Merideth Was Afraid:

A Perfect Gentle Knight Kit Pearson, 2008-09-09 Kit Pearson's most recent and critically acclaimed novel tells the story of the 5 Bell children each of them coping in various ways in the aftermath of their mother's death. Set in the 1950s and seen through the perspective of the middle child 11 year old Corrie, *A Perfect Gentle Knight* illustrates how a rich fantasy life both helps and hinders children trying to cope with loss, loneliness and growing up. While elder sister Roz is growing up and out of the desire for fantasy games, eldest brother Sebastian who fancies himself Sir Lancelot in their Round Table game continues to need it as much as ever, creating tension in the family and concern for Corrie who worries that he may have lost his grip on reality.

Silver Girl Elin Hilderbrand, 2011-06-21 Meredith Martin Delinn just lost everything: her friends, her home, her social standing because her husband Freddy cheated rich investors out of billions of dollars. Desperate and facing homelessness, Meredith receives a call from her old best friend Constance Flute. Connie's had recent worries of her own and the two depart for a summer on Nantucket in an attempt to heal. But the island can't offer complete escape and they're plagued by new and old troubles alike. When Connie's brother Toby, Meredith's high school boyfriend, arrives, Meredith must reconcile the differences between the life she is leading and the life she could have had. Set against the backdrop of a Nantucket summer, Elin Hilderbrand delivers a suspenseful story of the power of friendship, the pull of love and the beauty of forgiveness. Clearly the Madoff family inspired this plot, but Hilderbrand gives it her own sun-kissed optimistic spin which is not to say it's all *Rosa rugosa* just that there's a silver lining to the ugliest of circumstances. Break My Fall (Gossamer Falls Book #2) Lynn H. Blackburn, 2025-03-18 She's determined to make an impact in her community. He's determined to make sure she lives long enough to do it. Dr. Meredith Quinn always planned to return to Gossamer Falls to practice dentistry. Now that she's back home, she's made it a point to offer clinics to children and adults in nearby underserved areas. Unfortunately, those same areas are known to harbor drug traffickers and Police Chief Grayson Ward suspects that local law enforcement is looking the other way. After too many losses, Grayson has closed off his heart. But with Meredith in his life, he feels his walls crumbling, leaving him exposed and vulnerable. To keep her alive, he must keep her close, but that makes it impossible for him to retreat and rebuild. Will she be the one who finally helps him emerge from isolation? Or will this force of nature leave him shattered? Praise for *Never Fall Again*: The start to Blackburn's new Gossamer Falls inspirational thriller series is an exciting story of difficult truths and second chances. Booklist. Romance, danger and deadly crime fighting scenes make this a perfect read. The AR Critique
