The Vision of Matthew John P. Meier,2004-09-30 In this volume Father Meier explores how Matthew remodeled the form the Christological message and the moral demand of the gospel Part I shows Matthew s church in crisis It was experiencing a shift in its Christian existence from a narrow Jewish Christian past to a universal Gentile future To preserve yet reinterpret the particularistic traditions of that Jewish Christian past Matthew drew up a model of salvation history and then reshaped the gospel message to fit it Part II offers a mini commentary on the whole gospel to illustrate this reshaping of the message Pericope by pericope Matthew presents Jesus as

Son of God and Son of Man and therefore as the definitive teacher of his Church Indeed the nexus between Christ and his Church emerges as the outstanding characteristic of Matthew's gospel Part III studies Matthew's construction of a unified moral vision on the basis of this connection between Christ and Church The basic stance of Jesus and his disciples towards the Mosaic Law is one of fulfillment a prophetic fulfillment which involves at times a deepening of at times the abrogation of the letter of the Law

BOOK JACKET The Authorized Biography of Jesus Christ Mano Govindaraj, 2012 The author describes how as a high school student he first met the scientific approach to the study of the Gospels and learned that the Gospel of St Matthew was copied from an older document called Q The question arose if Matthew was a disciple of Jesus why would he need another document to write about Jesus A life long struggle to answer that question resulted in the development of this new Interpretation Matthew was a trained tax accountant Taxation is all about keeping records and diaries Jesus called Matthew to be a disciple Matthew did what he knew best keeping records and diaries as directed by Jesus Analyzing its contents using principles of information assurance Mano concludes that this gospel is in two parts The first nine chapters happened before the call of Matthew and the source of data is Jesus After chapter ten Matthew is the source of data He recorded events as indicated by Jesus including events after the arrest This is the justification for calling it an authorized biography of Jesus Christ The Ascension is omitted That significant omission proves that this gospel was not written by a later Christian believer or organization but happened because Matthew ceased his diaries before the Ascension These diaries were obtained by Christians many years later and recognized as a gospel

Confessing Christ in a Post-Holocaust World Henry F. Knight, 2000-03-30 The questions posed by the Holocaust force faithful Christians to reexamine their own identities and loyalties in fundamental ways and to recognize the necessity of excising the Church's historic anti Jewish rhetoric from its confessional core This volume proposes a new framework of meaning for Christians who want to remain both faithful and critical about a world capable of supporting such evil The author has rooted his critical perspective in the midrashic framework of Jewish hermeneutics which requires Christians to come to terms with the significant other in their confessional lives By bringing biblical texts and the history of the Holocaust face to face this volume aims at helping Jews and Christians understand their own traditions and one another's

Just Say The Words Dr. William H. Goddard, 2009-08-29 This book Just Say The Words is the reflection of the author's conviction that every spoken or written word is significant He states that the old saying One picture is worth a thousand words is true but Only if you know the thousand words The author is engaging in a process he calls transmission by which he indicates that

what he has written is being sent and what is read is received He attempts to use picture words in place of abstract expressions From the words written in the Bible to words written by prophets playwrights and poets the author reflects on the dynamic potential and powerful purpose of words He states that Jesus the Christ is the master communicator Jesus words are life giving and life changing In Jesus Word and Deed go together Whatever Jesus says He does The author shows how Attitude leads to Behavior which leads to Consequence He helps us look at the importance of and the difference between Heredity and Environment in shaping human response to life situations Reflecting on visits to Israel the author describes treks through various places in the Holy Land and describes the Most Religious Spot on Earth He examines the importance of the concepts of Guilt and Gratitude then asks for the readers response to what has been written *Jesus Christ* Joseph Thompson Gibson,1915
