Maigret Et La Vieille Dame:

Maigret Et la Vieille Dame. Maigret and the Old Lady. Translated ... by Robert Brain Georges Simenon,1958

Maigret's World Murielle Wenger,Stephen Trussel,2017-09-13 Georges Simenon s 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself *Maigret and the Old Lady* Georges Simenon,2017-02-28 A writer as comfortable with reality as with fiction with passion as with reason John Le Carr Inspector Maigret takes a case from a lively old widow whose maid has been poisoned The inexplicable murder of the wealthy Valentine Besson s maid leads the older woman to believe that she herself was the intended target Inspector Maigret undertakes the investigation meeting Mrs Besson s dysfunctional family and a cavalcade of suspects As he delves into the case Maigret must unravel a tangled web of family politics and confront Valentine s stepsons who may be harboring dark secrets of their own **Maigret et la vieille dame** Georges Simenon,1974 **Maigret, Simenon and France** Bill Alder,2012-12-10 Georges Simenon 1903 1989 was a phenomenally successful author of crime fiction His 75 Maigret novels and 28 Maigret short stories were published between 1931 and 1972 to great international acclaim he is the only non anglophone crime writer to have achieved such renown His Maigret stories are regarded by many as having established a new direction in crime fiction emphasizing social and psychological portraiture rather than focussing on a puzzle to be solved or on action This book examines the importance of social class and social change in the Maigret stories giving a particular emphasis to the early formative novels and the development of plot characterization and setting The author seeks to establish the extent to which Simenon s portrait of French society is historically accurate and the nature of the influence of the author s own class position and ideology on his fiction Investigating Simenon Russell Campbell,2022-09-21 For nearly a century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide This investigation situates Simenon s work in its historical context and interprets it as a reaction to shifting gender relations in Western society Simenon s compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon s pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works The National Union Catalog, Pre-1956 Imprints Library of Congress,American Library Association.
