 second half of the book features an alphabetical master list of commonly punctuated terms worth its weight in gold
 combining rulings from the major style guides and showing exactly where they differ With *The Best Punctuation Book Period*
 you ll be able to handle any punctuation predicament in a flash and with aplomb *Garner's Modern American Usage* Bryan
 A. Garner, 2003 Painstakingly researched with copious citations from books newspapers and news magazines this new edition
 has become the classic reference work praised by professional copy editors **Garner's Modern English Usage** Bryan
 Garner, 2016-03-11 With more than a thousand new entries and more than 2 300 word frequency ratios the magisterial fourth
 edition of this book now renamed *Garner's Modern English Usage* GMEU reflects usage lexicography at its finest Garner
 explains the nuances of grammar and vocabulary with thoroughness finesse and wit He discourages whatever is slovenly
 pretentious or pedantic GMEU is the liveliest and most compulsively readable reference work for writers of our time It
 delights while providing instruction on skillful persuasive and vivid writing Garner liberates English from two extremes both
 from the hidebound purists who mistakenly believe that split infinitives and sentence ending prepositions are malfeasances
 and from the linguistic relativists who believe that whatever people say or write must necessarily be accepted The judgments
 here are backed up not just by a lifetime of study but also by an empirical grounding in the largest linguistic corpus ever
 available In this fourth edition Garner has made extensive use of corpus linguistics to include ratios of standard terms as
 compared against variants in modern print sources No other resource provides as comprehensive reliable and empirical a

guide to current English usage For all concerned with writing and editing GMEU will prove invaluable as a desk reference Garner illustrates with actual examples cited with chapter and verse all the linguistic blunders that modern writers and speakers are prone to whether in word choice syntax phrasing punctuation or pronunciation No matter how knowledgeable you may already be you re sure to learn from every single page of this book *Merriam-Webster's Collegiate Dictionary* Merriam-Webster Inc.,2004 Contains 165 000 entries more than 225 000 definitions and over 40 000 usage examples and includes biographical and geographical sections
