Matthew Finding Treasure New And Old:

Old and New Martin Emmrich, 2022-01-10 What did Jesus think of the kingdom of God How did his concept differ from those of his contemporaries and how does it still pose some stiff challenges for twenty first century Christians *Old and New* contributes to the study of Jesus parables as the first comprehensive analysis of the seven kingdom parables assembled in Matthew 13 in a single volume Martin Emmrich argues that the placement content and arrangement of the chapter are highly significant in terms of the overall shape of Matthew s Gospel as well as offering a timeless witness of Jesus notion of the coming of his reign *Old and New* features some unique exegetical details along with sweeping theological vistas all of it carefully balanced with edifying illustrations and examples The work not only deepens the reader s appreciation of the text but also provides ample incentives for soul searching reflection Matthew Craig A. Evans, 2012-02-06 This book provides a comprehensive introduction to the New Testament Gospel of Matthew and its historical social and religious contexts

Revelation to Transformation Paul White, 2011-06-08 Most of us have become accustomed to the constant preaching and teaching of guilt and condemnation This slowly but surely pulls our eyes off of the loveliness of the finished work and onto the unfinished areas of our lives We know that we are flawed we don t need someone screaming at us to figure that out Our problem is not the absence of knowledge that we need help Rather it is the utter inability to help ourselves Calvary was God s intervention in all of our issues By relieving us of the punishment of sin He is freeing us from the weight of guilt and the fear of death The author of Hebrews said that when Jesus died He did so to deliver them who through fear of death were all their lifetime subject to bondage Hebrews 2:15 Jesus has delivered us from fear of eternal punishment by being punished in our place **The Standard** ,1909 **The Myrtle** ,1871 **The Chronological Gospel King James Version** Daniel W. Alt, 2025-06-21 The Chronological Gospel King James Version by Daniel W Alt crafts a cohesive narrative of Jesus Christ s life by seamlessly interweaving insights from the Gospels of Matthew Mark Luke and John Alt tells Luke s story utilizing other Gospel perspectives Color coding the commentary declarations of Jesus God the Father and Talmudic transgressions distinguishes this work Alt pays meticulous attention to the Gospels historical context and language disparities The Gospel narrative unfolds with the birth of John the Baptist and the miraculous conception of Jesus skillfully blending the stories of the shepherds magi and the Holy Family s journey to Egypt Alt s books deepen readers understanding of Jesus Christ and his teachings by exploring the Gospel *The Comprehensive Commentary on the Holy Bible: Matt.-John* William Jenks, 1836

Matthew's Gospel and Judaism in the Late First Century C.E. Anthony Ovayero Ewherido, 2006 Following a thorough examination of the structure language and argument of Matthew s discourse on parables Anthony O Ewherido underscores its primary relevance to the ongoing discussion on the social context of Matthew s Gospel The convincing analysis of the textual evidence and study of some social and historical trends in Christianity and Judaism in the post 70 C E era inform Ewherido s conclusion that at the time the Gospel was written to its predominantly Jewish Christian community

that community had parted ways with Judaism and stood at an ideologically irreconcilable distance from the synagogue across the street

Jesus and Paul in the Context of Judaism and Early Christianity Donald A. Hagner,2025-03-27 In the late nineteenth century Jewish scholars began to be interested in Jesus and eventually Paul as important figures in the history of the Jewish people Rightly understood they argued Jesus and Paul belonged more to Judaism than to Christianity as even radical critical Christian scholars were concluding The earliest believers in Jesus were exclusively Jews forming something like a new sect within Judaism The emergence of the Christianity of the New Testament soon became a focus of attention for Jewish scholars and with this a host of questions arose such as about the influence of Hellenism the parting of the ways the widespread Christian misperception of Judaism the tragedy of anti Semitism and the identity of Jesus as Messiah and Lord The present essays address these and other issues maintaining throughout the tension of continuity and discontinuity and stressing the underappreciated radical newness of the New Testament
