ancien regime to 1870 It then considers the history and activities of the secret services during the following periods the Third Republic the Second World War the Fourth Republic and the Fifth Republic firstly between 1958 and 1981 and then during the 1980s and 1990s including the Greenpeace Affair This is an essential reference tool for all those interested in the history of intelligence agencies and national security in general and in the development of the French secret services in particular

Gender and French Identity after the Second World War, 1944-1954 Kelly Ricciardi Colvin,2017-09-07 The enfranchisement of women in Charles de Gaulle's France in 1944 is considered a potent element in the nation's self crafted triumphant World War Two narrative the French conquered by the Germans valiantly resisted until they rescued themselves

and built a new democracy honoring France's longstanding liberal traditions Kelly Ricciardi Colvin's *Gender and French Identity* after the Second World War 1944-1954 calls that potent element into question By analyzing a range of sources including women's magazines, trials, memoirs, and spy novels, this book explores the ways in which culture was used to limit the power of the female vote. It exposes a wide network of constructed behavioral norms that supported a conservative vision of French identity. Taken together, they depicted men as virile Resistors for French democracy and history and women as solely domestic support. Indeed, Colvin shows that women's access to the vote emerged alongside an explosion of cultural messages that encouraged them to retreat into the home to find mates to have millions of beautiful babies in the words of de Gaulle and not to challenge patriarchy in any way. This is a vital study for understanding the nature of postwar France and women's history in 20th century Europe.

Defying Vichy Robert Pike, 2018-11-28 Defying Vichy takes us into the heart of the French Resistance, the Dordogne region, in this moving account of the darkest and brightest period in French history. Matthew Cobb, author of *The Resistance: Vichy France under Marshal Pétain*, was an authoritarian regime that sought to perpetuate a powerful place for France in the world alongside Germany. It echoed the right wing ideals of other fascist states and was a perfect instrument for Hitler who drew more and more power and resources from a beaten France whose people suffered. Resistance was an unknown until a small number sought to make a stand in whatever way they could. Each would play their part in destabilising the Vichy state all the while rejecting the Nazi occupation of their eternal France. The Dordogne was one of many hotbeds of early refusal and its dramatic stories are here told against the backdrop of the rise and fall of Vichy France. These stories, like so many others of often ordinary people, men and women, young and old, tell of a period of betrayal, refusal, and heroism.

Mission Europe Kate Vigurs, 2025-05-13 The remarkable history of the women who worked for Special Operations Executive across occupied Europe. In the wake of the Nazi invasion of Europe, the tentative sparks of resistance in occupied countries were fanned by Britain's Special Operations Executive. Across the continent, SOE recruited women to set Europe ablaze. Working as secret agents and saboteurs, these individuals bolstered resistance from within and provided much-needed support and weapons. F Section's actions in France are renowned, and today some operatives have become household names. But what happened to the women who worked outside France and those who were locally recruited? In this gripping account, Kate Vigurs tells the stories of the lesser-known women who worked across Europe, from the Netherlands to Belgium and Poland to Denmark. She explores too the lives of Jewish agents recruited in Mandate Palestine for missions in Eastern Europe. These are stories of trial and error, escape, and even execution. *Mission Europe* examines why women were recruited, analysing their successes and contributions and celebrating the ordinary women who did extraordinary things.
