**Apropos of Something** Elisa Tamarkin, 2022-07-27 A history of the idea of relevance since the nineteenth century in art criticism philosophy logic and social thought Before 1800 nothing was irrelevant So argues Elisa Tamarkin s sweeping meditation on a key shift in consciousness the arrival of relevance as the means to grasp how something that was once disregarded unvalued or lost to us becomes interesting and important When so much makes claims to our attention every day how do we decide what is most valuable right now Relevance Tamarkin shows was an Anglo American concept derived from a word meaning to raise or to lift up again and also to give relief It engaged major intellectual figures including Ralph Waldo Emerson and pragmatists and philosophers William James Alain Locke John Dewey and Alfred North Whitehead as well as a range of critics phenomenologists linguists and sociologists Relevance is a struggle for recognition especially in the worlds of literature art and criticism Poems and paintings in the nineteenth century could now be seen as pragmatic works that make relevance and make interest that reveal versions of events that feel apropos of our lives the moment we turn to them Vividly illustrated with paintings by Winslow Homer Henry Ossawa Tanner and others

Apropos of Something is a searching philosophical and poetic study of relevance a concept calling for shifts in both attention and perceptions of importance with enormous social stakes It remains an invitation for the humanities and for all of us who feel tasked every day with finding the point      Proust and the Arts Christie McDonald,François Proulx,2015-11-05 Proust and the Arts brings together expert Proustians and renowned interdisciplinary scholars in a major reconsideration of the novelist s relation to the arts Going beyond the classic question of the models used by Proust for his fictional artists the essays collected here explore how he learned from and integrated in highly personal ways the work of such creators as Wagner or Carpaccio This volume reveals the breadth of Proust s engagement with varied art forms from different eras from primitive arts to sound recordings from medieval sculpture to Art Nouveau glassmaking and from portrait photography to the private art of doodling Chapters bring into focus issues of perception and detail in examining how Proust encountered and responded to works of art and attend to the ways art shaped his complex relationship to identity sexuality humor and the craft of writing      **Creating Stillness** Rachel Rose,2023-03-07 Discover the healing power of expressive arts with this hands on guide to using creative mindfulness to reduce stress find presence and unlock self knowledge Expressive arts educator Rachel Rose weaves together mindfulness practice and art therapy to demonstrate how tapping into your own innate creativity can help you find peace in a stressful world This self directed guide teaches ten key principles of mindfulness through ten creative invitations along with a series of simple exercises and guided prompts to help you start noticing and flexing your creative mindfulness muscles Anchoring your practice with ritual Setting intentions Honoring your impulses Trusting the process Non striving Letting go Requiring no prior experience of the arts or mindfulness meditation Creating Stillness provides tools to explore difficult emotions and find insight into personal struggles and traumatic wounds In each chapter Rose draws from her personal experience as a teacher and facilitator of creative mindfulness to share stories and examples that help ground exercises like sketching creative writing prompts and more Rose carefully walks through the process each time explaining how to set intention and arrive in the present moment before embarking on your mindful art session how to use objects and thoughts as creative prompts how to return your attention to your work as you move forward and how to distill the wisdom you have found in the process For seasoned artists creative mindfulness offers a chance to slow down and rediscover the transformative power that art can offer when it is detached from the need to produce something beautiful or useful For those coming to expressive arts with existing mindfulness practices or engaged in a therapeutic process a mindful arts practice may reveal a passion for creation you didn t know existed And for everyone creative mindfulness can help us make sense of our feelings and find new ways of expressing ourselves in art and in life      The Biography Book Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young

readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

*Matisse's Poets* Kathryn Brown, 2017-09-21 Throughout his career Henri Matisse used imagery as a means of engaging critically with poetry and prose by a diverse range of authors Kathryn Brown offers a groundbreaking account of Matisse's position in the literary cross currents of 20th century France and explores ways in which reading influenced the artist's work in a range of media This study argues that the *livre d'artiste* became the privileged means by which Matisse enfolded literature into his own idiom and demonstrated the centrality of his aesthetic to modernist debates about authorship and creativity By tracing the compositional and interpretive choices that Matisse made as a painter print maker and reader in the field of book production this study offers a new theoretical account of visual art's capacity to function as a form of literary criticism and extends debates about the gendering of 20th century bibliophilia Brown also demonstrates the importance of Matisse's self placement in relation to the French literary canon in the charged political climate of the Second World War and its aftermath Through a combination of archival resources art history and literary criticism this study offers a new interpretation of Matisse's artist's books and will be of interest to art historians literary scholars and researchers in book history and modernism

*The Masters of Modern Art* Walter Pach, 1924

*Virginia Woolf* Allen McLaurin, 1973-03-08 A study of the works of Virginia Woolf and of other Bloomsbury writers in particular Roger Fry Dr McLaurin discusses the influence of Samuel Butler on the philosophy and especially the aesthetics of Bloomsbury and the relationships between the writings of Virginia Woolf and Roger Fry showing that in her novels she was grappling with the same ideas as Fry was in his art criticism He then explores the place of repetition in the whole process of art and examines the uses of repetition in the work of Virginia Woolf and others notably the stream of consciousness writers The final section of the book draws these themes together in a study of *To the Lighthouse* This book explains a great deal about Virginia Woolf's attitude to writing and her preoccupation with the techniques of painting and makes intelligible much about her aims and methods by setting them in their social and historical context
