Merchandising The Anointing Developing Discernment For These Last Days:

Merchandising the Anointing Rick Renner,1990 *Bewitched* Wayne Miller,2010 In *Bewitched* Wayne Joseph Miller shows readers how to bring the power of the Holy Spirit back into their life and their faith With biblical depth he delivers a timely challenge to all believers showing you how to keep from being deceived protect your freedom in Christ expect miracles in your life and recapture the fire of the Holy Spirit Readers learn how to recognize and dismiss any teaching or influence that would seek to tear them away from two foundational truths 1 God s power at work in each of us is what gives us the power and the ability to overcome 2 What started in the Spirit has to be maintained by the Spirit and God s sanctifying enabling grace Miller wrote this book to show how the salvation message is often merely seen as a course in self improvement which deceives believers into thinking they no longer have to be saved by God s grace Readers will see why this belief abandons the work of the Holy Spirit and lets man rule by the flesh SOUL HANGING BY A SILVER CORD

Lamont-James Belisle Escoe Jr.,2025-08-06 On the 28th of October yours truly had been a participant in a meeting with other exorcist There was discussion about being better at the expelling of omens My mentor and other key specialized ministers were present One of the members of this demon expelling group shared powerful insight about their coming to receiving Christ as there Lord and Savior As we were engaged in the topic this member shared how things within their life went from darkness to light The member shared and testified about the delicate interval of time in life when the individual themselves did not know or even understand totally who Jesus Christ was is Some of you like me will have a general knowledge of God in a family upbringing that had been taught to us however not all families are linked with Godly things enough for their youth to have the capacity to distinguish from what is evil and what is not evil *Charisma and Christian Life* ,1990-07 **How to**

Keep Your Head on Straight in a World Gone Crazy Rick Renner,2019-09-17 We are living in a day when countless multitudes have lost their way both morally and spiritually Like a ship without anchor this last day s generation is being tossed to and fro by a flood of deception and wrong influences that is tragically causing people to lose their moorings What should we do to make sure we don t get sucked in to the chaotic swirl of moral and spiritual confusion sweeping the world today That is the vital question prolific author and Greek scholar Rick Renner answers in this riveting and timely book

The Prophetic Anointing for Students Team Impact Team Impact Christian University,2016-05-21 We are living in a prophetic season Jesus wants to communicate with His Church and has things He wants to say to us today Developing our prophetic anointing comes as we develop our relationship with Jesus As we draw aside from our busy lives and spend time with God and ask Him to speak to us we will hear His voice more and more clearly Prophets are able to see and hear directly from God and are divine channels that open portals in the Spirit Their words are divinely sanctioned by God and anointed by the Holy Spirit God has commissioned them to impart the prophetic anointing to the Body of Christ in these last days They are called to stir up the prophetic Spirit in each believer The Gift of Discernment La Wanda Blackmon,2025-09-19 The

Gift of Discernment thoroughly covers what the gift of discernment is how it operates when it is active and how it selects the individuals through whom it will work This should be the gift you are diligently seeking God for in these last days II Thessalonians and Revelation tell us that there will be many false teachers false prophets and false preachers as well as those possessed by deceitful spirits who will be let loose upon the earth Satan is looking for Christians he can render ineffective so that they will not be a threat to his kingdom or last days works Discover this remarkable gift as this author guides you through the process of acquiring it and utilizing it to safeguard your heart and mind Satan does not care if you go to church if he can make you complacent and tired so that you will not fast read or pray he can get you compromising your relationship with Jesus Satan knows if you miss the rapture with the Holy Spirit here to help you that with it gone you will never make it through the tribulation period Satan will use subtle deceptions to deceive the very elect in these last days and destroy the effectiveness of churches so that the next generation is lost without hope or a savior He wants your children and grandchildren We must fast read and pray seeking God for this ultimate gift the gift of discernment **The Prophetic**

The Last of the Last Days Anointing and Power Lance Tucker,2009-06 Jesus is returning soon He said Behold I go to prepare a place for you that where I am you may be also The anointing and the power of God is on the increase and without measure Signs wonders and miracles will be the dominant moves of God in the earth The latter house shall be greater than the former house The church of Jesus Christ is living in the greatest days to be seen by any generation In the Last Of The Last days Anointing And Power Rev Lance Tucker reveals to the reader some sure signs that were given to him by the Lord Are these signs scriptural Read for yourself and see if there are any scriptural grounds by which to stand on In this book also Rev Lance Tucker gives to the reader teachings from the word of God Read for your self and you will realize that this is a timely book This is a must read book For speaking and ministerial engagements in churches conferences or otherwise you may contact Email lancelottucker yahoo com Be sure to click on the preview button **Discerning Ditches in the Last**

Days Tunde Bolanta,2018-01-21 Discerning Ditches is a clarion call to the body of Christ and her ministers to heed the warning of scriptures about deception in the last days Mistakes of history must not be repeated When the church descended into the dark ages she substituted the Word of God for unscriptural revelations and the power of God waned Discerning Ditches is an encouragement to the body of Christ to walk the straight and narrow putting the Word of God first Results are

not enough to justify unscriptural practices Practices must be based on the word of God in the light of the redemption of the new creation There are so many spirits that try to mimic the Spirit of God but the true word of God in the light of the believers redemption is the ultimate litmus tests Satan can parade himself an angel of light Discerning Ditches is a courageous choreography of Christian ministry in dangerous terrain The honest and graphic style reveals the rich tapestry of the author s multi talented mind and biblical anchorage This book could change your outlook of ministry for good in these end times
