## **Matthew A Shorter Commentary:**

Matthew W. D. Davies, Dale C. Allison, Jr., 2005-01-01 This work is an abbreviated version of the monumental three volume Matthew A Critical and Exegetical Commentary in the International Critical Commentary series ICC Davies and Allison's magisterial work is considered to be the standard work on Matthew and is still a best selling title Retaining all the important features of the ICC volumes this Shorter Commentary includes the new translation of the Gospel as well as a condensed introduction and a summary of the main exegetical points in a non technical verse by verse commentary For those who lack the linguistic and historical grounding or the time to deal with the ICC volume this shorter volume is an accessible affordable and practical alternative *SCM Core Text: New Testament* Richard Cooke, 2013-01-03 An undergraduate textbook for use on modules introducing the New Testament It argues that the New Testament reflects four streams of apostolic tradition reflected in the 4 gospels It includes bibliographies at the end of each section to guide the reader to the most relevant areas for further research in any given subject area **Reading Matthew as the Climactic Fulfillment of the Hebrew Story** Martin Spadaro, 2015-09-09 This book is a reading of Matthew's Gospel as though it were written to integrate with and conclude the existing body of Scriptures Matthew is read as though John was the last prophet of God and Israel's last chance for repentance and that Jesus was YHWH who had come to judge the Temple priesthood and covenant nation according to the terms of the covenant God made with Moses at Sinai Through this lens new interpretations are given to the infancy narrative the Sermon on the Mount the mission the parables and Jesus' arrival in Jerusalem along with the events that followed By reading Matthew this way a greater appreciation can be gained for its necessary place in the canon and many of Matthew's well known conundrums can be meaningfully addressed As a Hebrew document Matthew understood the necessity to record the crimes against YHWH Jesus in Israel and Jerusalem as the ultimate cause for the termination of the ethnically and geographically bound covenant which could then be replaced by the cross cultural and international covenant that Christians now enjoy *Matthew Through the Centuries* Ian Boxall, 2018-11-26 The reception of the Gospel of Matthew over two millennia commentary and interpretation Matthew Through the Centuries offers an overview of the reception history of one of the most prominent gospels in Christian worship Examining the reception of Matthew from the perspectives of a wide range of interpreters from Origen and Hilary of Poitiers to Mary Cornwallis and Bob Marley this insightful commentary explains the major trends in the reception of Matthew in various ecclesial historical and cultural contexts Focusing on characteristically Matthean features detailed chapter by chapter commentary highlights diverse receptions and interpretations of the gospel Broad exploration of areas such as liturgy literature drama film hymnody political discourse and visual art illustrates the enormous impact Matthew continues to have on Judeo Christian civilization Known as the Church's Gospel Matthew's text has been the subject of apologetic and theological controversy for hundreds of years It has been seen as justification for political and ecclesial status quo and as a path to radical discipleship Matthew has

influenced divergent political spiritual and cultural figures such as Francis of Assisi John Ruskin Leo Tolstoy Dietrich Bonhoeffer and Mahatma Gandhi Matthew's interest in ecclesiology provides early structures of ecclesial life such as resolution of community disputes communal prayer and liturgical prescriptions for the Eucharist and baptism A significant addition to the acclaimed Blackwell Bible Commentaries series Matthew Through the Centuries is an indispensable resource for both students and experts in areas including religious and biblical studies literature history politics and those interested in the influence of the Bible on Western culture

**Matthew, Disability, and Stress** Jillian D. Nelson, 2022-10-25 In Matthew Disability and Stress Examining Impaired Characters in the Context of Empire Jillian D Engelhardt examines four Matthean healing narratives focusing on the impaired characters in the scenes Her reading is informed by both empire studies and social stress theory a method that explores how the stress inherent in social location can affect psychosomatic health By examining the Roman imperial context in which common folk lived and worked she argues that attention to social and somatic circumstances which may have accompanied or caused the described disabilities impairments destabilizes readings of these stories that suggest the encounter with Jesus was straightforwardly good and the healing was permanent Instead Engelhardt proposes various new contexts for and offers more nuanced characterizations of the disabled impaired people in each discussed scene resulting in ambiguous interpretations that de-center Jesus and challenge able-bodied assumptions about embodiment disability and healing

*The Power of Parables*, 2023-11-07 The Power of Parables documents the surprising ways in which Jewish and Christian parables bridge religion with daily life This 2019 conference volume rediscovers the original power of parables to shock and affect their audience which has since been reduced by centuries of preaching and repetition Not only do parables enhance the perspective on Scripture or the kingdom of heaven they also change the sensory regime of the audience in perceiving the outer world The theological differences in their applications appear secondary in view of their powerful rhetoric and suggest a shared genre

Gladd, 2021-06-01 A leading New Testament scholar provides an easy to navigate resource for studying and understanding the Gospels Written with classroom utility and pastoral application in mind this accessibly written volume summarizes the content of each major section of the biblical text to help students pastors and laypeople quickly grasp the sense of particular passages The series modeled after Baker Academic's successful Old Testament Handbook series focuses primarily on the content of the biblical books without getting bogged down in historical critical questions or detailed verse by verse exegesis The book covers all four Gospels and explores each major passage showing how Jesus is the central figure of each plot It also unpacks how the Old Testament informs the Gospels

**Tribals, Empire and God** Zhodi Angami, 2017-04-06 Tribal biblical interpretation is a developing area of study that is concerned with reading the Bible through the eyes of tribal people While many studies of reading the Bible from the reader's social cultural and historical location have been made in various parts of the world no thorough study that offers a coherent and substantive methodology for tribal biblical interpretation has been made This book is the first comprehensive work that offers a description of tribal biblical interpretation and shows its application by making a lucid reading of Matthew's infancy narrative from a tribal reader's perspective Using reader response criticism as his primary method Zhodi Angami brings his tribal context of North East India into conversation with Matthew's account of the birth of Jesus Since tribal people of North East India see themselves as living under colonial rule a tribal reader sees Matthew's text as a narrative that actively resists and subverts imperial rule Likewise the tribal experience of living at the margins inspires a tribal reader to look at the narrative from the underside from the perspective of those who are sidelined ignored belittled or forgotten Tribal biblical interpretation presented here follows a process of conversation between tribal worldview and Matthew's narrative Such a method animates the text for the tribal reader and makes the biblical narrative not only more intelligible to the tribal reader but allows the text to speak directly to the tribal context

Lee, 2009 Revision of the author's thesis Th D Harvard University 2008 The Sermon on the Mount in the Light of the Temple Professor John W Welch, 2013-05-28 No religious text has influenced the world more than has the New Testament's Sermon on the Mount and yet this crucial text still begs to be more clearly understood Why was it written What unifying theme or purpose holds it all together Should it be called a sermon Or is it some other kind of composition How would its earliest listeners have heard its encoded allusions and systematic program This book offers new insights into the Sermon on the Mount by seeing it in the shadow of the all pervasive Temple in Jerusalem which dominated the religious landscape of the world of Jesus and his earliest disciples Analyzing Matthew 5-7 in light of biblical and Jewish backgrounds ritual studies and oral performances in early Christian worship this reading coherently integrates every line in the Sermon It positions the Sermon as the premier Christian mystery

*Blessed Are the Rest of Us* Micha Boyett, 2024-04-09 When Micha Boyett's son was born with Down syndrome and later diagnosed with autism she was drawn into the ancient teachings of the Beatitudes There she found an invitation to honor her limits in a world that values performance perfection and strength Jesus instead calls his followers to embrace meekness mercy and the longing for justice The Beatitudes helped Boyett discover her wholeness in God's love rather than in her own accomplishments In *Blessed Are the Rest of Us* Boyett shares her insights with readers especially those who are burned out tired of performing living with grief feeling exhausted or powerless She invites them into an understanding of God and themselves centered on belovedness rather than accomplishment Here is her message in God's dream for the world blessing has nothing to do with ease it's about flourishing and Jesus promises we find flourishing in our limits and in our longing to see the world made whole Each chapter centers on the refreshing good news of one beatitude poetically woven with stories of Boyett's life Beautifully reassuring and liberating this book calls readers to rest in God's rich and abundant

love **Jesus, Jubilee, and the Politics of God's Reign** Christian T. Collins Winn, 2023-02-07 What if the kingdom of God is not a place but a person In this timely monograph Christian T Collins Winn argues that the kingdom of God is Jesus himself Drawing on a wide breadth of liberation theology Jesus Jubilee and the Politics of God s Reign amplifies the echoes of salvation history in contemporary struggles for social justice Collins Winn demonstrates how the institution of the Jubilee year exemplifies the kingdom of God A semicentennial celebration prescribed in the book of Leviticus Jubilee prescribed the redistribution of wealth and freeing of prisoners Hope for Jubilee persists in apocalyptic rhetoric from the exhortations of Old Testament prophets to those of modern progressives Likewise Jesus s ministry passion and resurrection convey the justice of Jubilee and urgency of apocalypse His conquest over death represents the ultimate vindication of the oppressed in the kingdom of God an outpouring of Spirit seen today in continuing restorative efforts by oppressed communities in the face of death dealing institutions Historically informed and passionately written Jesus Jubilee and the Politics of God s Reign challenges readers to find Jesus in the marginalized persons of our own time **The Branch** Preston T. Massey, 2018-07-24 The thesis of the book may be stated simply it is an argument based upon the four prophetic texts of Jer 23 5 Zech 3 8 6 12 and Isa 4 2 as a foundational pattern for the four Gospels These four prophetic texts it will be argued mention a King Branch a Servant Branch a Man Priest Branch and a Lord God Branch This study seeks to show how Matthew presents Jesus as the King Branch Mark as the Servant Branch Luke as the Priest Man Branch and John as the Lord God Branch Consideration will also be given to explore the ramification of the four living Beings as described in Rev 4 6 7 Given the sum total of this sequence of literary facts the conclusion of this book will raise a number of possible implications One of these implications will offer the conclusion that the four evangelists could not have written their four Gospels solely on their own human unaided efforts *Designs for the Church in the Gospel of John* R. Alan Culpepper, 2021-07-16 The essays in this volume which span four decades represent sustained reflection on the historical setting narrative devices and theology of the Gospel of John Methodologically the essays develop a narrative critical approach to the Gospel producing insights that have implications for historical and theological issues Thematically many of the essays explore the Gospel s ecclesiology especially its vision for the church and its mission As a collection this volume provides an introduction to the Fourth Gospel analyses of major issues including John s anti Judaism relationship to 1 John irony imagery creation ethics evil and eschatology and in depth exploration of key texts especially John 1 1 18 2 20 4 35 38 5 1 18 5 21 30 10 1 18 12 12 15 13 1 20 19 16 30 20 19 23 and chapter 21
