Stanley,2006-09-20 This book investigates the role of works in salvation in the Synoptic Gospels Jesus was all too aware of people who claimed to believe in Him and yet proved to be not truly born again e g John 2 23 25 8 31 46 A profession of faith made at some point during one s life is no guarantee that heaven awaits that person Such professions or conversion experiences must be followed by changed lives if faith is to be shown to be genuine saving faith Hence Jesus teaches that regardless of one s profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e g Rom 3 21 4 25 Gal 2 16 21 Eph 2 8 9 there is every good reason to understand that Jesus teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one s life Hence Jesus did teach salvation by works However God is the one who produces the works and they occur after conversion Thus salvation is not one s initial conversion but one s final entrance into heaven Four Views on the Role of Works at the Final Judgment Robert N. Wilkin,Thomas R. Schreiner,James D. G. Dunn,Michael P. Barber,2013-07-09 Through a discussion of Biblical texts this book presents four perspectives on the role of works at the final judgment The final judgment is the last and final act

before God dwells with his people forever Scripture makes that clear but what function do our actions play in the final assessment of our souls especially those of professing Christians The contributors each state their case for one of four prominent views on the effect of works at the end of time Robert N Wilkin Works will determine rewards but not salvation Thomas R Schreiner Works will provide evidence that one actually has been saved James D G Dunn Works will provide the criterion by which Christ will determine eternal destiny of his people Michael P Barber Works will merit eternal life This book allows each contributor to not only present the case for his view but also to critique and respond to the critiques of the other contributors allowing you to compare their beliefs in an open forum setting to see where they overlap and where they differ The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion **Adult Quarterly | Student Manual Winter**

Quarter 2020 (Dec-Feb) Church Of God In Christ Publishing House,2020-12-01 The Student quarterly offers the student a comprehensive guide of the Sunday School lessons The structured approach to the lessons helps the student understand the Biblical principles outlined in each week s lesson The Manual features A 13 week series of lessons Life application for each lesson A weekly challenge Thought provoking discussion starters **The Sermon on the Mount** Roland H. Worth,1997 Roland Worth s study of Jesus Sermon on the Mount traces the roots of Jesus teaching to the precepts of the Torah and Prophets This is a comprehensive work for those who seek a deeper knowledge of the Bible A Commentary, Critical, Expository, and Practical, on the Gospels of Matthew and Mark John Jason Owen,1857 The Gospel of Matthew Rudolf Schnackenburg,2002 From ancient times the Gospel of Matthew has been regarded as the church Gospel its aims are preeminently catechetical pastoral and missionary But recent research raises many questionsregarding Matthew s creation theological intentions and shapingfor the circle of its first recipients This highly original commentary by Rudolf Schnackenburgfollows Matthew chapter by chapter and verse by verse carefullyexplaining and interpreting the text against both its primitive andcurrent horizons Schnackenburg sees Matthew s purpose as simplythe proclamation of Christian salvation His commentary givesextra attention to the great discourses of Jesus found in Matthew such as the Sermon on the Mount showing how Jesus wordsand works have special currency for the self understanding of thechurch and for the task of Christian living today Written by a master exegete with a pastor s sensitivity thiscommentary will fast become a classic study of Matthew s Gospel **The Gospel According To Matthew** Leon Morris,2020-05-21 In the Christian Church the Gospel of Matthew has been considered the most important portrait of Jesus life and message Containing Jesus Sermon on the Mount and a uniquely rich collection of parables among many other things Matthew has made a major contribution to the church throughout the centuries and it still has much to say to the church today This superb commentary in the Pillar series explores the meaning and relevance of Matthew in an eminently straightforward fashion Leon Morris writes for readers who use

commentaries to discover further what the Bible means Throughout he makes clear what he considers to be the meaning of the Greek text that Matthew has bequeathed to the church A perceptive introduction precedes Morris s warmhearted verse by verse exposition of Matthew an exposition based on his own literal translation of the text Now a standard reference work on the Gospel of Matthew this mature evangelically oriented commentary will continue to meet the needs of students pastor and general readers alike **4000-4999, Arts; 5000-5999, Theology; 6000-6999, Philosophy and education** Princeton University.
