and the Christian But most people never read the first four There are any number of books on how to do evangelism This book is different it's an invitation to actually live out the message of the gospel Jesus's original intention was for ordinary people like you and me to live lives that point others to the only Person who can give them hope for this life as well as the next to visibly display the Good News of salvation through the Messiah and Redeemer of humankind But many Christ followers today are either ridden with guilt for not telling others about Jesus or so silent that no one really knows they're a Christian The Fifth Gospel will help you wrestle with the critical issues involved in living out your faith in front of a watching and sometimes not so friendly world Isn't it time to become a witness for the One you profess to love Prepare yourself to represent your Savior well and to discover a new way to do evangelism Get ready for God to unleash the gospel through you

Matthew, Mark, Luke and John Ralph Forsythe, 2016-04-29 The four gospels of Matthew Mark Luke and John show the life and teachings of Jesus Christ Here the four column format shows in detail how well and in which areas these documents parallel each other Not a single detail order of events or word has been changed revealing that the gospels are already in agreement with each other on shared dates and events This parallelism may not be surprising given that the synoptic gospels Matthew Mark and Luke are believed to share a common source s however the gospel of John also fits perfectly in with this framework despite often covering or focusing on different events This book will be useful for anyone wishing to study the life of Christ in detail to compare the gospels or merely wishing to appreciate the New Testament from a slightly different angle

*Matthew Mark Luke and John* David Reed, 2017-11-17 A DISCIPLE IN THE GARDEN of Gethsemane cuts off the ear of the high priest s servant according to all four Gospels But only John tells us the servant s name and that it was Peter who wielded the sword And only Luke tells us that Jesus healed the wound This book allows you to see all of this at a glance THE FOUR GOSPELS are presented here in parallel columns in roughly chronological order with corresponding passages side by side Among the differences that set this work apart from others are its use of the World English Bible its copyright free status and its readable arrangement of the text THE WORLD ENGLISH BIBLE which provides the Gospel texts used in this book is a copyright free modern English translation Editor DAVID A REED served for a decade as a contributing editor of Dr Walter Martin s Christian Research Journal and has taught at Spurgeon s annual School of Theology at London s Metropolitan Tabernacle He has authored twenty books on Bible topics Reed is pastor of Immanuel Baptist Church in New Bedford Massachusetts

**Matt Mark Luke John** Mike Yeager, 2019-11-25 In the Bible there are four biographies of Jesus written by master storytellers Matthew Mark Luke and John all tell the story of Jesus time on earth from unique perspectives with the goal of convincing every reader that Jesus is good and worth following Over the years though to make it more readable people added things to these biographies also called gospels They broke the biographies up into chapters and added numbers to mark verses and even put the words into columns Again this was to help make these Jesus stories easier to read But to me all of those things can actually make it more difficult to read I don t like the stories of Jesus feeling like a textbook I like the stories of Jesus feeling like stories So I took the stories of Jesus removed those numbers and titles and columns and gave the words breathing room so they can tell the story of Jesus as well as possible Whether it s your first time reading these stories

or your hundredth I hope you get a sense of the power of the story of Jesus and how He's good and loving and worth trusting  
I hope His story impacts the story you're living
