of a happy life with William are cast under an ominous cloud when he joins the Princess Patricia s Canadian Light Infantry a regiment of the Canadian army hoping that a short stint in the military will help him further his career in the future Celeste s worst fears are realized when William is sent off to fight in the Korean War and she learns that she is pregnant with his child Set against the backdrop of small town Canada and the Korean War this sweeping family saga gives voice with compelling sensitivity and grace to the cascading effects of loss and hardship across generations and how hope love and the enduring power of family bonds can lift people up in the lowest moments of their lives All the stars lost among us Karthik S K,2023-02-12 Diya had it all a lavish lifestyle a successful career and loving parents But when a tragedy strikes and takes it all away her life is changed forever Sanjay an NRI in India is struggling with a past that haunts him and finds solace in the company of his two beloved pet cats Snow and Luca Plagued by their own demons the two fight to maintain their grip on reality as their mental health steadily deteriorates No matter how hard they try to escape their troubled past fate conspires to bring them back to the source of their pain Haunted by self blame and regret for mistakes made in ignorance Sanjay and Diya find themselves consumed by a never ending cycle of repentance and self doubt But when a twist of fate brings them together their secret past resurfaces threatening their very existence and relationship As they uncover the truth Diya and Sanjay realize that their imperfections may not lead to perfection Will their relationship survive the test of love and will their broken hearts mend into a bond that lasts forever Only time will tell in this story about love loss and the power of second chances **Living In America** Roshni Rustomji-kerns,2018-02-19 This anthology shows the influences of Western literature and the Western literary traditions especially as they exist in world literature written in English It contains stories and poems dealing with South Asian American experiences and presents the evocative themes of love loss and exile **Kindred Spirits** Anne Benvenuti,2021-06 In Kindred Spirits Anne Benvenuti visits with individuals and groups working in animal conservation rescue and sanctuary programs around the world We meet not only cats and dogs but also ravens elephants cheetahs whales farm and circus animals monkeys even bees A psychologist and storyteller Benvenuti focuses on moments of transformative contact between humans and other animals portraying vividly the resulting ripples that change the lives of both animals and humans Noting that we are all biologically members of one animal family she expertly weaves emergent understandings of animal and human neurobiology showing that the ways in which other animals feel and think are actually similar to humans Love grief fear rage sadness curiosity play these are shared by us all a

key insight of affective neuroscience that informs Benvenuti's perceptions of human-animal relationships. She effortlessly drops clues to understanding human motivation and behavior into her narratives and points to ways in which we all, other animals and humans alike, must come up with creative responses to problems such as climate change. As we travel with her to both backyard and far-flung locations, we experience again and again the surprising fact that other animals reach back to us with curiosity, interest, even care. Benvenuti writes for the animal-loving public but also for anyone who loves a good story or is interested in ecology, animal welfare, psychology, or philosophy. **Northern Stars** Glenn Grant, David G. Hartwell, 2017-03-21

From the earliest days of modern science fiction, Canada has given readers some of the most important authors in the field, and many of the finest stories. World Fantasy Award-winning editor David G. Hartwell has teamed up with Canadian writer and critic Glenn Grant to compile *Northern Stars*, an anthology of stories by the writers who have built Canada's rich science-fiction tradition. Now in paperback for the first time, *Northern Stars* is the definitive overview of science-fiction's northern frontier, a valuable addition to any fan's library. Contributors include Joel Champetier, Lesley Choyce, Michael G. Coney, Charles de Lint, Candace Jane Dorsey, Dave Duncan, James Alan Gardner, William Gibson, Phyllis Gotlieb, Glenn Grant, Terence M. Green, Eileen Kernaghan, Donald M. Kingsbury, Judith Merril, Yves Meynard, John Park, Claude Michel Prevost, Garfield Reeves Stevens, Spider Robinson, Esther Rochon, Robert J. Sawyer, Daniel Sernine, Heather Spears, Jean-Louis Trudel, Elisabeth Vonarburg, Peter Watts, Andrew Weiner, Robert Charles Wilson. Library of Congress. Copyright Office, 1962 **A Part, Yet Apart** Lavina Dhingra Shankar, Rajini Srikanth, As people from the cultures of the Indian subcontinent increasingly participate in the complex and often heated debates about race and ethnicity in the United States, they confront questions about naming and claiming an identity that designates their group in this country. To be sure, claiming any single identity omits, perhaps threatens to obliterate the significant political, historical, economic, and religious differences between their countries of origin. However, the term South Asian is growing in acceptance among people in this country who trace their heritage to India, Pakistan, Sri Lanka, Bhutan, Bangladesh, Nepal, and Maldives because it acknowledges common interests while it allows for difference. This construction process parallels the gradual acceptance of the term Asian American by peoples primarily of East and Southeast Asian ancestry who found abundant reason to claim a shared identity in dealing with officialdom and an apparently intractable racism in this country. In time, Asian American has become a designation of collective pride for a wide range of peoples. In academic institutions and society generally, there are vexed questions about the term's inclusiveness and the dominance of established groups over more recent ones. *A Part Yet Apart: South Asians in Asian America* concerns itself with the extent to which South Asian Americans are and ought to be included within Asian America as that term is applied to academic programs and admission policies, grassroots community organizing and politics more broadly, and critical analyses of cultural products. Taken together, these

essays form a spirited dialogue on the dilemmas of identity politics coalition building and diasporics Author note Lavina Dhingra Shankaris Assistant Professor of English at Bates College Maine Rajini Srikanthis Adjunct Professor of American Studies at Tufts University Massachusetts **Love-life in Nature** Wilhelm Bölsche,1926 Under the cedars and the stars Patrick Augustine Sheehan,1910 *Dancers Amongst The Stars* Janny Juddly The Therapist n my Pocket,2015-01-09 This is a very particular kind of self help book It is a book of remembering Our journey is a spiritual one even if we do not always realise it We humans spend a lot of time trying to work out who we are looking for meaning searching for the big picture Through a series of beautifully evocative and moving stories uplifting poems and insightful observational pieces you are invited to rediscover the truth of who you really are As a lecturer in Dynamic Therapy the author s particular area of research and expertise has been the mind body soul connection as underpinned by the latest research in neuroscience and quantum physics As a therapist mindfulness coach and energy worker in private practice her work has involved integrating this knowledge with leading edge thinking on spirituality the workings of the human psyche the impact of our developmental history and the power of intention and the unconscious mind upon our experienced reality Her goal is to incorporate this into her own understanding of the spiritual journey as an awakening woman The stories poems and real life vignettes in this book are an invitation to you as a fellow traveler and spiritual seeker to see through compassionate eyes where you have come from the amazing path you are embarked upon and to view your experience of living this life which is unique to you alone from the perspective of who you really are a magnificent spiritual being of light and love and power living a purposeful human experience Leaping to the Stars David Gerrold,2019-07-16 No longer able to return to his home on Earth Charles Dingillian and his two brothers must choose a new planet to call home But which one Charles has come into possession of a prototype HARLIE unit so revolutionary and state of the art that corporations will stop at nothing including murder to control it Earth is in a state of social and economic meltdown The battle for domination between rival corporations has gone interplanetary Charles has been at war before only that was a personal civil war waged between him and his parents In an effort to end the strife once and for all thirteen year old Charles took the drastic step of divorcing his parents He and his brothers are now free to do what they choose Freedom for Charles and his brothers means passage on a starship to a colony Outbeyond There they will use HARLIE to help build a better world But freedom also means exile From his home From his friends From everything he has ever known And even his chance for a new life on a remote planet is put in jeopardy when a critical malfunction with the HARLIE unit seemingly threatens the integrity of the voyage However a faction of passengers on board the Brightliner Cascade may pose an even greater risk A risk not even an intelligence as powerful as a HARLIE unit can avert
