Messiah At The End Of Time:

The Messiah'S Imminent Return DeLinda N. Baker,2017-11-13 Throughout both the Old and New Testament there are numerous prophecies pointing to the return of the Messiah in power and glory In the early church a prevailing message was Jesuss promise to return in the clouds The knowledge that the Messiah would someday return and deliver Israel and the saints from the evils of this world has been a tremendous source of encouragement over the ages The questions have been and continue to be When will Jesus return Have the signs of his return been fulfilled Is the Messiahs return imminent In this book we will explore the scriptures that outline the signs that will precede the return of Jesus Christ in power and glory In addition to looking at scriptures on the topic we will look at current and historical events that may be significant Also we will ask how this impacts Christians and how we should respond In Matthew 25 Jesus tells a parable of a bridegroom and ten virgins The bridegrooms return was delayed so that the wedding party became drowsy and fell asleep When he returned late in the night only those who were ready went with him to the wedding feast The others were left behind As Christians we need to be ready for Jesuss return Come prepared to dig deep into scriptures and look forward to Jesuss return *Jesus Revealed in the End Times* Dr. Robert Jeffress,2025-03-04 Most books about the end times focus on the events described in biblical prophecy wars natural disasters economic turmoil and more rather than the One who is revealed in those events The result God s people end up fearful about what is to come rather than hopeful about Who is to come But the Bible s prophecies of the last days can fill us with joy and peace as we anticipate the return and reign of our beloved savior Jesus Christ In *Jesus Revealed in the End Times* bestselling author Dr Robert Jeffress takes a radically different approach to prophecy helping you see the end times through the lens of Jesus Christ You ll stop fretting about future events as you start to know Jesus more deeply see him more clearly and praise him more joyfully By the time you finish this book you ll not only have a greater understanding of God s plan for the future but also have a greater sense of calm and courage in the face of what is to come because you ve come to know the One who controls the future *In the Aftermath of Catastrophe* Jacob Neusner,2009 In this title Jacob Neusner continues his project of making clear the importance of the first six centuries of the Common Era in the history of Judaism **World War III - Unmasking the End-Times Beast** Rabbi Simon Altaf,2011-06-01 Many people have questions today regarding why the Muslims hate us and why do they want to bomb us This book reveals the cause and effect and reveals what the ancient prophets wrote regarding the position of Islam in the end of days Many Christians have been prophesying of a one world government a reunification of all currencies of sort Is this hypothesis at all possible The other big question raised is will radical Muslims acquire a nuclear bomb to attack the cities of Europe and the US via a make shift bomb What nations in the west will make an alliance to fight back How will Saudi Arabia participate all these and other questions answered in this text Eerdmans Commentary on the Bible: First and Second Kings Roger Tomes,2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Tomes introduction to and concise commentary on First

and Second Kings The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions **The Blackwell Companion to**

Judaism Jacob Neusner, Alan Avery-Peck, 2008-04-15 This Companion explores the history doctrines divisions and contemporary condition of Judaism Surveys those issues most relevant to Judaic life today ethics feminism politics and constructive theology Explores the definition of Judaism and its formative history Makes sense of the diverse data of an ancient and enduring faith

MUL.BABBAR: The Messiah's Star Dwight Reed Hutchison, 2024-07-19 Was there a star announcing the coming of the Jewish Messiah at the end of the first millennium BC Did wise men come from the east seeking the newly born king of the Jews How can one be sure MUL BABBAR The Messiah's Star approaches the Star of Bethlehem from a Jewish and Babylonian perspective Babylonian astronomy and royal symbolism seem to give clues about the star However the royal celestial signs related to the coming of the Messiah are also connected directly to Judaism and the Bible The Messiah's star announced the coming of a great king The Greatest of Kings destined to rule the world This book is an updated improved and expanded version of The Lion Led the Way by the same author *God's Grand Finale and the End of the Age* Gary D. Longbrake, 2019-01-03 Through the ages many kings and prophets have desired to see the things we see and they did not see them we are the chosen generation Many prophecies of scripture are being fulfilled before our eyes and there are many more that are about to come The rebirth of the state of Israel and the return of the Jews to the Holy Land is prophesied more than any other event in scripture it is a sign of the times Theodor Herzl is considered to be the father of the modern state of Israel In his book The Jewish State published 1896 it is said that as a child he saw King Messiah in a dream who said to him Go declare to the Jews that I shall come soon and perform great wonders and great deeds for My people and for the whole world Theodor's prophetic dream comes to life in the Biblical prophecies presented in this book There is seen in the prophets a great and awesome SHOW of God's mighty power that shall take place in the last days It is a show of God's power that is greater than anything He has done before it is God's Grand Finale End Time events and the return of Christ will soon follow

Scripture and Theology Tomas Bokedal, Ludger Jansen, Michael Borowski, 2023-08-21 The academic disciplines of Biblical Studies and Systematic Theology were long closely linked to one another However in the modern period they became gradually separated which led to increasing subject specialization but also to a lamentable lacuna within the various branches of Divinity As the lack of dialogue between Biblical Studies and the various theological disciplines

increased a minority group of scholars in the past few decades reacted and sought to re-establish the time honoured bonds between the disciplines. The present volume is part of this intellectual response with contributions from scholars of various professional and denominational backgrounds. Together the book's 25 chapters seek to reinvigorate the crucial cross-disciplinary dialogue involving biblical narrative, historical, systematic, theological and philosophic theological perspectives. The book opens the horizon to contemporary research and fills a lamentable research gap with a number of fresh contributions from scholars in the respective sub-disciplines. *Hidden But Now Revealed* G. K. Beale, Benjamin L. Gladd, 2014-11-21. This book explores the biblical conception of mystery as an initial partially hidden revelation that is subsequently more fully revealed, shedding light not only on the richness of the concept itself but also on the broader relationship between the Old and New Testaments. As such it is a model for attentive and faithful biblical theology.
