David Nevin

Meriwether A Novel Of Meriwether Lewis And The Lewis Clark Expedition:

Meriwether David Nevin,2005-04-01 Meriwether is a young man of genius power drive and single minded determination to make one of the greatest marches in the world history to chart the two thousand uncharted miles from the Mississippi to the Missouri to the mysterious Stoney Mountains then down Colombia to the Pacific But President Thomas Jefferson has other plans for the young Meriwether Lewis It is 1800 and Jefferson calls upon Lewis to be his secretary ignoring Lewis request for expedition The job though a necessary duty frustrates Lewis whose mind is transfixed on his destiny to cross the continent Freed at last Lewis calls upon his friend William Clark to set out on a cross continental trek that will give them towering stature among explorers and assure that the young nation will have its shores washed by opposite oceans It is a dangerous expedition as the unexplored territories are filled with huge grizzlies and wild waters hostile Indians and they will lose their way They will also be blessed by Sacagawa the Indian woman whose skill and insight will guide them and in many cases save them Until they reach the Oregon Country where the breakers roll unbroken from China

Meriwether David Nevin,2017-12-26 Meriwether is a young man of genius power drive and single minded determination to make one of the greatest marches in the world history to chart the two thousand uncharted miles from the Mississippi to the Missouri to the mysterious Stoney Mountains then down Colombia to the Pacific But President Thomas Jefferson has other plans for the young Meriwether Lewis It is 1800 and Jefferson calls upon Lewis to be his secretary ignoring Lewis request for expedition The job though a necessary duty frustrates Lewis whose mind is transfixed on his destiny to cross the continent Freed at last Lewis calls upon his friend William Clark to set out on a cross continental trek that will give them towering stature among explorers and assure that the young nation will have its shores washed by opposite oceans It is a dangerous expedition as the unexplored territories are filled with huge grizzlies and wild waters hostile Indians and they will lose their way They will also be blessed by Sacagawa the Indian woman whose skill and insight will guide them and in many cases save them Until they reach the Oregon Country where the breakers roll unbroken from China But for all Lewis fortitude and genius the man who made the impossible possible has touched the heights of his life and now steps towards his darkling future At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

Who Was Meriwether Lewis? | Lewis and Clark Book for Kids Grade 5 | Children's Historical Biographies Dissected Lives,2021-11-01 This book is a continuation of an earlier Baby Professor title tackling the story of William Clark This time however spotlight will be given to Meriwether Lewis Lewis was not just an explorer he was also a soldier politician and public administration Read on to find out his contributions especially in the US expansion Grab a copy today

What Was the Lewis and Clark Expedition? Judith St. George,Who HQ,2014-10-16 When Meriwether Lewis William Clark and the Corp of Discovery left St Louis Missouri on May 21 1804 their mission was to explore the vast unknown territory acquired a year earlier in the Louisiana Purchase The travelers hoped to find a waterway that crossed the western half of the United States They didn t However

young readers will love this true life adventure tale of the two year journey that finally brought the explorers to the Pacific Ocean

The Story of Captain Meriwether Lewis and Captain William Clark Nellie F. Kingsley, 1902 Lewis and Clark William R. Lighton, 2017-08-27 Meriwether Lewis and William Clark In the years 1804 1805 and 1806 two men commanded an expedition which explored the wilderness that stretched from the mouth of the Missouri River to where the Columbia enters the Pacific and dedicated to civilization a new empire Their names were Meriwether Lewis and William Clark This book relates that adventure from it s inception through it s completion as well as the effect the expedition had upon the history of the United States *LEWIS AND CLARK* WILLIAM R. LIGHTON, 2018 **Undaunted Courage** Stephen E. Ambrose, 2011-11 In this sweeping adventure story Stephen E Ambrose the bestselling author of D Day presents the definitive account of one of the most momentous journeys in American history Ambrose follows the Lewis and Clark Expedition from Thomas Jefferson s hope of finding a waterway to the Pacific through the heart stopping moments of the actual trip to Lewis lonely demise on the Natchez Trace Along the way Ambrose shows us the American West as Lewis saw it wild awesome and pristinely beautiful Undaunted Courage is a stunningly told action tale that will delight readers for generations In 1803 President Thomas Jefferson selected his personal secretary Captain Meriwether Lewis to lead a voyage up the Missouri River to the Rockies over the mountains down the Columbia River to the Pacific Ocean and back Lewis was the perfect choice He endured incredible hardships and saw incredible sights including vast herds of buffalo and Indian tribes that had had no previous contact with white men He and his partner Captain William Clark made the first map of the trans Mississippi West provided invaluable scientific data on the flora and fauna of the Louisiana Purchase territory and established the American claim to Oregon Washington and Idaho Ambrose has pieced together previously unknown information about weather terrain and medical knowledge at the time to provide a colorful and realistic backdrop for the expedition Lewis saw the North American continent before any other white man Ambrose describes in detail native peoples weather landscape science everything the expedition encountered along the way through Lewis s eyes Lewis is supported by a rich variety of colorful characters first of all Jefferson himself whose interest in exploring and acquiring the American West went back thirty years Next comes Clark a rugged frontiersman whose love for Lewis matched Jefferson s There are numerous Indian chiefs and Sacagawea the Indian girl who accompanied the expedition along with the French Indian hunter Drouillard the great naturalists of Philadelphia the French and Spanish fur traders of St Louis John Quincy Adams and many more leading political scientific and military figures of the turn of the century This is a book about a hero This is a book about national unity But it is also a tragedy When Lewis returned to Washington in the fall of 1806 he was a national hero But for Lewis the expedition was a failure Jefferson had hoped to find an all water route to the Pacific with a short hop over the Rockies Lewis discovered there was no such passage Jefferson hoped the Louisiana Purchase would provide endless land to support farming but Lewis discovered that the Great Plains were too dry Jefferson hoped there was a river flowing from

Canada into the Missouri but Lewis reported there was no such river and thus no U S claim to the Canadian prairie Lewis discovered the Plains Indians were hostile and would block settlement and trade up the Missouri Lewis took to drink engaged in land speculation piled up debts he could not pay made jealous political enemies and suffered severe depression High adventure high politics suspense drama and diplomacy combine with high romance and personal tragedy to make this outstanding work of scholarship as readable as a novel

Meriwether Lewis Thomas C. Danisi, John C. Jackson, 2024-04-23

The definitive biography on Meriwether Lewis by Thomas C Danisi and John C Jackson now in paperback for the first time October 11 2009 marks the bicentennial of Meriwether Lewis s death As the leader of the Lewis and Clark expedition an epic exploration of uncharted territory west of the Mississippi Lewis has been the subject of several biographies yet much of the published information is unreliable A number of myths surrounding his life and death persist Now independent scholars Thomas C Danisi and John C Jackson have written this definitive biography based on twelve years of meticulous research They have re examined the original Lewis and Clark documents and searched through obscure and overlooked sources to reveal a wealth of fascinating new information on the enigmatic character and life of Meriwether Lewis Instead of focusing on the Lewis and Clark expedition the authors concentrate on what Lewis was doing immediately before and after the journey through Western territory They assess his role as a natural scientist and as governor of the Louisiana Territory His lifelong mentor Thomas Jefferson thrust the latter role upon Lewis during a time of crisis As Danisi and Jackson reveal he would much rather have devoted this time compiling his notes and scientific findings into a vivid narrative of the expedition s adventures Finally using medical documentation the book reveals the actual cause of Lewis s untimely death The authors address both the conspiracy theories regarding murder as the cause of Lewis s death and the longstanding belief that he committed suicide The Meriwether Lewis that emerges from this thoroughly researched biography is a man of honorable intentions who met severe challenges and handled difficult confrontations with patience and diplomacy Both professional historians and armchair devotees of American history will want to add this important new work to their libraries

The Journals of the Lewis and Clark Expedition: August 30, 1803-August 24, 1804 Meriwether Lewis, 1983-01-01

The journey of the Corps of Discovery under the command of Captains Meriwether Lewis and William Clark across the American West to the Pacific Ocean and back in the years 1804 1806 seems to me to have been our first really American adventure one that also produced our only really American epic The Journals of the Lewis and Clark Expedition now at last available in a superbly edited easily read edition in twelve volumes of an eventual thirteen almost two centuries after the Corps of Discovery set out This important text has not been fully appreciated for what it is because of two centuries of incomplete and inadequate editing All three editions previous to this excellent one from the University of Nebraska were flawed by significant omission Thus my gratitude to the present editor Gary Moulton and his assistant editor Thomas Dunlay for bringing what I believe to be a national epic into plain view at last For almost two hundred years their Lewis and Clark s

strong words waited there but not there printed but not read our silent epic But words can wait now the captains writings have at last spilled out and fully in this regal edition When the Atlas of the Lewis and Clark Expedition appeared in 1983 critics hailed it as a publishing landmark This eagerly awaited second volume of the new Journals of the Lewis and Clark Expedition begins the actual journals of those explorers whose epic expedition still enthalls Americans Instructed by President Jefferson to keep meticulous records bearing on the geography ethnology and natural history of the trans Mississippi West Meriwether Lewis and William Clark and four of their men filled hundreds of notebook pages with observations during their expedition of 1804-6 The result was in is a national treasure a complete look at the Great Plains the Rockies and the Pacific Northwest reported by men who were intelligent and well prepared at a time when almost nothing was known about those regions so newly acquired in the Louisiana Purchase Volume 2 includes Lewis's and Clark's journals for the period from August 1803 when Lewis left Pittsburgh to join Clark farther down the Ohio River to August 1804 when the Corps of Discovery camped near the Vermillion River in present South Dakota The general introduction by Gary E Moulton discusses the history of the expedition the journal keeping methods of Lewis and Clark and the editing and publishing history of the journals from the time of Lewis and Clark's return Superseding the last edition published early in this century the current edition brings together new materials discovered since then It greatly expands and updates the annotation to take account of the most recent scholarship on the many subjects touched on by the journals

Meriwether A Novel Of Meriwether Lewis And The Lewis Clark Expedition Book Review: Unveiling the Magic of Language
